**Proper Collection of Tax:** Florida's general sales tax rate is 6 percent; however, there is an established "bracket system" for calculating the tax due when any part of each total taxable sale is less than a whole dollar amount. Other rates may also apply. See instructions.

**Discretionary Sales Surtax:** Most counties levy a discretionary sales surtax on most transactions subject to sales and use tax. These taxes are distributed to local governments throughout the state. The amount of money distributed is based on how you complete your tax return, especially the lines on the back of the return. Dealers should impose discretionary sales surtax on taxable sales when delivery or use occurs in a county that imposes surtax. Please see Form DR-15DSS (if enclosed) or visit us online at [www.myflorida.com/dor](http://www.myflorida.com/dor) to obtain a copy. This form provides you with each county's discretionary sales surtax rate(s).

**Fraud Penalties:** There are specific penalties imposed for **fraud, fraudulent claim of exemption, failure to collect and pay over, or an attempt to evade or defeat the sales tax.** Please see the instructions for detailed information regarding the penalties, fines, and punishments for certain sales tax offenses.
