SUBJ: Revised Emergency Rules
DATE: April 9, 2008

This is a reminder that the emergency rules revising the data layout requirements and exemption codes for the 2008 preliminary tax roll submittal were adopted on March 25, 2008. The rules, file layouts and exemption codes can be accessed at:
<http://dor.myflorida.com/dor/property/sb4d.html>

With the exception of the exemption codes for the NAP file, these documents are the same as those attached to the 2008 Assessment Roll Submission and Evaluation Standards letter sent to all Property Appraisers on March 13th. The exemption code list for the NAP file was not included in that letter.

Please let me know if you have any questions or need additional information.
