GENERAL RULES

12D-1.002 Definitions.

Unless otherwise stated or unless otherwise clearly indicated by the context in which a particular term is used, all terms used in this chapter shall have the same meanings as are attributed to them in the current F.S. In this connection, reference is made to the definitions contained in Sections 192.001, 196.012, and 197.102, F.S.

(1) “Assessment Roll” – A systematic listing of information for the orderly levying or imposition of a tax on property including, among other things, the name of the party assessed, the description of the property, the value as fixed by the property appraiser or other proper tribunal, the millage levied for various purposes by the proper authority, and the amount of tax. The term “tax roll” may be used interchangeably with “assessment roll.”

(2) “Just Value” – “Just Valuation”, “Actual Value” and “Value” – Means the price at which a property, if offered for sale in the open market, with a reasonable time for the seller to find a purchaser, would transfer for cash or its equivalent, under prevailing market conditions between parties who have knowledge of the uses to which the property may be put, both seeking to maximize their gains and neither being in a position to take advantage of the exigencies of the other.

(3) “Livestock” – Animals kept or raised for use or pleasure, especially farm animals kept for use and profit. Livestock is further defined as those kinds of domestic animals and fowls which are normally susceptible to confinement within boundaries without seriously impairing their utility, and the intrusion of which upon the land of others normally causes harm to land or to crops thereon.

(4) “Taxpayer” – The person or other legal entity in whose name the property is assessed. The terms “owner” and “possessor” may be used interchangeably with “taxpayer” where the context so indicates.

(5) “Tax Roll” or “Tax Rolls” – The term “tax roll” or “tax rolls” may be used interchangeably with “assessment roll” or “assessment rolls.”

(6) “Assessed value of property” – When applied to homestead property, means the assessed value as limited by Article VII, Section 4(d) of the State Constitution.

(7) “Homestead” and “Homestead Property” – Means that property described in Article VII, Section 6(a) of the State Constitution.
Chapter 12D-1 Rev. 10-1-2015

12D-1.003 Situs of Personal Property for Assessment Purposes.
Personal property not specifically addressed by this rule shall be assessed at its tax situs as determined pursuant to Sections 192.001(11), 192.032 and 192.042 of the F.S.

(1) Tangible personal property physically located in a county on January 1 on a temporary or transitory basis which is habitually located or typically present in another county, may be taxed by either, but not both, of such counties.

(a) If the tangible personal property is included in a tax return filed in the county where the property is habitually located or typically present, that county shall tax the property. It shall be the duty of the owner of the property to file a copy of the return in the county where the property is habitually located or typically present, with the property appraiser of the county in which, on January 1, the property is habitually located or typically present. The copy shall identify the property included in the return and shall be accompanied by a written statement by the signer of the return that the return has actually been filed with the property appraiser of the county in which the property is habitually located or typically present.

(b) If the owner of tangible personal property temporarily or transitorily located in a county on January 1, fails or refuses to file a copy of the return and a statement by the signer as provided in paragraph (a), with the property appraiser of that county, the appraiser shall place the property on the Tangible Personal Property Assessment Roll for the county.

(c) The following definitions are applicable to this rule:
   1. The phrase “habitually located or typically present” shall mean the place where an object is generally kept for use or storage, the place to which an object is consistently returned by its owner for use or storage.
   2. The term “temporarily and transitorily located” shall mean the place where an object is found for a short duration for limited utilization with an intention to remove the same to another place where it is usually used or stored.

(2) Inventory or other goods in interstate transit shall not be deemed to have acquired a taxable situs within a county even though the inventory or other goods are temporarily halted or stored within the state. However, when the inventory or other goods reach their ultimate destinations and become parts or property to be sold, leased, or otherwise used or processed in the state, interstate transit terminates and the property is subject to taxation in the county in which it is located. Inventory or other goods located in a warehouse or other storage facility within the state is subject to assessment and taxation at its location, unless such storage is merely temporary and an incident to transit to another state or foreign country. Goods located in a storage facility which belongs to a wholesaler, distributor, importer, or jobber that operates in this state, among others, although not necessarily selling or distributing such goods in this state, shall be deemed to have reached their ultimate destination.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 192.001, 192.011, 192.032, 192.042 FS. History–New 10-12-76, Formerly 12D-1.03, Amended 12-31-98.
12D-1.004 Returns, Applications and Other Information (not Including Applications for Exemptions) Required to Be Filed with the Property Appraiser.

(1) The following returns shall be filed according to the following schedule in each county which is the situs of the property, on forms and in compliance with the instructions for their use prescribed by the Department.

(a) Outdoor recreational or park lands. The owner of lands assessed as outdoor recreational or park lands, under Section 193.501, F.S., shall, on or before April 1 of each year, file with the property appraiser a written statement that the lands were utilized for such purposes on January 1.

(b) Pollution control devices. The owner of lands assessed under Section 193.621, F.S., relating to pollution control devices, shall, on or before April 1 of each year, file a return in the manner and form prescribed by the Department.

(c) Mineral, oil and gas or other subsurface rights, assessed under Section 193.481, F.S., by owner of the surface fee. The owner of real property who also owns mineral, oil, gas or other subsurface mineral rights to the same property shall, on or before April 1 of each year, file with the property appraiser a request in the manner and form prescribed by the Department of Revenue in order to have such mineral, oil, gas or other subsurface mineral rights separately assessed from the remainder of the real estate as a separate item on the tax roll. Failure to file the above request, on or before April 1 of each year, shall relieve the property appraiser of the duty to assess mineral, oil, gas or other subsurface rights separately from the remainder of the real estate owned by the owner of such mineral, oil, gas or other subsurface rights.

(d) Property subject to a conservation easement, qualified and designated as environmentally endangered by resolution of the governing board of a municipality or county, or designated as conservation land in a comprehensive plan adopted by the appropriate municipal or county governing board. The owner of property so designated may, on or before April 1 of each year, petition the property appraiser in the manner and form prescribed by the Department of Revenue, for a reclassification and reassessment of the land pursuant to Section 193.501, F.S. See Rule 12D-8.001, F.A.C.

(e) Every person or organization who has the legal title to houses of public worship, the lots on which they are located, personal property located thereon or therein, every parsonage, house of public worship owned burial grounds and tombs, and all other such property not rented or hired out for other than religious or educational purposes at any time, shall, on or before April 1 of each year, file a return of such property in the manner and form prescribed by the Department with the property appraiser of the county in which the property is located.

(2) All state and governmental entities, including all departments (boards, authorities, agencies, commissions, etc.) of state governments, and all forms of local government (including county commissions, school boards, commissions, authorities, and agencies of a public or quasi-public nature), special taxing districts, multi-county districts and municipalities, shall, beginning in 1972, on or before April 1, furnish to the several property appraisers of this state a list of real property owned. Such list shall include a description sufficient to identify the same and an estimate of the value of the same. After 1972, such list may include only the property which has been acquired or disposed of by the governmental entity since the filing of the previous return or list, and shall be due on or before April 1 of each year.

(3) An assessment may not be contested until a return, if required, is filed by the taxpayer.

(2) After certification of the final assessment roll by the value adjustment board pursuant to Section 193.122(2), F.S., the property appraiser shall, subject to the provisions of Section 193.1145, F.S., recompute each provisional millage rate of the taxing units within his jurisdiction, so that the total taxes levied within each taxing unit after recomputation and adjustment of the millage rate shall be the same as the taxes which had been levied on the interim tax roll. The property appraiser shall notify each taxing unit as to the value of the recomputed or official millage rate.

(3) After the value adjustment board has completed its hearings, or if no petitions are filed before the board, and the board has certified to the property appraiser that no petitions were filed, the property appraiser shall review the certification of the value adjustment board reflecting all changes as made by the value adjustment board and shall extend the adjusted millage placed on such roll. Provided, however, that nothing herein shall preclude the property appraiser from challenging any action of the value adjustment board as provided by law.

(4) Upon recomputation, the property appraiser shall extend the taxes against the approved tax roll and shall prepare a reconciliation between the interim roll and the final approved roll.

(5) It shall be the duty and responsibility of the tax collector to compile and furnish to the property appraiser a compilation of the interim or provisional taxes paid on each parcel of property as levied on the interim assessment roll. The interim roll as certified by the tax collector to the clerk of the circuit court, or a certified copy of such roll, shall meet the requirements of this rule. Such compilation shall be furnished to the property appraiser no later than the date the assessment roll is certified to the property appraiser by the value adjustment board, pursuant to the provisions of Section 193.122(2), F.S.

(6) The final reconciled tax roll certified by the property appraiser to the tax collector shall show, at a minimum for each parcel, the:
   (a) Interim or provisional assessed value;
   (b) Final assessed value;
   (c) Difference between (a) & (b);
   (d) Exemptions;
   (e) Interim or provisional taxes paid;
   (f) Final taxes due;
   (g) Difference between (e) & (f).

(7) After extension of the adjusted tax on the final tax roll, the property appraiser shall certify such reconciled final tax roll to the tax collector in a format from which tax notices or refunds may be produced for collection or refunding unless otherwise authorized pursuant to subsection 193.1145(8), F.S.

(8) The tax collector shall prepare and mail to each taxpayer either supplemental bills or refunds in the form of county warrants for each parcel except that no bill shall be issued and no refund shall be authorized if the amount thereof is less than $10.00. The supplemental billings or refunds shall be accompanied by an explanatory notice in substantially the following form:

NOTICE OF SUPPLEMENTAL BILL OR REFUND OF PROPERTY TAXES

Property taxes for ___ (year) were based upon a temporary assessment roll to allow time for a more accurate determination of property values. Reassessment work has now been completed and final tax liability for ___ (year) has been recomputed for each taxpayer. BY LAW, THE REASSESSMENT OF PROPERTY AND RECOMPUTATION OF TAXES WILL NOT INCREASE THE TOTAL AMOUNT OF TAXES COLLECTED BY EACH LOCAL GOVERNMENT. However, if your property was relatively underassessed on the temporary roll,
you owe additional taxes. If your property was relatively overassessed, you will receive a partial refund of taxes. If you have questions concerning this matter, please contact your county tax collector’s office at (______).

This notice shall be printed on a separate sheet of paper and mailed with the supplemental billings or refunds. This notice shall be furnished by the tax collector at the expense of his office.

(9) Tax bills shall be mailed to the current owner of record as reflected by the most recent tax roll.

(10) Discounts for the reconciliation of an interim tax roll shall be as follows: Four (4) percent for the first 30 days, zero (0) percent for the next 30 days and delinquent at the expiration of the zero (0) percent discount period. Delinquent taxes shall be governed by the provisions of Chapter 197, F.S., to include, but not limited to interest, advertising and sale of tax certificates.

(11) The tax collector shall collect all delinquent interim taxes and interest that have accrued pursuant to Section 193.1145(10), F.S. Discounts will not be allowed on delinquent interim taxes or interest. Discounts shall be authorized on any tax that is the result of an increase in the final assessed valuation on the final approved reconciled tax roll. Final taxes that become delinquent shall be enforced pursuant to the provisions of Chapter 197, F.S.

(12) Refunds shall be made to the person who paid the tax originally. Refunds shall be processed as follows:

(a) When the final approved reconciled tax roll indicates that the owner of record is the same as the owner of record on the interim tax roll, the tax collector shall forward any refund due directly to the property owner.

(b) When the owner of record on the final approved reconciled tax roll is not the owner of record who apparently paid the interim taxes, and after a diligent search the tax collector cannot locate the interim taxpayer, the tax collector shall publish a notice at least once each week for two weeks in a newspaper selected by the Board of County Commissioners, that certain taxpayers may be entitled to a refund for the overpayment of interim taxes and that the taxpayer may file an application for refund with the tax collector.

(c) The size of the notice shall be at least 3.5 inches. The content of the notice shall be as prescribed by the tax collector. Advertising cost for the notice shall be paid by the tax collector’s office.

(d) Refunds shall be paid from money collected from the final approved reconciled tax roll. If funds are not sufficient to pay all refunds, then the tax collector shall bill each taxing authority for its proportionate share of any refund payable. The tax collector shall commence the refund process within 90 days of the opening of the reconciled tax roll.

(e) Money collected from the final approved reconciled tax roll shall not be distributed to the various taxing authorities until the tax collector shall have in his possession adequate funds to process all refundable amounts pursuant to the reconciliation. Interest earned on all amounts collected on the final approved reconciled tax roll shall be used by the tax collector to defray any and all costs incurred by his office for collecting the reconciled tax roll.

(f) One hundred and eighty (180) days after the notice was published in accordance with paragraph (b), any unclaimed refunds shall be disposed of according to the disposition of abandoned or unclaimed property as required by Sections 717.113 and 717.117, F.S., as administered by the office of the Comptroller, State of Florida.

(13) Any outstanding tax sale certificates sold by the tax collector on delinquent interim assessments may be canceled. Tax sale certificates may be canceled pursuant to Section 197.443, F.S. If tax sale certificates are canceled, refunds to tax sale certificate holders shall be processed.
immediately and interest shall be paid according to subsection 197.432(10), F.S. See subsection 193.1145(10), F.S.

(14) Delinquent interim taxes and interest shall be collected or discharged pursuant to subsections 193.1145(10) and (8), F.S.

(15) Forms, as required by this rule, shall be reproduced by the property appraiser or tax collector. However, for good cause shown as provided in subsection 12D-16.001(5), F.A.C., the Department shall approve a change in the format or content of any form required by this rule.

(16) If the reconciliation is to occur at or close to the time for budget hearings, the mailing of the bills, or the meeting of the value adjustment board in a year subsequent to the year in which an interim roll was used, the Department may authorize re-notification and re-billing to coincide with the present year’s notification and billing to reduce costs and administrative expenses, provided that no rights secured by law to property owners or taxpayers are jeopardized.

(17) Petitions to the value adjustment board after reconciliation, for appeal of valuation, or classification, or denial of exemption shall be filed within thirty (30) days from the date of mailing of the notice provided in this section.

(18) The provisions of Section 197.322, F.S., regarding the millage and tax statement shall apply to the reconciliation of interim tax rolls.

(19) In cases of demonstrated hardships, the provisions of this rule may be amended, modified or set aside by a court of competent jurisdiction.

### 12D-1.011 Notification to Property Appraiser of Land Development Restriction.

(1) The applicable governmental body or agency shall notify the property appraiser in writing of any law, ordinance, regulation, or resolution it adopts imposing any limitation, regulation, or moratorium upon development or improvement of property as otherwise authorized by applicable law.

(2) The Governor shall notify the property appraiser in writing of any development limitation or restriction due to an executive order or proclamation.

These record cards shall reflect the legal description, county parcel number, railroad identification number, description of improvements, and any other pertinent information that might become necessary to properly identify and value the parcel.

The Department may waive or reduce penalties in the same manner as provided for property appraisers under Section 193.072(4), F.S.

12D-2.006 Determination of Assessment and Allocation of Just Value to This State.

(1) With reference to railroad and railroad terminal companies:

(a) The Department shall examine the returns required by these regulations and such other information as the Department may obtain and shall determine the just value of the railroad and railroad terminal company’s entire operating system, whether located entirely within this state or partially within this state. Just value shall be determined by application of the unit rule method of valuation.
(b) In application of the unit rule method of valuation, the Department shall consider the value indications obtained from three approaches to the system value, i.e., (1) cost approach, (2) market or stock and debt approach, (3) capitalized earnings or income approach, assuming there is enough conclusive evidence within the respective approach to render it a valid indicator of value. If the Department feels that there is not enough data available to render one or more of the approaches reliable, the Department shall base its decision on that information which it determines is conclusive enough to indicate just value.

(c) The Department shall allocate that portion of the total system value of railroad and railroad terminal companies to this state based on factors which are representative of the ratio that the company’s property, activity, and productiveness in this state bears to the company’s property, activity, and productiveness everywhere. Such factors include:

1. All track miles.
2. Net investment in transportation property.
3. Ton and passenger miles.
4. Total train miles.
5. Total car miles.
6. Railway operating revenue.

(2) With reference to private car and freight line and equipment companies:

(a) The Department shall examine the returns required by these rules and such other information as the Department may obtain concerning the just value of the rolling stock belonging to a private car or freight line and equipment company operating in or through this state, and shall determine the average just value per car for each of the company’s cars operating in this state.

(b) The product of the average just value per car and the “average number of cars habitually present within Florida” shall constitute the just value of the average number of cars habitually present within Florida.

(c) The “average number of cars habitually present within Florida,” for purposes of ad valorem taxation, may be based upon the number of such cars present in this state during the twelve months preceding the year of assessment. However, if the basis for this determination is not representative of the average number of cars habitually present within Florida in the year of assessment, the Department shall rely on the best information available to it.

(d) In making its determination of the “average number of cars habitually present within Florida,” the Department shall rely on the best information available to it, and in lieu of acceptable evidence to the contrary, the determination shall be based upon the quotient of the average daily mileage traveled in Florida by all of the company’s cars divided by the average miles traveled per day in Florida by a car of that company. The “average daily mileage traveled in Florida” shall be the quotient of total mileage traveled in Florida for the year divided by 365 or such lesser period for which operations have actually existed. Unless proven otherwise by substantial evidence, the average miles traveled per day in Florida by a company’s car shall be presumed to be the average miles traveled per day by a company’s car everywhere that operations exist. The average miles traveled per day by a company’s car everywhere shall be the quotient of the company’s average daily mileage divided by the total number of cars in its fleet, including all idle cars.

(e) When reliable information is available, and it can be substantiated that a more accurate value results, the “average number of cars habitually present within Florida” may be determined by the product of the total number of cars in a company’s rolling stock, including all idle cars,
and the quotient of the actual time spent by those cars within Florida as opposed to time spent elsewhere.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 193.085 FS. History–New 11-9-76, Formerly 12D-2.06, Amended 12-31-98.

12D-2.007 Apportionment of Railroad Assessment.
The Department shall ascertain the value of each mile of maintrack, branch, switch, spur, and side track used in the operation of the reporting railroad and shall apportion value to each county, city, town and taxing district based on actual situs. Apportionment shall be made to those cities, towns and taxing districts which were in existence on January 1 and have notified the Department of their existence prior to June 1 of the current taxable year. Cities, towns, and taxing districts, regardless of date of original charter, which are authorized and plan to levy an ad valorem tax during the current tax year must notify the Department of such intention to levy an ad valorem tax. Cities, towns and taxing districts which have once notified the Department need not notify each year. Once notified, the Department will apportion value for all subsequent years until notified to discontinue apportionment.
The value of all terminal property used in the operation of the reporting railroad companies shall be apportioned to each county, city, town and taxing district based on actual situs, as determined by the Department.
The residual unit value remaining after apportioning track value and terminal value shall be apportioned to each county, city, town, and taxing district on a prorated basis. The basis of said proration shall be the total miles of track operated by the reporting company in this state. This residual value shall represent the aggregate of all rolling stock, materials, supplies, and tangible and intangible appurtenances associated with the operating unit in this state.

12D-2.008 Apportionment of Private Car or Freight Line and Equipment Company Assessment.
Apportionment of the assessed value of the rolling stock of private car line or freight line and equipment companies to each county, city, town, and taxing district shall be made on the basis of the number of miles and location of main line track of respective railroads over which the rolling stock has been operated during the preceding twelve months. Apportionment shall be made to those cities, towns, and taxing districts which have notified the Department of their existence prior to June 1 of the current taxable year. Cities, towns, and taxing districts, regardless of date of original charter, which plan to levy an ad valorem tax during the current tax year must notify the Department of such intention to levy an ad valorem tax. Cities, towns, and taxing districts which have notified the Department need not notify each year. Once notified, the Department will apportion value for all subsequent years until notified to discontinue apportionment. If the Department finds that any private car line or freight line and equipment company operates exclusively in specific counties, apportionment shall be made only to those specific counties and the cities, towns, and taxing districts therein.
The value apportioned to the respective county represents its prorated value of rolling stock and attachments to rolling stock operating in this state.

Should any railroad, railroad terminal company, private car line or freight line and equipment company fail to make complete and correct returns required herein when due, or should the return not be received, the Department shall assess the same and apply penalties in the manner provided for county property appraisers in Rule 12D-8.005, F.A.C.

   “If you feel the assessed value of your property is inaccurate or does not reflect fair market value, contact your property appraiser at:
   If the property appraiser’s office is unable to resolve the matter as to market value, you may file a petition for adjustment with the value adjustment board. Petition forms are available from the county property appraiser and must be filed on or before: ________.”
   (d) Informal conferences on centrally assessed railroad and private carline company assessments under Section 193.085, F.S., shall be heard and processed by the Executive Director or the Executive Director’s designee.
   (e) When the property appraiser receives the certified assessment roll from the value adjustment board, he shall extend the tax and certify the tax roll to the tax collector.
   (f) The provisions of paragraphs (c) and (d) apply only to central assessments on railroads and private carline companies made by the Department of Revenue. Property owned by railroads and private carline companies which is termed “non-operating” should continue to be assessed by the county property appraiser and all TRIM notice requirements shall continue to apply to assessments of “non-operating” properties.
(2) Collections.
   (a) The tax collector shall prepare the tax notices for railroad and private carline central assessments as soon as practical.
   (b) The tax collector shall proceed to collect delinquent taxes as other delinquent taxes are collected.

CHAPTER 12D-5
AGRICULTURAL AND OUTDOOR RECREATIONAL OR PARK LANDS

12D-5.001 Agricultural Classification, Definitions.
(1) For the purposes of Section 193.461, F.S., agricultural purposes does not include the wholesaling, retailing or processing of farm products, such as by a canning factory.
(2) Good faith commercial agricultural use of property is defined as the pursuit of an agricultural activity for a reasonable profit or at least upon a reasonable expectation of meeting investment cost and realizing a reasonable profit. The profit or reasonable expectation thereof must be viewed from the standpoint of the fee owner and measured in light of his investment.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 193.461 FS. History–New 10-12-76, Formerly 12D-5.01.

12D-5.002 Purchase Price Paid as a Factor in Determining Agricultural Classification.
(1) The property appraiser may determine that the “purchase price paid” for land is inconsistent with agricultural use. A purchase price in excess of the agricultural assessment can be indicative of lack of a “good faith commercial agricultural use” since the agricultural assessment is basically derived by a capitalization of the income to be produced by land in such a use and thus approximates the amount that could be invested consistent with a reasonable return.
(2) Additionally, should the purchase price paid exceed the agricultural assessment by three or more times, a presumption that the land is not used primarily for good faith commercial agriculture purposes is created by Section 193.461(4)(c), F.S. The mere filing of a return is not sufficient to overcome this presumption created by the purchase price. Instead, the landowner must make a showing of special circumstances such as, but not limited to: 1) need of the acquired property to expand a previously owned agricultural operation; 2) need of the acquired property to facilitate proper drainage of a previously owned agricultural operation; 3) need of the acquired property for ingress or egress related to a previously owned agricultural operation; 4) the need of the acquired property to reestablish an agricultural operation after the owner’s previous agricultural operation was terminated due to eminent domain proceedings or other similar circumstances; and 5) when the purchase price includes payment for other than real property, such as improvements on or to the land or deferred income, e.g., forestry.
(3) Furthermore, the presumption created by Section 193.461(4)(c), F.S., may be defeated by overcoming the appraiser’s presumption of correctness as to the agriculturally classified value and demonstrating that the purchase price paid was not three or more times what the agriculturally classified value should be. However, such a showing, while defeating the

23
presumption, would not prevent a denial of the classification if the purchase price paid was, nonetheless, indicative of a lack of good faith commercial agricultural use.

*Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 193.461, 195.032 FS. History–New 10-12-76, Amended 11-10-77, Formerly 12D-5.02.*

**12D-5.003 Dwellings on Agriculturally Classified Land.**
The property appraiser shall not deny agricultural classification solely because of the maintenance of a dwelling on a part of the lands used for agricultural purposes, nor shall the agricultural classification disqualify the land for homestead exemption. So long as the dwelling is an integral part of the entire agricultural operation, the land it occupies shall be considered agricultural in nature. However, such dwellings and other improvements on the land shall be assessed under Section 193.011, F.S., at their just value and added to the agriculturally assessed value of the land.

*Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 193.461 FS. History–New 10-12-76, Formerly 12D-5.03.*

**12D-5.004 Applicability of Other Factors to Classification of Agricultural Lands.**
(1) Other factors enumerated by the court in Greenwood v. Oates, 251 So. 2d 665 (Fla. 1971), which the property appraiser may consider, but to which he is not limited, are:
   (a) Opinions of appropriate experts in the fields;
   (b) Business or occupation of owner; (Note that this cannot be considered over and above, or to the exclusion of, the actual use of the property.) (See AGO 70-123.)
   (c) The nature of the terrain of the property;
   (d) Economic merchantability of the agricultural product; and
   (e) The reasonably attainable economic salability of the product within a reasonable future time for the particular agricultural product.
(2) Other factors that are recommended to be considered are:
   (a) Zoning (other then Section 193.461, F.S.), applicable to the land;
   (b) General character of the neighborhood;
   (c) Use of adjacent properties;
   (d) Proximity of subject properties to a metropolitan area and services;
   (e) Principal domicile of the owner and family;
   (f) Date of acquisition;
   (g) Agricultural experience of the person conducting agricultural operations;
   (h) Participation in governmental or private agricultural programs or activities;
   (i) Amount of harvest for each crop;
   (j) Gross sales from the agricultural operation;
   (k) Months of hired labor; and
   (l) Inventory of buildings and machinery and the condition of the same.
(3) A minimum acreage cannot be required for agricultural assessment in determining whether the use of the land for agricultural purposes is bona fide.

12D-5.005 Outdoor Recreational or Park Lands.
The recreational use must be non-commercial. The term “non-commercial” would not prohibit the imposition of a fee or charge to use the recreational or park facility so long as the fee or charge is calculated solely to defray the reasonable expenses of maintaining the land for recreational or park purposes. Since public access is necessarily a prerequisite to classification and tax treatment under Section 193.501, F.S., and Article VII, Section 4, Florida Constitution, the Trustees of the Internal Improvement Trust Fund or the governing board of a county or delegated municipality, as the case may be, in their discretion need not accept an instrument conveying development rights or establishing a covenant under the statute. In all cases, the tax treatment provided by Section 193.501, F.S., shall continue only so long as the lands are actually used for outdoor recreational or park purposes. Since all property is assessed as of its status on January 1 of the tax year, if the instrument conveying the development rights or establishing the covenant is not accepted by the appropriately authorized body on or before January 1 of the tax year, then special treatment under Section 193.501, F.S., would not be available for that tax year. When special treatment under the statute is to be granted because of a covenant, such special treatment shall be granted only if the covenant extends for a period of ten or more years from January 1 of each year for which such special treatment assessment is made; however, recognition of the restriction and length of any covenant extending less than 10 years shall be made in assessing the just value of the land under Section 193.011, F.S.

12D-5.010 Definitions.
Unless otherwise stated or unless otherwise clearly indicated by the context in which a particular term is used, all terms used in this chapter shall have the same meanings as are attributed to them in the current Florida Statutes. In this connection, reference is made to the definitions in Sections 192.001, 211.01 and 211.30, F.S.

12D-5.011 Assessment of Oil, Mineral and Other Subsurface Rights.
(1) All oil, mineral, gas, and other subsurface rights in and to real property, which have been sold or otherwise transferred by the owner of the real property, or retained or acquired through reservation or otherwise, shall be appraised and taxed separately from the fee or other interest in the fee. This tax is against those who benefit from the possession of the subsurface rights. When such subsurface rights are leased, the tax burden falls on the lessee, not on the lessor who owns the rights outright in perpetuity.

(a) When the subsurface rights in land have been transferred by the fee owner, or retained or acquired by other than the surface owner, it is the duty of the property appraiser to use reasonable means to determine the name of the record title owner from the public records of the county.

(b) When subsurface rights have been separated from the fee, the property appraiser shall make a separate entry on the assessment roll indicating the assessment of the subsurface rights which have been separated from the fee. The property appraiser may describe and enter these subsurface rights on the roll in the same manner in which they were conveyed. This entry shall
(2) At the request of a real property owner who also owns the oil, mineral, and other
subsurface rights to the same property, the property appraiser shall assess the subsurface rights
separately from the remainder of the real estate. Such request shall be filed with the property
appraiser on or before April 1. Failure to do so relieves the appraiser of the duty to assess
subsurface rights separately from the remainder of the real estate owned by the owner of such
subsurface rights.

(3) All subsurface rights are to be assessed on the basis of just value. The combined value of
the subsurface rights, the undisposed subsurface interests, and the remaining surface interests
shall not exceed the full just value of the fee title of the land inclusive of such subsurface rights.

(a) Any fractional subsurface interest in a parcel must be assessed against the entire parcel,
not against a fraction of the parcel. For example, a one-fourth interest in the subsurface rights on
40 acres is assessed as a fractional interest on the entire 40 acres, not as an interest on 10 acres.

(b) Just value, or fair market value, of subsurface rights may be determined by comparable
sales. In determining the value of such subsurface rights, the property appraiser may apply the
methods provided by law, including consideration of the amounts paid for mineral, oil, and other
subsurface rights in the area as reflected by the public records.

(c) The cost approach to value may be used to determine the assessed value of a mineral or
subsurface right. Where comparable sales or market information is unavailable, and the lease
transaction is reasonably contemporary, arm’s length, and the contract rent appears to reflect
market value, the property appraiser may consider the total value of the contract and discount it
to present value as a means of determining just value.

(4) At such time as all mineral assets shall be deemed depleted under present technology or
upon a final decree by a court or action or ruling by a quasi-judicial body of competent
jurisdiction ordering that no further extraction of minerals will be permitted, the property
appraiser shall reduce the assessment of such subsurface rights in accordance with existing
circumstances. However, as long as such interests remain, they shall continue to be separately
assessed.

(5) Insofar as they may be applied, statutes and regulations not conflicting with the
provisions of this chapter pertaining to the assessment and collection of ad valorem taxes on real
property, shall apply to the separate assessment and taxation of subsurface rights.

12D-5.012 Liens on Subsurface Rights.

(1) Tax certificates and tax liens may be acquired, purchased, transferred and enforced, and
tax deeds issued encumbering subsurface rights as they are on real property. Except that in the
case of a tax lien on leased subsurface rights where mineral rights are leased or otherwise
transferred for a term of years, the lien shall be a personal liability of the lessee and shall be a
lien against all property of the lessee.

(2) The owner of subsurface rights shall, by recording with the clerk of the circuit court his
name, address and the legal description of the property in which he has a subsurface interest, be
entitled to notification, by registered mail with return receipt requested, of:

(a) Non-payment of taxes by the surface owner, or the sale of tax certificates affecting the
surface;
(b) Or applications for a tax deed for the surface interest;
(c) Or any foreclosure proceedings thereon.
(3) No tax deed nor foreclosure proceedings shall affect the subsurface owner’s interest if he has filed with the clerk of the circuit court and such notice as described above is not given.

12D-5.014 Conservation Easement, Environmentally Endangered or Outdoor Recreational or Park Property Assessed Under Section 193.501, F.S.

(1) To apply for the assessment of lands subject to a conservation easement, environmentally endangered lands, or lands used for outdoor recreational or park purposes when land development rights have been conveyed or conservation restrictions have been covenanted, a property owner must submit an original application to the property appraiser by March 1, as outlined in Section 193.501, F.S.

(2) The Department prescribes Form DR-482C, Land Used for Conservation, Assessment Application, and incorporated by reference in Rule 12D-16.002, F.A.C., for property owners to apply for the assessment in Section 193.501, F.S.

(3) The Department prescribes Form DR-482CR, Land Used for Conservation, Assessment Reapplication, incorporated by reference in Rule 12D-16.002, F.A.C., for property owners to reapply for the assessment after the first year a property is assessed under Section 193.501, F.S., when the property owner and use have not changed. The property owner must complete and return the reapplication to the property appraiser by March 1.

CHAPTER 12D-6
MOBILE HOMES, PREFABRICATED OR MODULAR HOUSING UNITS, POLLUTION CONTROL DEVICES, AND FEE TIME-SHARE DEVELOPMENTS

12D-6.001 Mobile Homes and Prefabricated or Modular Housing Units Defined.
(1) Mobile homes are vehicles which satisfy the following:
(a) Manufactured upon a chassis or under carriage as an integral part thereof; and
(b) Without independent motive power; and
(c) Designed and equipped to provide living and sleeping facilities for use as a home, residence, or apartment; or designed for operation over streets and highways.
(d) The definition of “mobile home” shall be as defined under Sections 320.01(2) and 723.003(3), F.S. (1989) and under paragraph 12A-1.007(11)(a), F.A.C.
(2) A prefabricated or modular housing unit or portion thereof, is a structure not manufactured upon an integral chassis or under carriage for travel over the highways, even though transported over the highways as a complete structure or portion thereof, to a site for erection or use.
(3) “Permanently affixed.” A mobile home shall be considered “permanently affixed” if it is tied down and connected to the normal and usual utilities, and if the owner of the mobile home is also the owner of the land to which it is affixed.
(4) The “owner” of a mobile home shall be considered the same as the owner of the land for purposes of this rule chapter if all of the owners of the mobile home are also owners of the land, either jointly or as tenants in common. This definition shall apply even though other persons, either jointly or as tenants in common, also own the land but do not own the mobile home. The owners of the realty must be able, if they convey the realty, to also convey the mobile home. In this event reference shall be made to the proportions of interests in the land and in the mobile home so owned.
(a) Ownership of the land may be through a “cooperative,” which is that form of ownership of real property wherein legal title is vested in a corporation or other entity and the beneficial use is evidenced by an ownership interest in the cooperative association and a lease or other muniment of title or possession granted by the cooperative association as the owner of all the cooperative property.
(b) Ownership of the land may also be in the form of an interest in a trust conferring legal or equitable title together with a present possessory right on the holder.
(c) Where a mobile home is owned by a corporation, the owner of the mobile home shall not be considered the same as the owner of the land unless the corporation also owns the land as provided in this rule section.
(5) The owner of the mobile home shall not be considered an owner of the land if his name does not appear on an instrument of title to the land.
12D-6.002 Assessment of Mobile Homes.

1. This rule subsection shall apply if the owner of the mobile home is also the owner of the land on which the mobile home is permanently affixed and the mobile home has a current sticker affixed, regardless of the series.
   
   (a) The property appraiser shall assess such mobile home as realty and it shall be taxed as real property. The property appraiser should get proof of title of the mobile home and land. Section 319.21, F.S., states that no person shall sell a motor vehicle for purposes of the registration and licenses provisions without delivering a certificate of title to the purchaser. The owner may provide evidence of affixation on Form DR-402, Declaration of Mobile Home as Real Property, to assist the property appraiser. However, this information shall not be determinative.
   
   (b) The mobile home shall be issued an “RP” series sticker as provided in Section 320.0815, F.S. The owner is required to purchase an “RP” sticker from the tax collector.
   
   (c) If the owner purchases an “MH” series sticker, this shall not affect the requirements of paragraph (a) of this rule subsection.
   
   (d) This rule subsection shall apply to permanently affixed mobile homes and appurtenances which are held for display by a licensed mobile home dealer or a licensed mobile home manufacturer. Any item of tangible personal property or any improvement to real property which is appurtenant to a mobile home and which is not held strictly for resale is subject to ad valorem tax. The mobile home and appurtenances are considered tangible personal property and inventory not subject to the property tax if the following conditions are met:
      
      1. The mobile home and any appurtenance is being held strictly for resale as tangible personal property and is not rented, occupied, or otherwise used; and
      2. The mobile home is not used as a sales office by the mobile home dealer or mobile home manufacturer; and
      3. The mobile home does not bear an “RP” series sticker.
   
   (2) This rule subsection shall apply to any mobile home which does not have a current license sticker affixed.
      
   (a) It shall not be considered to be real property.
   
   (b) It is required to have a current license plate properly affixed as required by Section 320.08(11) or (12), 320.0815 or 320.015, F.S.
      
   (c) Any mobile home without a current license sticker properly affixed shall be presumed to be tangible personal property and shall be placed on the tangible personal property tax roll.
   
   (3) Under Section 320.055(2), F.S., a mobile home sticker is effective through the 31st day of December and is authorized to be renewed during the 31 days prior to expiration on December 31. A mobile home sticker renewed during the renewal period is effective from January 1 through December 31.
      
   (4) Where there is no current sticker affixed on January 1, the fact that the owner purchases an “RP” or “MH” sticker after January 1, does not rebut the presumption stated in paragraph (2)(c) of this rule section. However, if in fact the mobile home was permanently affixed to realty on January 1, the property appraiser could consider this to rebut the presumption that the mobile home is tangible personal property, in the exercise of his judgment considering the factors stated within Section 193.075(1), F.S. Such a mobile home would be required to be taxed as real
property and required to purchase an “RP” series sticker, as outlined in subsection (1) of this rule section.

(5) The statutory presumption that a mobile home without a current sticker or tag is tangible personal property may be rebutted only by facts in existence at the January 1 assessment date. Such facts shall be limited to the following factors:

(a) The property appraiser’s exercise of judgment in determining it to be permanently affixed to realty as of January 1, based on the criteria in Section 193.075(1), F.S., as outlined in subsection (4) of this rule section consistent with the requirement to purchase an “RP” series sticker; or

(b) Documentation of having paid the proper license tax and having properly purchased an “MH” sticker which was in fact current on the January 1 assessment date as provided in subsection (3) of this rule section.

(6) A person having documentation of having paid the tangible personal property tax for any year should seek a refund of license tax from the Department of Highway Safety and Motor Vehicles for the same period for which he later purchased an “MH” tag.

12D-6.003 Recreational Vehicle Type Units; Determination of Permanently Affixed.

(1) This rule subsection shall apply to a recreational vehicle type unit described in Section 320.01(1), F.S., which is tied down, or when the mode of attachment or affixation is such that the recreational vehicle type unit cannot be removed without material or substantial injury to the recreational vehicle type unit. In such case, the recreational vehicle type unit shall be considered permanently affixed or attached. Except when the mode of attachment or affixation is such that the recreational vehicle type unit cannot be removed without material or substantial injury to the recreational vehicle type unit, the realty, or both, the intent of the owner is determinative of whether the recreational vehicle type unit is permanently affixed. The intention of the owner to make a permanent affixation of a recreational vehicle type unit may be determined by either:

(a) The owner making the application for an “RP” series license sticker in which the owner of the recreational vehicle type unit states:
   1. That the unit is affixed to the land; and
   2. That it is his intention that the unit will remain affixed to the land permanently.

(b) The property appraiser making an inspection of the recreational vehicle type unit and inferring from the facts the intention of the owner to permanently affix the unit to the land. Facts upon which the owner’s intention may be based are:
   1. The structure and mode of the affixation of the unit to realty;
   2. The purpose and use for which the affixation has been made,
      a. Whether the affixation, annexation or attachment was made in compliance with a building code or ordinance which would diminish the indication of the intent of the owner,
      b. Whether the affixation, annexation or attachment was made to obtain utility services, etc.

(2) A recreational vehicle type unit shall be assessed as real property only when the recreational vehicle type unit is permanently affixed to the real property upon which it is situated on January 1 of the year in which the assessment is made and the owner of the recreational vehicle type unit is also the owner of the real property upon which the recreational vehicle type unit is situated. This subsection shall apply regardless of the series under which the recreational
vehicle type unit may be licensed pursuant to Chapter 320, F.S. However, a recreational vehicle type unit that is taxed as real property is required to be issued an “RP” series sticker as provided in Section 320.0815, F.S.

(3) A recreational vehicle type unit may be considered to be personal property when it does not have a current license plate properly affixed as provided in Sections 320.08(9) or (10) or 320.015 or 320.0815, F.S.

(4) The removal of the axles and other running gear, tow bar and other similar equipment from a recreational vehicle type unit is not prerequisite to the assessment of recreational vehicle type unit as a part of the land to which it is permanently affixed, annexed, or attached if other physical facts of affixation, annexation, or attachment are present.

(1) Applicability of rule:
This rule shall apply to the valuation, assessment, listing, billing and collection for ad valorem tax purposes of all fee time-share real property, as defined in Section 192.001, F.S.

(2) Definitions – As used in this rule:
(a) “Accommodations” means any apartment, condominium or cooperative unit, cabin, lodge or hotel or motel room or any other private or commercial structure which is situated on real property and designed for occupancy by one or more individuals. (Section 721.05(1), F.S.)

(e) “Time-share estate” means a right to occupy a time-share unit, coupled with a freehold estate or an estate for years with a future interest in a time-share property or a specified portion thereof. (Section 721.05(28), F.S.)

(h) “Time-share period titleholder” means the purchaser of a time-share period sold as a fee interest in real property, whether organized under Chapter 718 or 721, F.S. (Section 192.001(15), F.S.)

(3) Method of Assessment and Valuation.

(a) Each fee time-share development, as defined in paragraph (2)(d) of this rule, shall be listed on the assessment roll as a single entry.

(b) The assessed value of each time-share development shall be the value of the combined individual time-share periods or time-share estates contained therein. In determining the highest and best use to which the time-share development can be expected to be put in the immediate future and the present use of the property, the property appraiser shall properly consider the terms of the time-share instrument and the use of the development as divided into time-share estates or periods. (Section 192.037(2), F.S.)

(c) Each of the eight factors set forth in Sections 193.011(1)-(8) inclusive, F.S., shall be considered by the property appraiser in arriving at assessed values in the manner prescribed in paragraph (3)(b) of this rule. In such considerations the property appraiser shall properly evaluate the relative merit and significance of each factor.

(d) Consistent with the provisions of Section 193.011(8), F.S., and when possible, resales of comparable time-share developments with ownership characteristics similar to those of the subject being appraised for ad valorem assessment purposes, and resales of time-share periods from time-share period titleholders to subsequent time-share period titleholders, shall be used as the basis for determining the extent of any deductions and allowances that may be appropriate.

(4) Listing of fee time-share real property on assessment rolls.

(a) Fee time-share real property shall be listed on the assessment rolls as a single entry for each time-share development. (Section 192.037(2), F.S.)

(b) The assessed value listed for each time-share development shall be derived by the property appraiser in the manner prescribed in subsection (3) of this rule.
(5) Billing and Collection.
(a) For the purposes of ad valorem taxation and special assessments, including billing and collections, the managing entity responsible for operating and maintaining fee time-share real property shall be considered the taxpayer as an agent of the time-share period titleholders.
(b) The property appraiser shall annually notify the managing entity of the proportions to be used by the managing entity in allocating the valuation, taxes, and special assessments on time-share property among the various time-share periods.
(c) The tax collector shall accept only full payment of the taxes and special assessments due on the time-share development and sell tax certificates as provided in paragraph 12D-13.051(2)(b), F.A.C., on the time-share development as a whole parcel, as listed on the tax roll.

12D-7.001 Applications for Exemptions.
(1) As used in Section 196.011, F.S., the term “file” shall mean received in the office of the county property appraiser. However, for applications filed by mail, the date of the postmark is the date of filing.

(2) The property appraiser is not authorized to accept any application that is not filed on or before March 1 of the year for which exemption is claimed except that, when the last day for filing is a Saturday, Sunday, or legal holiday, in which case the time for making an application shall be extended until the end of the next business day. The property appraiser shall accept any application timely filed even though the applicant intends or is requested to file supplemental proof or documents.

(3) Property appraisers are permitted, at their option, to grant homestead exemptions upon proper application throughout the year for the succeeding year. In those counties which have not waived the annual application requirement, the taxpayer is required to reapply on the short form as provided in Section 196.011(5), F.S. If the taxpayer received the exemption for the prior year, the property may qualify for the exemption in each succeeding year by renewal application as
provided in Section 196.011(6), F.S., or by county waiver of the annual application requirement
as provided in Section 196.011(9), F.S.

(4) Each new applicant for an exemption under Sections 196.031, 196.081, 196.091, 196.101
or 196.202, F.S., must provide his or her social security number and the social security number
of his or her spouse, if any, in the applicable spaces provided on the application form, Form DR-
501 (incorporated by reference in Rule 12D-16.002, F.A.C.). Failure to provide such numbers
will render the application incomplete. If an applicant omits the required social security numbers
and files an otherwise complete application, the property appraiser shall contact that applicant
and afford the applicant the opportunity to file a complete application on or before April 1.
Failure to file a completed application on or before April 1 shall constitute a waiver of the
exemption for that tax year, unless the applicant can demonstrate that failure to timely file a
completed application was the result of a postal error or, upon filing a timely petition to the value
adjustment board, that the failure was due to extenuating circumstances as provided in Section
196.011, F.S.

(5) In those counties which permit the automatic renewal of homestead exemption, the
property appraiser may request a refiling of the application in order to obtain the social security
number of the applicant and the social security number of the applicant’s spouse.

Only household goods and personal effects of the taxpayer which are actually employed in the
use of serving the creature comforts of the owner and not held for commercial purposes are
entitled to the exemption provided by Section 196.181, F.S. “Creature comforts” are things

12D-7.003 Exemption of Property of Widows, Widowers, Blind Persons, and Persons
Totally and Permanently Disabled; Disabled Ex-Service Members, Spouses.

(1) For the purposes of the exemption provided in Section 196.202, F.S.:

(a) The provisions of this rule shall apply to widows and widowers. The terms “widow” and
“widower” shall not apply to:
   1. A divorced woman or man;
   2. A widow or widower who remarries; or
   3. A widow or widower who remarries and is subsequently divorced.

(b) The term “widow” shall apply to a woman, and the term “widower” shall apply to a man,
whose subsequent remarriage is terminated by annulment.

(c) Blind persons means those persons who are currently certified by the Division of Blind
Services of the Department of Education or the Federal Social Security Administration or United
States Department of Veterans Affairs to be blind. As used herein “blind person” shall mean an
individual having central vision acuity 20/200 or less in the better eye with correcting glasses or
a disqualifying field defect in which the peripheral field has contracted to such an extent that the widest diameter or visual field subtends an angular distance no greater than twenty degrees.

(d) The exemptions provided under Section 196.202, F.S., shall be cumulative. An individual who properly qualifies under more than one classification shall be granted more than one five hundred dollar exemption. However, in no event shall the exemption under Section 196.202, F.S., exceed one thousand five hundred dollars ($1,500) for an individual.

(e) Where both husband and wife otherwise qualify for the exemption, each would, under Section 196.202, F.S., be entitled to an exemption of five hundred dollars applicable against the value of property owned by them as an estate by the entirety.

(2)(a) The $5,000 exemption granted by Section 196.24, F.S., to disabled ex-service members, as defined in Section 196.012, F.S., who were discharged under honorable conditions, shall be considered to be the same constitutional disability exemption provided for by Section 196.202, F.S. The unremarried surviving spouse of such a disabled ex-service member who was married to the ex-service member for at least 5 years at the time of the ex-service member’s death is allowed the exemption.

(b) The exemptions under Sections 196.202 and 196.24, F.S., shall be cumulative, but in no event shall the aggregate exemption exceed $6,000 for an individual, except where the surviving spouse is also eligible to claim the $5,000 disabled ex-service member disability exemption under Section 196.24, F.S. In that event the cumulative exemption shall not exceed $11,000 for an individual.

(3) The exemptions granted by Sections 196.202 and 196.24, F.S., apply to any property owned by a bona fide resident of this state.

12D-7.004 Exemption for Certain Permanently and Totally Disabled Veterans and Surviving Spouses of Certain Veterans.

(1) This rule applies to the total exemption from taxation of the homestead property of a veteran who was honorably discharged and who has a service-connected total and permanent disability and of surviving spouses of veterans who died from service-connected causes while on active duty as a member of the United States Armed Forces as described in Section 196.081, F.S.

(2) The disabling injury of a veteran or death of a veteran while on active duty must be service-connected in order for the veteran or surviving spouse to be entitled to the exemption. The veteran, his or her spouse, or surviving spouse must have a letter from the United States Government or from the United States Department of Veterans Affairs or its predecessor certifying that the veteran has a service-connected total and permanent disability or that the death of the veteran resulted from service-connected causes while on active duty.

(3) A service-connected disability is not required to be total and permanent at the time of honorable discharge but must be total and permanent on January 1 of the year of application for the exemption or on January 1 of the year during which the veteran died.

(4)(a) This paragraph shall apply where the deceased veteran possessed the service-connected permanent and total disability exemption upon death. The exemption shall carry over to the veteran’s spouse if the following conditions are met:

1. The veteran predeceases the spouse;
2. The spouse continues to reside on the property and use it as his or her primary residence;
3. The spouse does not remarry; and
4. The spouse holds legal or beneficial title.

(b) This paragraph shall apply where the deceased veteran was totally and permanently disabled with a service-connected disability at the time of death but did not possess the exemption upon death. The surviving spouse is entitled to the exemption if the following conditions are met:
   1. The veteran predeceases the spouse;
   2. The spouse continues to reside on the property and use it as his or her primary residence;
   3. The spouse does not remarry;
   4. The spouse holds legal or beneficial title; and
   5. The spouse produces the required letter of disability.

(c) This paragraph shall apply where the veteran died from service-connected causes while on active duty. The surviving spouse is entitled to the exemption if the following conditions are met:
   1. The veteran was a permanent resident on January 1 of the year in which the veteran died;
   2. The spouse continues to reside on the property and use it as his or her primary residence;
   3. The spouse does not remarry;
   4. The spouse holds legal or beneficial title; and
   5. The spouse produces the required letter attesting to the service-connected death of the veteran while on active duty.

(5) The surviving spouse is entitled to the veteran’s exemption if the surviving spouse establishes a new homestead after selling the homestead upon which the exemption was initially granted. In the event the spouse sells the property, the exemption, in the amount of the exempt value on the most recent tax roll on which the exemption was granted, may be transferred to his or her new homestead; however, the exemption cannot exceed the amount of the exempt value granted from the prior homestead.

(6) A surviving spouse is not entitled to the homestead assessment increase limitation on the homestead property unless the spouse’s residence on the property is continuous and permanent, regardless of the potential applicability of a disabled or deceased veteran’s exemption. Where the spouse transfers the exemption to a new homestead as provided in Section 196.081(3), F.S., the property shall be assessed at just value as of January 1 of the year the property receives the transfer of the exempt amount from the previous homestead. The real property shall be considered to first receive the exemption pursuant to subsection 12D-8.0061(1), F.A.C.

12D-7.005 Exemption for Disabled Veterans Confined to Wheelchairs.

(1) Although the certificate of disability referred to in Section 196.091(1), F.S., would be sufficient proof upon which the property appraiser could allow the tax exemption, this does not mean that the property appraiser could not deny such exemption if, upon his investigation, facts were disclosed which showed a lack of service-connected total disability.

(2)(a) This paragraph shall apply where the deceased veteran possessed the exemption upon death. The exemption shall carry over to the veteran’s spouse if the following conditions are met:
   1. The veteran predeceases the spouse;
   2. The spouse continues to reside on the property and use it as his or her domicile;
   3. The spouse does not remarry; and
4. The spouse holds legal or beneficial title and held the property with the veteran by tenancy by the entireties at the veteran’s death.

(b) Where the deceased veteran was totally and permanently disabled with a service-connected disability requiring use of a wheelchair at the time of the veteran’s death but did not possess the exemption upon death, the surviving spouse is not entitled to the exemption.

(3) The surviving spouse is not entitled to the veteran’s exemption if the spouse establishes a new homestead after selling the homestead upon which the exemption was initially granted.

(4) The surviving spouse is not entitled to the homestead assessment increase limitation on the homestead property unless the spouse’s residence on the property is continuous and permanent, regardless of the potential applicability of a disabled veteran’s exemption. In such circumstances where the spouse remarries, as provided in Section 196.091(3), F.S., the property shall continue to qualify for the homestead assessment increase limitation. Where the spouse sells or otherwise disposes of the property, it and any new homestead the spouse may establish shall be assessed pursuant to subsection 12D-8.0061(1), F.A.C.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 196.091 FS. History–New 10-12-76, Formerly 12D-7.05, Amended 12-27-94.

12D-7.0055 Exemption for Deployed Servicemembers.

(1) This rule applies to the exemption provided in Section 196.173, F.S., for servicemembers who receive a homestead exemption and who were deployed during the previous tax year. For the purposes of this rule the following definitions will apply:

(a) “Servicemember” means a member or former member of:
   1. Any branch of the United States military or military reserves,
   2. The United States Coast Guard or its reserves, or
   3. The Florida National Guard.

(b) “Deployed” means:
   1. On active duty,
   2. Outside of the continental United States, Alaska or Hawaii, and
   3. In support of a designated operation.

(c) “Designated Operation” means an operation designated by the Florida Legislature. The Department will annually provide all property appraisers with a list of operations which have been designated.

(2)(a) Application for this exemption must be made by March 1 of the year following the qualifying deployment. If the servicemember fails to make a timely application for this exemption, the property appraiser may grant the exemption on a late application if they believe circumstances warrant that it be granted. The servicemember may also petition the value adjustment board to accept the late application no later than 25 days after the mailing of the notice provided under Section 194.011(1), F.S.

(b) Application for this exemption must be made on Form DR-501M, Deployed Military Exemption Application (incorporated by reference in Rule 12D-16.002, F.A.C.).

(c) In addition to the application, the servicemember must submit to the property appraiser deployment orders or other proof of the qualifying deployment which includes the dates of that deployment and other information necessary to verify eligibility for this exemption. If the servicemember fails to include this documentation with the application, the property appraiser has the authority to request the needed documentation from the servicemember before denying the exemption.
(d) Application for this exemption may be made by:
1. The servicemember,
2. The servicemember’s spouse, if the homestead is held by the entitites or jointly with right of survivorship,
3. A person holding a power of attorney or other authorization under Chapter 709, F.S., or
4. The personal representative of the servicemember’s estate.
(3) After receiving an application for this exemption, the property appraiser must consider the application within 30 days of its receipt or within 30 days of the notice of qualifying deployment, whichever is later. If the application is denied in whole or in part, the property appraiser must send a notice of disapproval to the taxpayer no later than July 1, citing the reason for the disapproval. The notice of disapproval must also advise the taxpayer of the right to appeal the decision to the value adjustment board.
(4) This exemption will apply only to the portion of the property which is the homestead of the deployed servicemember or servicemembers.
(5) The percentage exempt under this exemption will be calculated as the number of days the servicemember was deployed during the previous calendar year divided by the number of days in that year multiplied by 100.
(6) If the homestead property is owned by joint tenants with a right of survivorship or tenants by the entireties, the property may be granted multiple exemptions for deployed servicemembers. The following provisions will apply in the event that multiple servicemembers are applying for the exemption on the same homestead property:
   (a) Each servicemember must make a separate application to the property appraiser listing the dates of their deployment.
   (b) The property appraiser must separately calculate the exemption percentage for each servicemember.
   (c) The property appraiser must then add the percentages exempt which were determined for each of the servicemembers who are joint tenants with rights of survivorship or tenants by the entirety before applying that percentage to the taxable value. In no event must the percentage exempt exceed 100%.
(7) When calculating exemptions and taxes due, the property appraiser must first apply the exemptions listed in Section 196.031(7), F.S., in the order specified, to produce school and county taxable values. The percentage exempt calculated under this exemption must then be applied to both taxable values producing final taxable values. The taxes due must then be calculated and the percentage discount for disabled veterans under Section 196.082, F.S., should then be applied.
(8) If the property is owned by either tenants in common or joint tenants without right of survivorship, the percentage discount allowed under this rule will only apply to the taxable value of the qualifying servicemembers’ interest in the property.

(1) This rule applies to the total exemption from taxation for the homestead property of a totally and permanently disabled person.
(2) The homestead property of a quadriplegic is exempt.

Chapter 12D-7 Rev. 10-1-2015
(3) To provide evidence of entitlement to the exemption, a quadriplegic must furnish to the property appraiser one of the following:
   (a) A certificate of disability, Form DR-416 (incorporated by reference in Rule 12D-16.002, F.A.C.), from two doctors of this state licensed under Chapter 458 or 459, F.S.; or
   (b) A certificate of disability from the United States Department of Veterans Affairs or its predecessor.

(4) Subject to the income limitations pursuant to Section 196.101, F.S., the homestead property of a paraplegic, hemiplegic, or any other totally and permanently disabled person who must use a wheelchair for mobility or who is legally blind is exempt from ad valorem taxation.

(5) To provide evidence of entitlement to the exemption, a paraplegic, hemiplegic, or other totally and permanently disabled person who must use a wheelchair, or a person who is legally blind must provide the following to the property appraiser:
   (a) 1. A certificate of disability, Form DR-416 (incorporated by reference in Rule 12D-16.002, F.A.C.), from two doctors of this state licensed under Chapter 458 or 459, F.S.; or
       2. A certificate of disability from the United States Department of Veterans Affairs or its predecessor; or
       3. For blind persons, a certificate of disability, Form DR-416, from one doctor of this state licensed under Chapter 458 or 459, F.S., and a certificate of disability, Form DR-416B (incorporated by reference in Rule 12D-16.002, F.A.C.), from one optometrist licensed in this state under Chapter 463, F.S.; and

(6) Totally and permanently disabled persons must make application on Form DR-501, (incorporated by reference in Rule 12D-16.002, F.A.C.) in conjunction with the disability documentation, with the property appraiser on or before March 1 of each year.

(7) In order to qualify for the homestead exemption under this rule section, the totally and permanently disabled person must have been a permanent resident on January 1 of the year in which the exemption is claimed.

(8) The exemption documentation required of permanently and totally disabled persons is prima facie evidence of the fact of entitlement to the exemption; however, the property appraiser may deny the exemption if, upon his investigation, facts are disclosed which show absence of sufficient disability for the exemption.

12D-7.007 Homestead Exemptions – Residence Requirement.

(1) For one to make a certain parcel of land his permanent home, he must reside thereon with a present intention of living there indefinitely and with no present intention of moving therefrom.

(2) A property owner who, in good faith, makes real property in this state his permanent home is entitled to homestead tax exemption, notwithstanding he is not a citizen of the United States or of this State (Smith v. Voight, 28 So.2d 426 (Fla. 1946)).

(3) A person in this country under a temporary visa cannot meet the requirement of permanent residence or home and, therefore, cannot claim homestead exemption.

(4) A person not residing in a taxing unit but owning real property therein may claim such property as tax exempt under Section 6, Article VII of the State Constitution by reason of residence on the property of natural or legal dependents provided he can prove to the satisfaction
of the property appraiser that he claims no other homestead tax exemption in Florida for himself or for others legally or naturally dependent upon him for support. It must also be affirmatively shown that the natural or legal dependents residing on the property which is claimed to be exempt by reason of a homestead are entirely or largely dependent upon the landowner for support and maintenance.

(5) The Constitution contemplates that one person may claim only one homestead exemption without regard to the number of residences owned by him and occupied by “another or others naturally dependent upon” such owner. This being true no person residing in another county should be granted homestead exemption unless and until he presents competent evidence that he only claims homestead exemption from taxation in the county of the application.

(6) The survivor of a deceased person who is living on the property on January 1 and making same his permanent home, as provided by Section 6, Article VII of the Constitution is entitled to claim homestead exemption if the will of the deceased designates the survivor as the sole beneficiary. This is true even though the owner died before January 1 and by the terms of his will declared the sole beneficiary as the executor of his will. The application should be signed as sole beneficiary and as executor.

(7) A married woman and her husband may establish separate permanent residences without showing “impelling reasons” or “just ground” for doing so. If it is determined by the property appraiser that separate permanent residences and separate “family units” have been established by the husband and wife, and they are otherwise qualified, each may be granted homestead exemption from ad valorem taxation under Article VII, Section 6, 1968 State Constitution. The fact that both residences may be owned by both husband and wife as tenants by the entireties will not defeat the grant of homestead ad valorem tax exemption to the permanent residence of each.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 196.001, 196.031, 196.041 FS. History–New 10-12-76, Amended 11-10-77, Formerly 12D-7.07.

12D-7.008 Homestead Exemptions – Legal or Equitable Title.

(1) The Constitution requires that the homestead claimant have the legal title or beneficial title in equity to the real property claimed as his tax-exempt homestead. Section 196.031(1), F.S., requires that the deed or other instrument to homestead property be recorded in order to qualify for homestead exemption.

(2) Vendees in possession of real estate under bona fide contracts to purchase shall be deemed to have equitable title to real estate.

(3) A recitation in a contract for the purchase and sale of real property, that the equitable title shall not pass until the full purchase price is paid, does not bar the purchaser thereof from claiming homestead exemption upon the same if he otherwise qualifies.

(4) Assignment of a contract for deed to secure a loan will not defeat a claim for homestead exemption by the vendee in possession.

(5) A forfeiture clause in a contract for deed for non-payment of installments will not prevent the vendee from claiming homestead exemption.

(6) A vendee under a contract to purchase, in order to be entitled to homestead exemption, must show that he is vested with the beneficial title in the real property by reason of said contract and that his possession is under and pursuant to such contract.

(7) A grantor may not convey property to a grantee and still claim homestead exemption even though there is a mutual agreement between the two that the deed is not to be recorded until some date in the future. The appraiser is justified in presuming that the delivery took place on the
date of conveyance until such evidence is presented showing otherwise sufficient to overcome such presumption. The appraiser may back assess the property upon discovery that the exemption was granted erroneously.

(8) A person who owns a leasehold interest in either a residential or a condominium parcel pursuant to a bona fide lease having an original term of 98 years or more, shall be deemed to have legal or beneficial and equitable title to that property for the purpose of homestead exemption and no other purpose.

12D-7.009 Homestead Exemptions – Life Estates.
(1) A life estate will support a claim for homestead exemption.

(2) Where the owner of a parcel of real property conveys it to another who is a member of a separate family unit retaining a life estate in an undivided one-half interest therein, and each of such parties make their permanent homes in separate residential units located upon the said property, each would be entitled to homestead exemption on that part of the land occupied by them and upon which they make their permanent home.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 196.001, 196.031, 196.041 FS. History–New 10-12-76, Formerly 12D-7.09.

(1) A future estate, whether vested or contingent, will not support a claim for homestead exemption during the continuance of a prior estate. (Aetna Insurance Co. v. La Gassee, 223 So.2d 727 (Fla. 1969)).

(2) If the remainderman is in possession of the property during a prior estate, he must be claiming such right to possession under the prior estate and not by virtue of his own title; it must be presumed that the right granted under the life estate is something less than real property and incapable of supporting a claim for homestead exemption.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 196.001, 196.031, 196.041 FS. History–New 10-12-76, Formerly 12D-7.10.

The beneficiary of a passive or active trust has equitable title to real property if he is entitled to the use and occupancy of such property under the terms of the trust; therefore, he has sufficient title to claim homestead exemption. AGO 90-70. Homestead tax exemption may not be based upon residence of a beneficiary under a trust instrument which vests no present possessory right in such beneficiary.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 196.001, 196.031, 196.041 FS. History–New 10-12-76, Formerly 12D-7.11, Amended 2-25-96.

(1) No residential unit shall be entitled to more than one homestead tax exemption.
(2) No family unit shall be entitled to more than one homestead tax exemption.
(3) No individual shall be entitled to more than one homestead tax exemption.
(4)(a) This paragraph shall apply where property is held by the entireties or jointly with a right of survivorship.

1. Provided no other co-owner resides on the property, a resident co-owner of such an estate, if otherwise qualified, may receive the entire exemption.

2. Where another co-owner resides on the property, in the same residential unit, the resident co-owners of such an estate, if otherwise qualified, must share the exemption in proportion to their ownership interests.

(b) Where property is held jointly as a tenancy in common, and each co-owner makes their residence in a separate family unit and residential unit on such property, each resident co-owner of such an estate, if otherwise qualified, may receive the exemption in the amount of the assessed value of his or her interest, up to $25,000. No tenant in common shall receive the homestead tax exemption in excess of the assessed valuation of the proportionate interest of the person claiming the exemption.

(5) Property held jointly will support multiple claims for homestead tax exemption; however, only one exemption will be allowed each residential unit and no family unit will be entitled to more than one exemption.

(6)(a) Where a parcel of real property, upon which is located a residential unit held by “A” and “B” jointly as tenants in common or joint tenants without a right of survivorship, and “A” makes his permanent home upon the said property, but “B” resides and makes his permanent home elsewhere, “A” may not claim as exempt more than his interest in the property up to a total of $25,000 of assessed valuation on which he is residing and making the same his permanent home. The remainder of the interest of “A” and the interest of “B” would be taxed, without exemption, because “B” is not residing on the property or making the same his permanent residence.

(b) If that same parcel were held by “A” and “B” as joint tenants with a right of survivorship or tenants by the entirety under the circumstances described above, “A” would be eligible for the entire $25,000 exemption.

(7) In the situation where two or more joint owners occupy the same residential unit, a single homestead tax exemption shall be apportioned among the owners as their respective interests may appear.

(1) Temporary absence from the homestead for health, pleasure or business reasons would not deprive the property of its homestead character (Lanier v. Lanier, 116 So. 867 (Fla. 1928)).

(2) When a resident and citizen of Florida, now entitled to tax exemption under Section 6, Article VII of the State Constitution upon certain real property owned and occupied by him, obtains an appointment of employment in Federal Government services that requires him to reside in Washington, District of Columbia, he does not lose his right to homestead exemption if his absence is temporary. He may not, however, acquire another homestead at the place of his employment, nor may he rent the property during his absence as this would be considered abandonment under Section 196.061, F.S.

(3) Temporary absence, regardless of the reason for such, will not deprive the property of its homestead character, providing an abiding intention to return is always present. This abiding intention to return is not to be determined from the words of the homesteader, but is a conclusion
to be drawn from all the applicable facts (City of Jacksonville v. Bailey, 30 So.2d 529 (Fla. 1947)).

(4) Commitment to an institution as an incompetent will not of itself constitute an abandonment of homestead rights.

(5) Property used as a residence and also used by the owner as a place of business does not lose its homestead character. The two uses should be separated with that portion used as a residence being granted the exemption and the remainder being taxed.

(6) Homestead property that is uninhabitable due to damage or destruction by misfortune or calamity shall not be considered abandoned in accordance with the provisions of Section 196.031(6), F.S., where:

(a) The property owner notifies the property appraiser of his or her intent to repair or rebuild the property,

(b) The property owner notifies the property appraisers of his or her intent to occupy the property after the property is repaired or rebuilt,

(c) The property owner does not claim homestead exemption elsewhere, and

(d) The property owner commences the repair or rebuilding of the property within three (3) years after January 1 following the damage or destruction to the property.

(7) After the three (3) year period, the expiration, lapse, nonrenewal, or revocation of a building permit issued to the property owner for such repairs or rebuilding also constitutes abandonment of the property as homestead.

12D-7.0135 Homestead Exemptions – Mobile Homes.

(1) For purposes of qualifying for the homestead exemption, the mobile home must be determined to be permanently affixed to realty, as provided in rule Chapter 12D-6, F.A.C. Otherwise, the applicant must be found to be making his permanent residence on realty.

(2) Where a mobile home owner utilizes a mobile home as a permanent residence and owns the land on which the mobile home is located, the owner may, upon proper application, qualify for a homestead exemption.

(3) Joint tenants holding an undivided interest in residential property are each entitled to a full homestead exemption to the extent of each joint tenant’s interest, provided all requisite conditions are met. Joint tenants owning a mobile home qualify for a homestead exemption even though the property on which the mobile home is located is owned in joint tenancy by more persons than just those who own the mobile home. Each separate residential or family unit is entitled to a homestead exemption. The value of the applicant’s proportionate interest in the land shall be added to the value of the applicant’s proportionate interest in the mobile home and this value may be exempted up to the statutory limit.

(4) If a mobile home is owned as an estate by the entireties, the homestead exemptions of Section 196.031, F.S. and the additional homestead exemptions are applicable if either spouse qualifies.

(5) No homestead exemption shall be allowed by the property appraiser if there is no current license sticker on January 1, unless the property appraiser determines prior to the July 1 deadline for denial of the exemption that the mobile home was in fact permanently affixed on January 1 to real property and the owner of the mobile home is the same as the owner of the land.
12D-7.014 Homestead Exemptions – Civil Rights.

(1) Although loss of suffrage is one consequence of a felony conviction, the person so convicted is not thereby deprived of his right to obtain homestead exemption.

(2) An unmarried minor whose disabilities of non-age have not been removed may not maintain a permanent home away from his parents such as to entitle him or her to homestead exemption (Beckman v. Beckman, 43 So. 923 (Fla. 1907)).

12D-7.0142 Additional Homestead Exemption.

(1) A taxpayer who receives the $25,000 homestead exemption may claim the additional homestead exemption of up to $25,000 on the assessed value greater than $50,000.

12D-7.018 Fraternal and Benevolent Organizations.

(1) The property of non-profit fraternal and benevolent organizations is entitled to full or predominant exemption from ad valorem taxation when used exclusively or predominantly for charitable, educational, literary, scientific or religious purposes. The extent of the exemption to be granted to fraternal and benevolent organizations shall be determined in accordance with those provisions of Chapter 196, F.S., which govern the exemption of all property used for charitable, educational, literary, scientific or religious purposes.

(2) The exclusive or predominant use of property or portions of property owned by fraternal and benevolent organizations and used for organization, planning, and fund-raising activity under Section 196.193(3), F.S., for charitable purposes constitutes the use of the property for exempt purposes to the extent of the exclusive or predominant use. The incidental use of said property for social, fraternal, or similar meetings shall not deprive the property of its exempt status. It is not necessary that public funds actually be allocated for such function or service pursuant to Section 196.012(7), F.S.

(3) Any part or portion of the real or personal property of a fraternal or benevolent organization leased or rented for commercial or other non-exempt purposes, or used by such organization for commercial purposes, such as a bar, restaurant, or swimming pool, shall not be exempt from ad valorem taxes but shall be taxable to the extent specified in Sections 196.192 and 196.012(3), F.S. Chapter 12D-7 Rev. 10-1-2015

the exemption without filing an initial return. Nothing in this rule shall preclude a property appraiser from requiring that Form DR-405 be filed. Returns not timely filed shall be subject to the penalties enumerated in Section 193.072, F.S. Claims of more exemptions than allowed under Section 196.183(1), F.S., are subject to the taxes exempted as a result of wrongfully claiming the additional exemptions plus penalties on these amounts as enumerated in Section 196.183(5), F.S.

(3) Section 196.183(1), F.S., states that a single return must be filed, and therefore a single exemption granted, for all freestanding equipment not located at the place where the owner of tangible personal property transacts business.

(4) “Site where the owner of tangible personal property transacts business”.

(a) Section 196.183(2), F.S., defines “site where the owner of tangible personal property transacts business”. A “site where the owner of tangible personal property transacts business” includes facilities where the business ships or receives goods, employees of the business are located, goods or equipment of the business are stored, or goods or services of the business are produced, manufactured, or developed, or similar facilities located in offices, stores, warehouses, plants, or other locations of the business. Sites where only the freestanding property of the owner is located shall not be considered sites where the owner of tangible personal property transacts business.

(b) Example: A business owns copying machines or other freestanding equipment for lease. The location where the copying machines are leased or where the freestanding equipment of the owner is placed does not constitute a site where the owner of the equipment transacts business. If it is not a site where one or more of the activities stated in subsection (a) occur, for purposes of the tangible personal property exemption, it is not considered a site where the owner transacts business.

(5) Property Appraiser Actions – Maintaining Assessment Roll Entry. For all freestanding equipment not located at a site where the owner of tangible personal property transacts business, and for which a single return is required, and for property assessed under Section 193.085, F.S., the property appraiser is responsible for allocating the exemption to those taxing jurisdictions in which freestanding equipment or property assessed under Section 193.085, F.S. is located. Allocation should be based on the proportionate share of the just value of such property in each jurisdiction. However, the amount of the exemption allocated to each taxing authority may not change following the extension of the tax roll under Section 193.122, F.S.

(6) By February 1 of each year, the property appraiser shall notify by mail all taxpayers whose requirement for filing an annual tangible personal property tax return was waived in the previous year. The notification shall state that a return must be filed if the value of the taxpayer’s tangible personal property exceeds the exemption and shall include notification of the penalties for failure to file such a return. Form DR-405W (incorporated by reference in Rule 12D-16.002, F.A.C.), may be used by property appraisers at their option.

(1) To apply for the exemption in Section 196.26, F.S., a property owner must submit an original application to the property appraiser by March 1, as outlined in Section 196.011, F.S.
(2) The Department prescribes Form DR-418C, Real Property Dedicated in Perpetuity for Conservation, Exemption Application, incorporated by reference in Rule 12D-16.002, F.A.C. Property owners must use this form to apply for the exemption in Section 196.26, F.S.

(3) The Department prescribes Form DR-418CR, Real Property Dedicated in Perpetuity for Conservation, Exemption Renewal, incorporated by reference in Rule 12D-16.002, F.A.C. After the first year a property receives the exemption in Section 196.26, F.S., the property appraiser must mail a renewal application to the property owner by February 1. The property owner must complete and return the renewal application to the property appraiser by March 1.

12D-8.001 All Property to Be Assessed.

(1) General.
   (a) The property appraiser shall make a determination of the value of all property (whether such property is taxable, wholly or partially exempt, or subject to classification reflecting a value less than its just value at its present highest and best use) located within the county according to its just or fair market value on the first day of January of each year and enter the same upon the appropriate assessment roll under the heading “Just Value.” If the parcel qualifies for a classified use assessment, the classified use value shall be shown under the heading “Classified Use Value.”
   (b) The following are specifically excluded from the requirements of paragraph (a) above:
      1. Streets, roads, and highways. The appraiser is not required to, but may assess and include on the appropriate assessment roll streets, roads, and highways which have been dedicated to or otherwise acquired by a municipality, a county, or a state or federal agency.
a. The terms “streets”, “roads”, and “highways” include all public rights-of-way for either or both pedestrian or vehicular travel.

b. The phrase “or otherwise acquired” shall mean that title to the property is vested in the municipality, county, state, or federal agency and shall not include an easement or mere right of use.

2. Improvements or portions not substantially completed on January 1 shall have no value placed thereon.

3. Inventory is exempt.

4. Growing annual agricultural crops, nonbearing fruit trees, nursery stock.

5. Household goods and personal effects of every person residing and making his or her permanent home in this state are exempt from taxation. Title to such household goods and personal effects may be held individually, by the entireties, jointly, or in common with others. Storage in a warehouse, or other place of safekeeping, in and of itself, does not alter the status of such property. Personal effects is a category of personal property which includes such items as clothing, jewelry, tools, and hobby equipment. No return of such property or claim for exemption need be filed by an eligible owner and no entries need be shown on the assessment roll.

(2) Agricultural lands shall be assessed in accordance with the provisions of Section 193.461, F.S., and these rules and regulations.

(3) Pollution control devices shall be assessed in accordance with the provisions of Section 193.621, F.S., and these rules and regulations.

(4) Land subject to a conservation easement, environmentally endangered lands, or lands used for outdoor recreational or park purposes when land development rights have been conveyed or conservation restrictions have been covenanted shall be assessed in accordance with the provisions of Section 193.501, F.S., and these rules.

(a) Petition – On or before April 1 of each year any taxpayer claiming right of assessment for ad valorem tax purposes under this rule and Section 193.501, F.S., may file a petition with the property appraiser requesting reclassification and reassessment of the land for the upcoming tax year.

(b) In the event the property appraiser determines that land development covenants, restrictions, rules or regulations imposed upon property described in said petition render development to the highest and best use no longer possible, he or she shall reclassify and reassess the property described in the petition and enter the new assessed valuation for the property on the roll with a notation indicating that this property receives special consideration as a result of development restrictions. For the purpose of complying with Section 193.501(7)(a), F.S., the property appraiser will also maintain a record of the value of such property as if the development rights had not been conveyed and the conservation restrictions had not been covenanted.

(5) Land Subject to a Moratorium (Section 193.011(2), F.S.).

(a) The property appraiser shall consider any moratorium imposed by law, ordinance, regulation, resolution, proclamation, or motion adopted by any governmental body or agency which prohibits, restricts, or impairs the ability of a taxpayer to improve or develop his property to its highest and best use in determining the value of the property.

1. The taxpayer, whose property is so affected, may file a petition with the property appraiser on or before April 1 requesting reclassification and reassessment for the current tax year.
2. The taxpayer’s right to receive a reclassification and reassessment under this rule and Section 193.011(2), F.S., shall not be impaired by his failure to file said petition with the property appraiser.

(b) In the event the property appraiser determines that restrictions placed upon land subject to a moratorium render development to the highest and best use no longer possible, he shall reclassify and reassess the property.

(6) High-water recharge lands shall be classified in accordance with Section 193.625, F.S. The assessment of high-water recharge lands must be based upon a formula adopted by ordinance by counties choosing to have a high-water recharge protection tax assessment program.

4. Grant one or more extensions of time to a day certain to any property appraiser for the completion of any one or more of the assessment rolls for a period exceeding 10 days upon a finding that the extension is warranted by reason of one or more of the following:
   a. A total reappraisal, to be included on the assessment roll or rolls, for which a request for extension of time has been requested is in progress, and such program has been conducted in a manner to avoid causing unreasonable or undue delay in completion of the assessment rolls.
   b. An act or occurrence beyond the control of man, such as, but not limited to, destruction of records or equipment needed to compile an assessment roll, fire, flood, hurricane, or other natural catastrophe, or death;
   c. An occurrence or non-occurrence not beyond the control of man, when such occurrence or non-occurrence was not for the purpose of delaying the completion of the assessment roll or rolls on the date fixed by law, July 1.

   (3) Each assessment roll shall be submitted to the Executive Director of the Department of Revenue for review in the manner and form prescribed by the Department on or before the first Monday in July; however, an extension granted under subsection (2) above shall likewise extend the time for submission.

   (4) Accompanying the assessment roll submitted to the Executive Director shall be, on a form provided by the Department, an accurate tabular summary by property class of any adjustments made to recorded selling prices or fair market value in arriving at assessed value. Complete, clear, and accurate documentation for each adjustment under Section 193.011(8), F.S., exceeding fifteen percent shall accompany this summary detailing how that percentage adjustment was calculated. This documentation shall include individual data for all sales used and a narrative on the procedures used in the study. In addition, an accurate tabular summary of per acre land valuations used for each class of agricultural property in preparing the assessment roll shall be submitted with the assessment roll to the Executive Director.

12D-8.003 Possessory Interest on the Roll.
The property appraiser shall enter the assessed value of an assessable possessory interest on the appropriate assessment roll according to the nature or character of the property possessed. Stated in other terms, if the possessory interest is in real property, then the assessment shall appear on the real property assessment roll; if it is an interest in tangible personal property or inventory, then the assessment shall appear on the Tangible Personal Property Assessment Roll.

12D-8.004 Notice of Proposed Increase of Assessment from Prior Year.
The notice mailed pursuant to Section 194.011, F.S. and Rule 12D-8.005, F.A.C., shall contain a statement advising the taxpayer that:

   (1) Upon request the property appraiser or a member of his or her staff shall agree to a conference regarding the correctness of the assessment, and
   (2) He or she has a right to petition to the value adjustment board, and the procedures for doing so.
12D-8.005 Assessing Property Not Returned as Required by Law and Penalties Thereon.

(1) The due date without an extension granted pursuant to Section 193.063, F.S., is April 1.
   (a) If the taxpayer has failed to file a return on or before the due date, including any extensions, then, based upon the best information available, the property appraiser shall list the appropriate property on a return, assess it, and apply the 25 percent penalty thereon. An assessment made in this manner shall be considered an increased assessment and notice must be sent thereof in accordance with the provisions of Section 194.011, F.S. and Rule 12D-8.004, F.A.C.
   (b) If a return is filed before the fifth month from the due date or the extended due date of the return, the penalty shall be reduced in accordance with the penalty schedule in Section 193.072(1)(b), F.S., and the property appraiser is authorized to waive the penalty entirely upon finding that good cause has been shown.

(2) When a return is filed, the property appraiser shall ascertain whether all property required to be returned is listed. If such property is unlisted on the return, the property appraiser shall:
   (a) As soon as practicable after filing the return and based upon the best information available, list the property on the return, assess it, apply the 15 percent penalty thereon and to this sum apply any penalties provided in subsection (1) of this rule as may be appropriate. Assessing the property in this manner shall be considered an increased assessment and notice must be sent thereof in accordance with the provisions of Section 194.011(2), F.S. and Rule 12D-8.004, F.A.C.
   (b) If the unlisted property is properly listed by the taxpayer, the property appraiser is authorized to reduce or waive the penalty entirely upon finding that good cause has been shown.

(3) When a return has property unlisted that renders the return so deficient as to indicate an intent to evade or illegally avoid the payment of lawful taxes, it shall be deemed a failure to file a return.

(4) For the purposes of determining whether a return was filed late or property was unlisted with the intention of illegally avoiding the payment of lawful taxes, consideration shall be given as to whether the taxpayer made a late or corrective filing before he was notified of an increased assessment.

(5) The property appraiser shall briefly state, in writing on the return, those facts and circumstances constituting good cause for waiving or reducing a penalty. The property appraiser shall reduce or waive penalty only upon a proper finding of good cause shown. “Good cause” means the exercise of ordinary care and prudence in the particular circumstances in complying with the law.

(6) Penalties shall be waived only as authorized by this rule.

(7) If no return is filed for two successive years, the property appraiser shall, for the second year no return is filed, inspect the property, examine the property owner’s financial records, or otherwise in good faith attempt to ascertain the just value of the property before otherwise assessing the property as provided in subsection (1) of this rule.

(8) The property appraiser may not waive or reduce penalties levied on railroad and other property assessed by the Department of Revenue.
12D-8.006 Assessment of Property for Back Taxes.

(1) “Escape taxation” means to get free of tax, to avoid taxation, to be missed from being taxed, or to be forgotten for tax purposes. Improvements, changes, or additions which were not taxed because of a clerical or some other error and are a part of and encompassed by a real property parcel which has been duly assessed and certified, should be included in this definition if back taxes are due under Section 193.073, 193.092 or 193.155(8), F.S. Property under-assessed due to an error in judgment should be excluded from this definition. Korash v. Mills, 263 So.2d 579 (Fla. 1972).

(2) The property appraiser shall, in addition to the assessment for the current year:

(a) Make a separate assessment for each year (not to exceed three) that the property has been entirely omitted from the assessment roll;

(b) Determine the value of the property as it existed on January 1 of each year that the property escaped taxation;

(c) Distinctly note on the assessment roll the year for which each assessment is made; and

(d) Apply the millage levy for the year taxation was escaped, add the penalties, if applicable, and extend the tax. This shall be done for each year the property has escaped taxation, not to exceed three years.

(e) Assessments for back taxes shall appear on the assessment roll immediately following the assessment of the property for the current year, or on a supplemental roll immediately following the current roll.

(f) Any tabulation of valuations from the current roll shall not include assessments for back taxes but shall include, immediately after tabulations of the current roll totals, the corresponding tabulations for back assessed property with a notation identifying the figure as such.

(3) Back assessments of assessable leasehold or possessory interest in property of the United States, of the state, or any political subdivision, municipality, agency, authority, or other public body corporate of the state, are enforced as a personal obligation of the lessee and shall be placed on the roll in the name of the holder of the leasehold in the year(s) taxation was escaped.

(4) Back assessments of property acquired by a bona fide purchaser that had no knowledge that the property purchased had escaped taxation shall be assessed to the previous owner in accordance with Section 193.092(1), F.S. A “bona fide purchaser” means a purchaser, for value, in good faith, before the certification of the assessment of back taxes to the tax collector for collection.

12D-8.0061 Assessments; Homestead Property Assessments at Just Value.

(1) Real property shall be assessed at just value as of January 1 of the year in which the property first receives the exemption.

(2) Real property shall be assessed at just value as of January 1 of the year following any change of ownership. If the change of ownership occurs on January 1, subsection (1) shall apply. For purposes of this section, a change of ownership includes any transfer of homestead property receiving the exemption, but does not include any of the following:
(a) Any transfer in which the person who receives homestead exemption is the same person
who was entitled to receive homestead exemption on that property before the transfer, and
1. The transfer is to correct an error; or
2. The transfer is between legal and equitable title or equitable and equitable title and no
other person applies for a homestead exemption on the property; or
3. The change or transfer is by means of an instrument in which the owner is listed as both
grantor and grantee of the real property and one or more other individuals are additionally named
as grantee. However, a change of ownership occurs if any additional individual named as grantee
applies for a homestead exemption on the property.
(b) The transfer is between husband and wife, including a transfer to a surviving spouse or a
transfer due to a dissolution of marriage, provided that the transferee applies for the exemption
and is otherwise entitled to the exemption;
(c) The transfer, upon the death of the owner, is between owner and a legal or natural
dependent who permanently resides on the property; or
(d) The transfer occurs by operation of law to the surviving spouse or minor child or children
under Section 732.401, F.S.
(3) A leasehold interest that qualifies for the homestead exemption under Section 196.031 or
196.041, F.S., shall be treated as an equitable interest in the property for purposes of subsection
(2).

12D-8.0062 Assessments; Homestead; Limitations.
(1) This rule shall govern the determination of the assessed value of property subject to the
homestead assessment limitation under Article VII, Section 4(c), Florida Constitution and
Section 193.155, F.S., except as provided in Rules 12D-8.0061, 12D-8.0063 and 12D-8.0064,
F.A.C., relating to changes, additions or improvements, changes of ownership, and corrections.
(2) Just value is the standard for assessment of homestead property, subject to the provisions
of Article VII, Section 4(c), Florida Constitution. Therefore, the property appraiser is required to
determine the just value of each individual homestead property on January 1 of each year as
provided in Section 193.011, F.S.
(3) Unless subsection (5) or (6) of this rule require a lower assessment, the assessed value
shall be equal to the just value as determined under subsection (2) of this rule.
(4) The assessed value of each individual homestead property shall change annually, but shall
not exceed just value.
(5) Where the current year just value of an individual property exceeds the prior year
assessed value, the property appraiser is required to increase the prior year’s assessed value by the
lower of:
(a) Three percent; or
(b) The percentage change in the Consumer Price Index (CPI) for all urban consumers, U.S.
City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.
(6) If the percentage change in the Consumer Price Index (CPI) referenced in paragraph
(5)(b) is negative, then the assessed value shall be the prior year’s assessed value decreased by
that percentage.
(7) The assessed value of an individual homestead property shall not exceed just value.
12D-8.0063 Assessment of Changes, Additions, or Improvements to a Homestead.

(1) Any change, addition, or improvement, excluding normal maintenance, to a homestead, including an owner’s apportioned share of common areas directly benefiting the homestead, shall be determined and assessed at just value, and added to the assessed value of the homestead as of January 1 of the year following the substantial completion of the change, addition, or improvement.

(2) The measure of this incremental, just value amount for purposes of subsection (1), shall be determined directly by considering mass data collected, market evidence, and cost, or by taking the difference between the following:
   (a) Just value of the homestead as of January 1 of the year following any change, addition, or improvement, adjusted for any change in value during the year due to normal market factors, and
   (b) Just value of the homestead as of January 1 of the year of the change, addition, or improvement.

(3) General rules for assessment of changes, additions, or improvements; see paragraphs (a) through (d); for special rules for 2004 named storms see paragraph (e).
   (a) Changes, additions, or improvements do not include replacement of a portion of homestead property damaged or destroyed by misfortune or calamity when:
      1.a. The square footage of the property as repaired or replaced does not cause the total square footage to exceed 1,500 square feet, or
      b. The square footage of the property as repaired or replaced does not exceed 110 percent of the square footage of the property before the damage or destruction; and
      2. The changes, additions, or improvements are commenced within 3 years after the January 1 following the damage or destruction.
   (b) When the repair or replacement of such properties results in square footage greater than 1,500 square feet or otherwise greater than 110 percent of the square footage before the damage, such repair or replacement shall be treated as a change, addition, or improvement. The homestead property’s just value shall be increased by the just value of that portion of the changed or improved property in excess of 1,500 square feet or in excess of 110 percent of the square footage of the property before the damage, and that just value shall be added to the assessed value (including the assessment limitation change) of the homestead as of January 1 of the year following the substantial completion of the replacement of the damaged or destroyed portion.
   (c) Changes additions or improvements to homestead property rendered uninhabitable in one or more of the named 2004 storms is limited to the square footage exceeding 110 percent of the homestead property’s total square footage. However, such homestead properties which are rebuilt up to 1,500 total square feet are not considered changes, additions or improvements subject to assessment at just value.
   (d) These provisions apply to changes, additions or improvements commenced within 3 years after January 1 following the damage or destruction of the homestead and apply retroactively to January 1, 2006.
   (e) Assessment of certain homestead property damaged in 2004 named storms. Notwithstanding the provisions of Section 193.155(4), F.S., the assessment at just value for changes, additions, or improvements to homestead property rendered uninhabitable in one or more of the named storms of 2004 shall be limited to the square footage exceeding 110 percent
of the homestead property’s total square footage. Additionally, homes having square footage of 1,350 square feet or less which were rendered uninhabitable may rebuild up to 1,500 total square feet and the increase in square footage shall not be considered as a change, an addition, or an improvement that is subject to assessment at just value. The provisions of this paragraph are limited to homestead properties in which repairs are commenced by January 1, 2008, and apply retroactively to January 1, 2005.

(4) When any portion of homestead property damaged by misfortune or calamity is not replaced, or the square footage of the property after repair or replacement is less than 100 percent of the square footage prior to the damage or destruction, the assessed value of the property will be reduced by the assessed value of the destroyed or damaged portion of the property. Likewise, the just value of the property shall be reduced to the just value of the property after the destruction or damage of the property. If the just value after the damage or destruction is less than the total assessed value before the damage or destruction, the assessed value will be lowered to the just value.

(5) The provisions of subsection (3) of this rule section also apply to property where the owner permanently resides on the property when the damage or destruction occurred; the owner is not entitled to homestead exemption on January 1 of the year in which the damage or destruction occurred; and the owner applies for and receives homestead exemption on the property the following year.

12D-8.0064 Assessments; Correcting Errors in Assessments of a Homestead.

(1) This rule shall apply where any change, addition, or improvement is not considered in the assessment of a property as of the first January 1 after it is substantially completed. The property appraiser shall determine the just value for such change, addition, or improvement as provided in Rule 12D-8.0063, F.A.C., and adjust the assessment for the year following the substantial completion of the change, addition, or improvement, as if the assessment had been correctly made as provided in subsection 12D-8.0063(1), F.A.C. The property appraiser shall adjust the assessed value of the homestead property for all subsequent years.

(2) If an error is made in the assessment of any homestead due to a material mistake of fact concerning an essential characteristic of the property, the assessment shall be adjusted for each erroneous year. This adjustment is for prospective application only. For purposes of this subsection, the term “material mistake of fact” means any and all mistakes of fact, relating to physical characteristics of property, considered in arriving at the assessed value of a property that, if corrected, would affect the assessed value of that property.

(3) This subsection shall apply where the property appraiser determines that a person who was not entitled to the homestead exemption or the homestead property assessment increase limitation was granted it for any year or years within the prior 10 years.

(a) The property appraiser shall take the following actions:

1. Serve upon the owner a notice of intent to record a notice of tax lien in the amount of the unpaid taxes, plus a penalty of 50 percent of the unpaid taxes for each year and 15 percent interest on the unpaid taxes per year.

2. Record in the public records of the county a notice of tax lien against any property owned by this person in the county and identify all property included in this notice of tax lien.
3. The property appraiser shall correct the rolls to disallow the exemption and the homestead assessment increase limitation for any years to which the owner was not entitled to either.

(b) Where the notice is served by U.S. mail or by certified mail, the 30-day period shall be calculated from the date the notice was delivered into the mails and postmarked.

(c) In the case of the homestead exemption, the unpaid taxes shall be the taxes on the amount of the exemption which the person received but to which the person was not entitled. Where a person is improperly granted a homestead exemption due to a clerical mistake or omission by the property appraiser, the lien shall include the unpaid taxes but not penalty and interest.

(d) In the case of the homestead property assessment increase limitation, the unpaid taxes shall be the taxes on the amount of the difference between the assessed value and the just value for each year. Where a person entitled to the homestead exemption inadvertently receives the homestead property assessment increase limitation following a change of ownership, the person shall not be required to pay the unpaid taxes, penalty and interest.

(e) The amounts determined under paragraphs (c) and (d) shall be added together and entered on the notice of intent and on the notice of lien.

12D-8.0065 Transfer of Homestead Assessment Difference; “Portability”; Sworn Statement Required; Denials; Late Applications.

(1) For purposes of this rule, the following definitions apply.

(a) The “previous property appraiser” means the property appraiser in the county where the taxpayer’s previous homestead property was located.

(b) The “new property appraiser” means the property appraiser in the county where the taxpayer’s new homestead is located.

(c) The “previous homestead” means the homestead which the assessment difference is being transferred from.

(d) The “new homestead” means the homestead which the assessment difference is being transferred to.

(e) “Assessment difference” means the difference between assessed value and just value attributable to Section 193.155, F.S.

(2) Section 193.155(8), F.S., provides the procedures for the transfer of the homestead assessment difference to a new homestead, within stated limits, when a previous homestead is abandoned. The amount of the assessment difference is transferred as a reduction to the just value of the interest owned by persons that qualify and receive homestead exemption on a new homestead.

(a) This rule sets limits and requirements consistent with Section 193.155(8), F.S. A person may apply for the transfer of an assessment difference from a previous homestead property to a new homestead property if:

1. The person received a homestead exemption on the previous property on January 1 of one of the last two years before establishing the new homestead; and,

2. The previous property was abandoned as a homestead after that January 1; and,

3. The previous property was, or will be, reassessed at just value or assessed under Section 193.155(8), F.S., as of January 1 of the year after the year in which the abandonment occurred subject to Subsections 193.155(8) and 193.155(3), F.S; and,
4. The person establishes a new homestead on the property by January 1 of the year they are applying for the transfer.

(b) Under Section 193.155(8), F.S., the transfer is only available from a prior homestead for which a person previously received a homestead exemption. For these rules:

1. If spouses owned and both permanently resided on a previous homestead, each is considered to have received the homestead exemption, even if only one of them applied for the homestead exemption on the previous homestead.

2. For joint tenants with rights of survivorship and for tenants in common, those who qualified for and received the exemption on a previous homestead are considered to have received the exemption.

(b) If the person meets the qualifications and wants to designate the ownership share of the assessment difference to be attributed to him or her as spouses for transfer to the new homestead, he or she must also file a copy of Form DR-501TS, Designation of Ownership Shares of Abandoned Homestead (incorporated by reference in Rule 12D-16.002, F.A.C., https://www.flrules.org/Gateway/reference.asp?No=Ref-05793) that was already filed with the previous property appraiser as described in subsection (5).

(4) Within the limitations for multiple owners in subsection (5), the total which may be transferred is limited as follows:

(a) Upsizing – When the just value of the new homestead equals or is greater than the just value of the previous homestead, the maximum amount that can be transferred is $500,000.

(b) Downsizing – When the just value of the new homestead is less than the just value of the previous homestead, the maximum amount that can be transferred is $500,000. Within that limit, the amount must be the same proportion of the new homestead’s just value as the proportion of the assessment difference was of the previous homestead’s just value.

(5)(a) Transferring without splitting or joining – When two or more persons jointly abandon a single previous homestead and jointly establish a new homestead, the provisions for splitting and joining below do not apply if no additional persons are part of either homestead. The maximum amount that can be transferred is $500,000.

(b) Splitting – When two or more people who previously shared a homestead abandon that homestead and establish separate homesteads, the maximum total amount that can be transferred is $500,000. Within that limit, each person who received a homestead exemption and is eligible to transfer an amount is limited to a share of the previous homestead’s difference between assessed value and just value. The shares of the persons that received the homestead exemption cannot total more than 100 percent.

1. For tenants in common, this share is the difference between just value and assessed value for the tenant’s proportionate interest in the property. This is the just value of the tenant’s interest minus the assessed value of the tenant’s interest.

2. For joint tenancy with right of survivorship and for spouses, the share of the homestead assessment difference is the difference between the just value and the assessed value of the owner’s share of the homestead portion of the property. This is the difference between the just
value and the assessed value of the homestead portion of the property, divided by the number of owners that received the exemption, unless another interest share is on the title. In that case, the portion of the amount that may be transferred is the difference between just value and assessed value for the owner’s stated share of the homestead portion of the property.

3. Subparagraphs (5)(b)1. and (5)(b)2. do not apply if spouses abandon jointly titled property and designate their respective ownership shares by completing and filing Form DR-501TS. When a complete and valid Form DR-501TS is filed as provided in this subparagraph, the designated ownership shares are irrevocable.

If spouses abandon jointly titled property and want to designate their respective ownership shares they must:

   a. Be married to each other on the date the jointly titled property is abandoned.
   b. Each execute the sworn statement designating the person’s ownership share on Form DR-501TS.
   c. File a complete and valid Form DR-501TS with the previous property appraiser before either person applies for portability on Form DR-501T with the new property appraiser.
   d. Include a copy of Form DR-501TS with the homestead exemption application filed with the new property appraiser as described in subsection (3).

4. Except when a complete and valid designation Form DR-501TS is filed, the shares of the assessment difference cannot be sold, transferred, or pledged to any taxpayer. For example, if spouses divorce and both abandon the homestead, they each take their share of the assessment difference with them. The property appraiser cannot accept a stipulation otherwise.

(c) Joining – When two or more people, some of whom previously owned separate homesteads and received a homestead exemption, join together to qualify for a new homestead, the maximum amount that can be transferred is $500,000. Within that limit, the amount that can be transferred is limited to the highest difference between just value and assessed value from any of the persons’ previous homesteads.

(6) Abandonment.

(a) To transfer an assessment difference, a homestead owner must abandon the homestead before January 1 of the year the new application is made.

(b) In the case of joint tenants with right of survivorship, if only one owner moved and the other stayed in the original homestead, the homestead would not be abandoned. The person who moved could not transfer any assessment difference.

(c) To receive an assessment reduction under Section 193.155(8), F.S., a person may abandon his or her homestead even though it remains his or her primary residence by providing written notification to the property appraiser of the county where the homestead is located. This notification must be delivered before or at the same time as the timely filing of a new application for homestead exemption on the property. This abandonment will result in reassessment at just value as provided in subparagraph (2)(a)3. of this rule.

(7) Only the difference between assessed value and just value attributable to Section 193.155, F.S., can be transferred.

(a) If a property has both the homestead exemption and an agricultural classification, a person cannot transfer the difference that results from an agricultural classification.

(b) If a homeowner has a homestead and is receiving a reduction in assessment for living quarters for parents or grandparents under Section 193.703, F.S., the reduction is not included in the transfer. When calculating the amount to be transferred, the amount of that reduction must be added back into the assessed value before calculating the difference.
(8) Procedures for property appraiser:

(a) If the previous homestead was in a different county than the new homestead, the new property appraiser must transmit a copy of the completed Form DR-501T with a completed Form DR-501 to the previous property appraiser. If the previous homesteads of applicants applying for transfer were in more than one county, each applicant from a different county must fill out a separate Form DR-501T.

1. The previous property appraiser must complete Form DR-501RVSH, Certificate for Transfer of Homestead Assessment Difference (incorporated by reference in Rule 12D-16.002, F.A.C., https://www.flrules.org/Gateway/reference.asp?No=Ref-05793). By April 1 or within two weeks after receiving Form DR-501T, whichever is later, the previous property appraiser must send this form to the new property appraiser. As part of the information returned on Form DR-501RVSH, the previous property appraiser must certify that the amount transferred is part of a previous homestead that has been or will be reassessed at just value as of January 1 of the year after the year in which the abandonment occurred as described in subparagraph (2)(a)3. of this rule.

2. Based on the information provided on Form DR-501RVSH from the previous property appraiser, the new property appraiser calculates the amount that may be transferred and applies this amount to the January 1 assessment of the new homestead for the year for which application is made.

(b) If the transfer is from the same county as the new homestead, the property appraiser retains Form DR-501T. Form DR-501RVSH is not required. For a person that applied on time for the transfer of assessment difference, the property appraiser updates the ownership share information using the share methodology in this rule.

(c) The new property appraiser must record the following in the assessment roll submitted to the Department according to Section 193.1142, F.S., for the year the transfer is made to the homestead parcel:

1. Flag for current year assessment difference transfer;
2. Number of owners among whom the previous assessment difference was split. Enter 1 if previous difference was not split;
3. Assessment difference value transferred;
4. County number of previous homestead;
5. Parcel ID of previous homestead;
6. Year from which assessment difference value was transferred;

(d) Property appraisers that have information sharing agreements with the Department are authorized to share confidential tax information with each other under Section 195.084, F.S., including social security numbers and linked information on Forms DR-501, DR-501T, and DR-501RVSH.

(9)(a) The transfer of an assessment difference is not final until all values on the assessment roll on which the transfer is based are final. If the values are final after the procedures in these rules are exercised, the property appraiser(s) must make appropriate corrections and send a corrected assessment notice. Any values that are in administrative or judicial review must be noticed to the tribunal or court for accelerated hearing and resolution so that the intent of Section 193.155(8), F.S. may be fulfilled.

(b) This rule does not authorize the consideration or adjustment of the just, assessed, or taxable value of the previous homestead property.

(10) Additional provisions.
(a) If the information from the previous property appraiser is provided after the procedures in this section are exercised, the new property appraiser must make appropriate corrections and send a corrected assessment notice.

(b) The new property appraiser must promptly notify a taxpayer if the information received or available is insufficient to identify the previous homestead and the transferable amount. For a timely filed application, this notice must be sent by July 1.

(c) If the previous property appraiser supplies enough information to the new property appraiser, the information is considered timely if provided in time to include it on the notice of proposed property taxes sent under Sections 194.011 and 200.065(1), F.S.

(d) If the new property appraiser has not received enough information to identify the previous homestead and the transferable amount in time to include it on the notice of proposed property taxes, the taxpayer may file a petition with the value adjustment board in the county of the new homestead.

(11) Denials.

(a) If the applicant is not qualified for transfer of any assessment difference, the new property appraiser must send Form DR-490PORT, Notice of Denial of Transfer of Homestead Assessment Difference, (incorporated by reference in Rule 12D-16.002, F.A.C.) to the applicant by July 1 and include the reasons for the denial.

(b) Any property appraiser who sent a notice of denial by July 1 because he or she did not receive sufficient information to identify the previous homestead and the amount which is transferable, must grant the transfer after receiving information from the previous property appraiser showing the taxpayer was qualified, if the new property appraiser determines the taxpayer is otherwise qualified. If a petition was filed based on a timely application for the transfer of an assessment difference, the value adjustment board shall refund the taxpayer the petition filing fee.

(c) Petitions of denials may be filed with the value adjustment board as provided in Rule 12D-9.028, F.A.C.

(12) Late applications.

(a) Any person qualified to have property assessed under Section 193.155(8), F.S., who fails to file for a new homestead on time in the first year following eligibility may file in a subsequent year. The assessment reduction must be applied to assessed value in the year the transfer is first approved. A refund may not be given for previous years.

(b) Any person who is qualified to have his or her property assessed under Section 193.155(8), F.S., who fails to file an application by March 1, may file an application for assessment under that subsection and, under Section 194.011(3), F.S., may file a petition with the value adjustment board requesting the assessment be granted. The petition may be filed at any time during the taxable year by the 25th day following the mailing of the notice by the property appraiser as provided in Section 194.011(1), F.S. In spite of Section 194.013, F.S., the person must pay a nonrefundable fee of $15 when filing the petition, as required by paragraph (j) of Section 193.155(8), F.S. After reviewing the petition, the property appraiser or the value adjustment board may grant the assessment under Section 193.155(8), F.S., if the property appraiser or value adjustment board find the person is qualified and demonstrates particular extenuating circumstances to warrant granting the assessment.

12D-8.00659 Notice of Change of Ownership or Control of Non-Homestead Property.

(1) Any person or entity that owns non-homestead property that is entitled to receive the 10 percent assessment increase limitation under Section 193.1554 or 193.1555, F.S., must notify the property appraiser of the county where the property is located of any change of ownership or control as defined in Sections 193.1554(5) and 193.1555(5), F.S. This notification is not required if a deed or other instrument of title has been recorded in the county where the parcel is located.

(2) As provided in Sections 193.1554(5) and 193.1555(5), F.S., a change of ownership or control means any sale, foreclosure, transfer of legal title or beneficial title in equity to any person, or the cumulative transfer of control or of more than fifty (50) percent of the ownership of the legal entity that owned the property when it was most recently assessed at just value.

(3) For purposes of a transfer of control, “controlling ownership rights” means voting capital stock or other ownership interest that legally carries voting rights or the right to participate in management and control of the legal entity’s activities. The term also includes an ownership interest in property owned by a limited liability company or limited partnership that is treated as owned by its sole member or sole general partner.

(4)(a) A cumulative transfer of control of the legal entity that owns the property happens when any of the following occur:
   1. The ownership of the controlling ownership rights changes and either:
      a. A shareholder or other owner that did not own more than fifty (50) percent of the controlling ownership rights becomes an owner of more than fifty (50) percent of the controlling ownership rights; or
      b. A shareholder or other owner that owned more than fifty (50) percent of the controlling ownership rights becomes an owner of less than fifty (50) percent of the controlling ownership rights.
   2.a. There is a change of all general partners; or
   b. Among all general partners the ownership of the controlling ownership rights changes as described in subparagraph 1. above.
   (b) If the articles of incorporation and bylaws or other governing organizational documents of a legal entity require a two-thirds majority or other supermajority vote of the voting shareholders or other owners to approve a decision, the supermajority shall be used instead of the fifty (50) percent for purposes of paragraph (a) above.

(5) There is no change of ownership if:
   (a) The transfer of title is to correct an error;
   (b) The transfer is between legal and equitable title; or
   (c) For “non-homestead residential property” as defined in Section 193.1554(1), F.S., the transfer is between husband and wife, including a transfer to a surviving spouse or a transfer due to a dissolution of marriage. This paragraph does not apply to non-residential property that is subject to Section 193.1555, F.S.

(6) For a publicly traded company, there is no change of ownership or control if the cumulative transfer of more than 50 percent of the ownership of the entity that owns the property occurs through the buying and selling of shares of the company on a public exchange. This exception does not apply to a transfer made through a merger with or an acquisition by another company, including an acquisition by acquiring outstanding shares of the company.

(7)(a) For changes of ownership or control, as referenced in subsection (2) of this rule, the owner must complete and send Form DR-430, Change of Ownership or Control, Non-Homestead Property, to the property appraiser unless a deed or other instrument of title has been recorded in
Chapter 12D-8 Rev. 10-1-2015

the county where the parcel is located. This form is adopted by the Department of Revenue and incorporated by reference in Rule 12D-16.002, F.A.C. If one owner completes and sends a Form DR-430 to the property appraiser, another owner is not required to send an additional Form DR-430.

(b) Form DR-430M, Change of Ownership or Control, Multiple Parcels, which is incorporated by reference in Rule 12D-16.002, F.A.C., may be used as an attachment to Form DR-430. A property owner may use DR-430M to list all property owned or controlled in the state for which a change of ownership or control has occurred. A copy of the form should be sent to each county property appraiser where a parcel is located.

(c) On January 1, property assessed under Sections 193.1554 and 193.1555, F.S., must be assessed at just value if the property has had a change of ownership or control since the January 1, when the property was most recently assessed at just value.

d) The property appraiser is required to record a tax lien on any property owned by a person or entity that was granted, but not entitled to, the property assessment limitation under Section 193.1554 or 193.1555, F.S.

e) The property appraiser shall use the information provided on the Form DR-430 to assess property as provided in Sections 193.1554, 193.1555 and 193.1556, F.S. For listing ownership on the assessment rolls, the property appraiser must not use Form DR-430 as a substitute for a deed or other instrument of title in the public records.

12D-8.0068 Reduction in Assessment for Living Quarters of Parents or Grandparents.

(1)(a) In accordance with Section 193.703, F.S., and s. 4(e), Art. VII of the State Constitution, the board of county commissioners of any county may adopt an ordinance to provide for a reduction in the assessed value of homestead property equal to any increase in assessed value of the property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive parents or grandparents of the owner of the property or of the owner's spouse if at least one of the parents or grandparents for whom the living quarters are provided is at least 62 years of age. The board of county commissioners shall deliver a copy of any ordinance adopted under Section 193.703, F.S., to the property appraiser.

(b) The reduction in assessed value resulting from an ordinance adopted pursuant to Section 193.703, F.S., shall be applicable to the property tax levies of all taxing authorities levying tax within the county.

(2) A reduction may be granted under subsection (1) only to the owner of homestead property where the construction or reconstruction is consistent with local land development regulations, including, where applicable, proper application for a building permit.

(3) In order to qualify for the assessment reduction pursuant to this section, property must meet the following requirements:

(a) The construction or reconstruction for which the assessment reduction is granted must have been substantially completed on or before the January 1 on which the assessment reduction for that property will first be applied.

(b) The property to which the assessment reduction applies must qualify for a homestead exemption at the time the construction or reconstruction is substantially complete and each year thereafter.
(c) The qualified parent or grandparent must permanently reside on the property on January 1 of the year the assessment reduction first applies and each year thereafter.

(d) The construction or reconstruction must have been substantially completed after January 7, 2003, the effective date of Section 193.703, F.S.

(4)(a) The term “qualified parent or grandparent” means the parent or grandparent residing in the living quarters, as their primary residence, constructed or reconstructed on property qualifying for assessment reduction pursuant to Section 193.703, F.S., on January 1 of the year the assessment reduction first applies and each year thereafter. Such parent or grandparent must be the natural or adoptive parent or grandparent of the owner, or the owner’s spouse, of the homestead property on which the construction or reconstruction occurred.

(b) “Primary residence” shall mean that the parent or grandparent does not claim a homestead exemption elsewhere in Florida. Such parent or grandparent cannot qualify as a permanent resident for purposes of being granted a homestead exemption or tax credit on any other property, whether in Florida or in another state. If such parent or grandparent receives or claims the benefit of an ad valorem tax exemption or a tax credit elsewhere in Florida or in another state where permanent residency is required as a basis for the granting of that ad valorem tax exemption or tax credit, such parent or grandparent is not a qualified parent or grandparent under this subsection and the owner is not entitled to the reduction for living quarters provided by this section.

(c) At least one qualifying parent or grandparent must be at least 62 years of age.

(d) In determining that the parent or grandparent is the natural or adoptive parent or grandparent of the owner or the owner’s spouse and that the age requirements are met, the property appraiser shall rely on an application by the property owner and such other information as the property appraiser determines is relevant.

(5) Construction or reconstruction qualifying as providing living quarters pursuant to this section is limited to additions and renovations made for the purpose of allowing qualified parents or grandparents to permanently reside on the property. Such additions or renovations may include the construction of a separate building on the same parcel or may be an addition to or renovation of the existing structure. Construction or reconstruction shall be considered as being for the purpose of providing living quarters for parents or grandparents if it is directly related to providing the amenities necessary for the parent or grandparent to reside on the same property with their child or grandchild. In making this determination, the property appraiser shall rely on an application by the property owner and such other information as the property appraiser determines is relevant.

(6)(a) On the first January 1 on which the construction or reconstruction qualifying as providing living quarters is substantially complete, the property appraiser shall determine the increase in the just value of the property due to such construction or reconstruction. For that year and each year thereafter in which the property qualifies for the assessment reduction, the assessed value calculated pursuant to Section 193.155, F.S., shall be reduced by the amount so determined. In no year may the assessment reduction, inclusive and aggregate of all qualifying parents or grandparents, exceed twenty percent of the total assessed value of the property as improved prior to the assessment reduction being taken. If in any year the reduction as calculated pursuant to this subsection exceeds twenty percent of assessed value, the reduction shall be reduced to equal twenty percent.

(b) Construction or reconstruction can qualify under paragraph (4)(a) in a later year, as long as the owner makes an application for the January 1 on which a qualifying parent or grandparent
meets the requirements of paragraph (4)(b). The owner must certify in such application as to the date the construction or reconstruction was substantially complete and that it was for the purpose of providing living quarters for one or more natural or adoptive parents or grandparents of the owner of the property or of the owner’s spouse as described in paragraph (1)(a). In such case, the property appraiser shall determine the increase in the just value of the property due to such construction or reconstruction as of the first January 1 on which it was substantially complete. However, no reduction shall be granted in any year until a qualifying parent or grandparent meets the requirements of paragraph (4)(b).

(7) Further construction or reconstruction to the same property meeting the requirements of subsection (5) for the qualified parent or grandparent residing primarily on the property may also receive an assessment reduction pursuant to this section. Construction or reconstruction for another qualified parent or grandparent may also receive an assessment reduction. The assessment reduction for such construction or reconstruction shall be calculated pursuant to this section for the first January 1 after such construction or reconstruction is substantially complete. However, in no year may the total of all applicable assessment reductions exceed twenty percent of the assessed value of the property.

(8) The assessment reduction shall apply only while the qualified parent or grandparent continues to reside primarily on the property and all other requirements of this section are met. The provisions of subsections (1), (5), (6), (7) and (8) of Section 196.011, F.S., governing applications for exemption are applicable to the granting of an assessment reduction. The property owner must apply for the assessment reduction annually.

(9) The amount of the assessment reduction under Section 193.703, F.S., shall be placed on the roll after a change in ownership, when the property is no longer homestead, or when the parent or grandparent discontinues residing on the property.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 193.703, 196.011, 213.05 FS. History–New 1-26-04.

12D-8.007 Preparation of Assessment Rolls.

(1) Each property appraiser shall prepare the following assessment rolls:

(a) Real property assessment roll;

(b) Tangible personal property assessment roll; this roll shall include all locally assessed taxable tangible personal property; and

(c) Centrally assessed property assessment roll.

(2) Each of the assessment rolls shall include:

(a) The owner or fiduciary responsible for payment of taxes on the property, his or her address including postal zip code, and an indication of the fiduciary capacity (such as executor, administrator, trustee, etc.), as appropriate. The assessment roll for real property shall include the social security number of the applicant receiving an exemption under Sections 196.031, 196.081, 196.091, 196.101 or 196.202, F.S., and of the applicant’s spouse, if any, when such social security number is required by Section 196.011, F.S. and subsection 12D-7.001(4), F.A.C. The social security numbers received by property appraisers on applications for property tax exemption are confidential. Copies of all documents, containing the social security numbers so received, furnished by the property appraiser to anyone, must exclude the social security numbers, except for copies furnished to the Department of Revenue.

(b) The just value of all property determined under these rules and Section 193.011, F.S., shall be entered on the assessment roll form and properly identified as such by placement under
the proper column heading on the assessment roll form or by words, abbreviations, code symbols or figures set opposite.

(c) When property is wholly or partially exempt (which for the purpose of this rule shall include immune as well as exempt property) from taxation, the appraiser shall enter on the assessment roll the amount of the exemption so as to be able to determine, by category, the total amount of exempt property on the roll. The categories may be indicated by words, abbreviations, code symbols or figures. Two or more categories of exemption may be included under one entry so long as such inclusion is clearly indicated and identified, and so long as the separate dollar amounts applicable to each exemption are clearly discernable.

(d) The assessment roll shall identify the taxable value of the property being assessed. The taxable value is the value remaining and upon which the tax is actually calculated after allowance of all lawful exemptions, either from the assessed value or the classified use value, as is appropriate. The taxable value shall be entered on the assessment roll form and properly identified as such by placement under the proper column heading on the assessment roll. The taxable value may be identified by words, abbreviations, code symbols or figures placed in a properly identified column on the assessment roll. In the event that various millages applying to different taxable values are levied against a parcel, each taxable value shall be shown.

(e) The millage levied against the property shall be indicated on the roll. The individual millages levied on the property, by each taxing authority in which the property is located, may be shown or the total aggregate millage of all such taxing authorities may be shown or expressed by code or symbols provided an explanation of the code or symbols is attached to the roll and a copy thereof included in each segment or column of the roll contained in a binder, provided that each of the combined millages applies to the same taxable value.

(f) The appraiser shall extend the assessment roll by converting the millage to a decimal number (1 mill = .001 dollars) and then multiplying by the taxable value (as defined in paragraph (d) above) to determine the tax on such property. The appraiser may, in extending the roll, make such entries as to class, location, or otherwise as is appropriate or convenient for administration so long as the requirements of paragraph (g) are met.

(g) The amount of the aggregate taxes levied on the property shall be shown on the assessment roll expressed in figures representing dollars and cents. The appraiser may include on the assessment roll such other information or breakdown of the amounts of taxes levied by class, location, or otherwise as is convenient for administration.

(3) The requirements set forth in this rule are the minimum requirements only and nothing contained herein shall be construed to prohibit or restrict the appraiser in including additional information or further subdividing categories of exemptions or expressing millage levies or amounts of tax in a more detailed manner so long as the minimum requirements are met.

12D-8.008 Additional Requirements for Preparation of the Real Property Roll.

(1) In addition to the requirements of Rule 12D-8.007, F.A.C., the Real Property Roll for each county shall include a description of the property assessed or a cross-reference to the description which shall be accurate and certain enough to give to the taxpayer the necessary notice of the tax assessed against the particular piece of property; the description so cross-referenced shall afford an adequate conveyance to the purchaser at a sale of the property for satisfaction of a lien originating in the non-payment of the tax. The Official Record Book and
Chapter 12D-8 Rev. 10-1-2015

Page number of the conveyance upon which the owner of record’s title is based shall also be shown, provided such information has been gathered pursuant to paragraph 12D-8.011(1)(m), F.A.C.

(a) All descriptions of real property shall be based upon reference to the government grid system survey (Section, Township, Range) in general use in this state, provided:

1. Where real property has been subdivided into lots according to a map or plat duly recorded in the office of the Clerk of Circuit Court of the county in which the lands are located, or is a condominium or co-operative apartment, the description of real property shall, in addition to Section, Township, Range, be based upon reference to such map or plat. (Crawford v. Rehwinkel, 163 So. 851 (Fla. 1935))

2. For Spanish Grants or donations which have not been surveyed and platted, or where if platted, the plat is not recorded in the office of the Clerk of the Circuit Court, the description of real property may also include a reference to deed of record, giving the book and page as it appears in the office of the Clerk of the Circuit Court.

(b) Metes and bounds descriptions making reference to the government survey for determination of the point of beginning and closing of such description are considered for the purposes of this rule to be based upon the government survey.

(c) Abbreviations and figures may be used in descriptions if they are of general use and acceptance, not misleading, and indicate with certainty the thing intended.

(d) For the purposes of uniformity, if and when the following abbreviations and figures are used, they shall have the following meaning.

(e) A unique parcel number derived from a parcel numbering system applied uniformly throughout the county.
(f) When a code or reference number system is used for describing property, an explanation of how to read the code or reference number system (referred to as a “key”) shall be made available.

(g) For the purpose of accounting for all real property within the county, the property appraiser shall list all centrally assessed real property in its proper place on the Real Property Roll as required by this rule with the notation “See Centrally Assessed Property Roll”, but no tax shall be extended against same, and the value of such property need not be shown. Provided, however, when the legal description for railroad right-of-way is not furnished by the Department or is not otherwise available, such property need not be listed on the real property roll. All tabulations of value, parcels, etc., for the Real Property Roll shall not include centrally assessed property. Taxes shall be extended against centrally assessed real property, centrally assessed tangible personal property, and centrally assessed inventory listed on the Centrally Assessed Tangible Personal Property Roll and inventory shall not be listed on the Tangible Personal Property Assessment Roll.

2. When property is classified (lands classified agricultural for ad valorem tax purposes; outdoor recreational and park land) so that its taxable value is determined on a basis other than under Section 193.011, F.S., the value according to its classified use, less any exemptions allowed, shall be its value for tax purposes. In addition to its value determined under Section 193.011, F.S., the value of the property according to its classified use shall be entered on the assessment roll either under the appropriate column heading (e.g., Classified Use Value) or with proper identifying words, abbreviations, code symbols, or figures set opposite it. In either case a notation shall be made identifying the classified use value as agricultural (e.g., “A”), park or outdoor recreational land (e.g., “PR.”).

(h) When more than one listing is required to be made on the same property (as in the case of a taxable possessory interest in property which is otherwise exempt or immune, and mineral, oil, gas and other subsurface rights in or to real property which have been separated from the fee) the appraiser shall, immediately following the entry listing the record title owner or the record title owner of the surface fee, as the case may be, make a separate entry or entries on the assessment roll, indicating the assessment of the taxable possessory interest or the assessment of the mineral, oil, gas and other subsurface rights in or to real property which have been separated from the fee.

(2) Classification of Property.

(a) The appraiser shall classify each parcel of real property to indicate the use of the land as arrived at by the appraiser for valuation purposes and indicate the same on the assessment roll according to the codes listed below. This use will not always be the use for which the property is zoned or the use for which the improvements were designed whenever there is, in the appraiser’s judgment, a higher and better use for the land. When more than one land use code is applicable to a parcel, the appraiser may list either multiple land use codes with an indication of the portion of total property ascribed to each use, or a single code indicating the primary and predominant use. If multiple codes are listed, the code shown first shall represent the primary and predominant use. For land classified “agricultural”, the primary and predominant use shall mean the use code representing the most acreage. For example, if the use of 100 acres contains 40 acres of cropland (code 52), 30 acres of timberland (code 54), 15 acres of grazing land (code 61), and 15 acres of citrus groves (code 66), the first two-digit code in the “land use” field in the Name – Address – Legal (N.A.L.) file should be “52”; the next part of that field could be coded “54” or “61” or “66” based upon a method consistently used by the property appraiser. Taxable possessory interests shall be classified as code 90 or 93 as appropriate.
(b) Real property shall be classified based on ten major groups. The classification “residential” shall be subclassified into two categories – homestead and non-homestead property. The major groups are:

1. Residential:
   a. Homestead;
   b. Non-homestead.
2. Commercial and Industrial.
3. Agricultural.
4. Exempt, wholly or partially.
5. Leasehold Interest (Government owned).
6. Other.
7. Centrally Assessed.
10. High-water recharge.

(c) Following is a detailed list of the classifications and subclassifications which shall be used, and the numeric code designation for each. The description beside the code number defines the category of property and illustrates the uses of property to be included. Upon request, the Department of Revenue will advise the appraiser of the classification under which specific uses not listed below should be placed. The appraiser may divide any of the 100 listed categories (except for undefined code numbers which are reserved for future definition by the Department of Revenue into finer categories as long as the definition of the herein listed categories is not expanded. The code numbers for finer categories shall consist of the four digits defined herein.

12D-8.009 Additional Requirements for Preparation of Tangible Personal Property Assessment Roll.
(1) The appraiser shall include on the roll a code reference to the tax return showing the property, and need not give a description of such property on the roll. The account number may be adopted as the code to indicate the reference to the return, provided the property appraiser places the account number on the return.
(2) Classification of property by class type.
(a) The property appraiser shall classify tangible personal property to convey the actual current use of the property and indicate the same on the assessment roll. Where property has more than one use, it shall be classified under the category which represents its primary and predominant use. It is the primary and predominant use that will govern the classification. Possessory interests shall be classified according to the use of the property by the possessor.
(b) The classification shall be based upon six primary groupings of the major use type categories, with sub-classifications of the primary groupings of the major use type categories. The primary groupings of major uses are:

1. Retail.
2. Wholesale.
4. Leasing/Rental.
5. Services.
6. Special.

(c) The following is a detailed explanation of the minimum use type classifications for tangible personal property and a numeric code designation for each. The classifications are based on classification codes as set forth in the Standard Industrial Classification Manual, 1987, as published by the Office of Management and Budget, Executive Office of the President, and, as such, the code numbers may be out of sequence. It is recommended the user refer to the Standard Industrial Classification Manual, 1987, for detailed description of property use. This listing is intended to facilitate the determination of classification, particularly in special and questionable kinds of property and is not intended to list every possible use which might occur in the state. Upon request, the Department of Revenue will inform the appraiser of the classification under which specific property uses not listed below should be placed.

The NAICS classification system will replace the 1987 Standard Industrial Classification (SIC) codes currently described within this rule. Effective January 1, 2002, the Department of Revenue will not accept assessment rolls which classify personal property using either the class code system defined in Rule 12D-8.009, F.A.C., as amended on September 30, 1982, or with SIC codes currently identified in this rule. Information on how to obtain any documents described within this rule may be obtained from the Property Tax Oversight Program, Florida Department of Revenue, (850) 717-6570.

(b) The NAICS classification system, a 5-digit and/or 6-digit classification system, is to be used in Field Number 6 of the STANDARD N.A.P. File described in paragraph 12D-8.013(6)(c), F.A.C. Conversion from existing classification systems may be completed prior to the conversion deadline. Assessment rolls submitted prior to full conversion to the NAICS system may contain classification systems which use any of the three aforementioned classification systems. Upon submission of the first assessment roll containing other than the class code classification system, the Department must be notified in writing of the conversion methods used.
on the assessment roll. Field Number 5 should be completed with an alphabetic character indicating the coding system used for the assessment roll. If reporting by original class codes in Field Number 6, enter code “C” in Field Number 5. If reporting the SIC codes in Field Number 6, enter code “S” in Field Number 5. If reporting the NAICS code in Field Number 6, enter code “N” in Field Number 5.

(c) To facilitate Florida-specific property tax administrative needs, the Department of Revenue recommends the following special code numbers, not currently contained within the NAICS system:

12D-8.020 Approval of Assessment Rolls by the Department of Revenue.

(1) Upon receiving the assessment rolls, the Executive Director shall review the assessment rolls to determine if the rolls are indicative of just value of the property described therein. Review will in particular cover the following:

(a) Total value of the assessment roll, the overall percentage change in the rolls from the preceding year to the present year, and a projection of the overall level of assessment for real property.
(b) Ratio of assessments to full value of a sufficient number of classes of property for the Department to make a determination that the roll, as a whole, reflects assessments in substantial compliance with law, that values in each class reflect assessments in substantial compliance with law, and that assessments are equalized both within and between classes.

(c) Compliance with administrative orders issued pursuant to Section 195.097, F.S.

(d) Whether the assessment rolls are in the form required by the statutes and rules, including such items as whether the owner’s name and address are shown for each parcel, whether the property description is adequate for purposes of location, whether market areas are included, whether the property is exempt in whole or part, whether use values for property classified as agricultural, high-water recharge, etc., are shown, and the like.

(e) Whether the exemptions granted by the property appraiser are all properly documented and made in conformance with the law.

(f) Whether the property appraiser’s practices and procedures are likely to result in a roll expressing just value with equity between properties within the class and between the classes.

(2) In addition, the Executive Director may consider any other available and relevant information in determining whether an assessment roll should be approved or disapproved.

(3) The Executive Director, upon finding that the property appraiser has failed to prepare an assessment roll in the manner and form prescribed by law and these rules, or has not complied with an administrative order issued pursuant to Section 195.097, F.S., shall disapprove the roll in whole or in part, as appropriate, and return the same to the appraiser with a statement as to the reason for disapproval and directing that the assessment roll be amended, corrected or prepared anew within a designated time.

(4) The following are examples of failures to prepare the roll in the form prescribed by law and these rules. These examples are included for illustration only and are not restrictive of others.

(a) Failure to include proper descriptions of real property parcels on a real property assessment roll;

(b) Failure to show the just value of all property on the roll;

(c) Failure to show a proper categorization of exemptions on the roll;

(d) Failure to show both the just value and classified use value of property classified so that its assessed value for tax purposes is not determined under Section 193.011, F.S.

(e) Failure to properly identify the property according to the proper use type code as required under paragraph 12D-8.008(2)(c), F.A.C., for real property and paragraph 12D-8.009(2)(c), F.A.C., for tangible personal property;

(f) Failure to include on the tangible personal property assessment roll a code reference to the tax return identifying the property; and

(g) Failure to otherwise prepare the assessment rolls as provided by these rules and the statutes.

(5)(a) The Executive Director, or his or her designee, shall have 50 days from the date a complete submission of the roll is received by the Department in which to examine any assessment roll submitted for approval, to make a determination on the same, and mail or otherwise transmit notice to the property appraiser of the determination. Provided, however, in those counties in which a review notice is issued by the Department, the Executive Director, or his or her designee, shall have 60 days from the date of issuance of the notice to make said determination. The Department will issue a review notice only within 30 days of complete submission of the roll. A complete submission of the rolls is defined in Section 192.001(18), F.S.
(b) The Executive Director, or his or her designee, shall notify the property appraiser of incomplete submission within 10 days after receipt thereof.

(c) The review notice shall, when issued to a county property appraiser by the Department, specify the remedial requirements for roll approval and the schedule for compliance and resubmission.

(d) Any determination other than approval of an assessment roll, shall be either by personal delivery, in which case the property appraiser shall give a receipt for the same; by U.S. mail, return receipt requested; by telegram; or by facsimile transmission (FAX). Provided, however, the Executive Director, or his or her designee, shall not act upon any single assessment roll or part of an assessment roll until all information properly requested and relevant to the approval process of that roll shall be submitted by the property appraiser, and a reasonable time is allowed for its review.

(e) In no event shall a formal determination by the Department be made later than 90 days after the first complete submission of the rolls by the county property appraiser.

**12D-8.021 Procedure for the Correction of Errors by Property Appraisers.**

(1) This rule shall apply to errors made by property appraisers in the assessment of taxes on both real and personal property.

(2) For every change made to an assessment roll subsequent to certification of that roll to the tax collector pursuant to Section 193.122, F.S., the property appraiser shall complete a Form DR-409, Certificate of Correction of the Tax Roll. No property appraiser shall issue a Certificate of Correction except for a reason permitted by this rule section.

(a) The following errors shall be subject to correction:

1. The failure to allow an exemption for which an application has been filed and timely granted pursuant to the Florida Statutes.
2. Exemptions granted in error.
3. Typographical errors or printing errors in the legal description, name and address of the owner of record.
4. Error in extending the amount of taxes due.
5. Taxes omitted from the tax roll in error.
7. Errors in classification of property.
8. Clerical errors.
9. Changes in value due to clerical or administrative type errors.
10. Erroneous or incomplete personal property assessments.
11. Taxes paid in error.
12. Any error of omission or commission which results in an overpayment of taxes, including clerical error.
13. Tax certificates that have been corrected when the correction requires that the tax certificate be reduced in value due to some error of the property appraiser, tax collector, their deputies or other county officials.
15. Void tax deeds.
16. Void or redeemed tax deed applications.
17. Incorrect computation or measurement of acreage or square feet resulting in payment
where no tax is due or underpayment.
18. Assessed nonexistent property.
19. Double assessment or payment.
20. Government owned exempt or immune property.
21. Government obtained property after January 1, for which proration is entitled under
subsections 196.295(1) and (2), F.S., and partial refund due.
22. Erroneous listing of ownership of property, including common elements.
23. Destruction or damage of residential property caused by tornado, for which application
for abatement of ad valorem taxes levied for the 1998 tax year is timely filed as provided in
Chapter 98-185, Laws of Florida.
24. Material mistake of fact as described in Section 197.122, F.S., which is discovered within
one (1) year of the approval of the tax rolls under Section 193.1142, F.S. The one (1) year period
shall expire herein, regardless of the day of the week on which the end of the period falls. A
refund resulting from a correction due to a material mistake of fact corrected within the one-year
period may be sent to the Department for approval. Alternatively, the property appraiser has the
option to issue a refund order directly to the tax collector. The option chosen must be exercised
by plainly so indicating in the space provided on Form DR-409.
25. Errors in assessment of homestead property corrected pursuant to Section 193.155(8),
F.S.
26. Granting a religious exemption where the applicant has applied for, and is entitled to, the
exemption but did not timely file the application and, due to a misidentification of property
ownership on the tax roll, the property appraiser and tax collector had not notified the applicant
of the tax obligation. This subparagraph shall apply to tax years 1992 and later.
(b) The correction of errors shall not be limited to the preceding examples, but shall apply to
any errors of omission or commission that may be subsequently found.
(c) Where the property appraiser agrees with the value adjustment board, it shall not be
necessary for him to file a certificate of correction for a proper final value adjustment board
reduction in assessed or taxable value for that tax year. The value adjustment board may not
correct assessments from previous years, however, and the property appraiser may issue a
certificate of correction as provided in this rule section.
(d) The following is a list of circumstances which involve changes in the judgment of the
property appraiser and which, therefore, shall not be subject to correction or revision, except for
corrections made within the one-year period described in subparagraph (2)(a)24. of this rule
section. The term “judgment” as used in this rule section, shall mean the opinion of value,
arrived at by the property appraiser based on the presumed consideration of the factors in Section
193.011, F.S., or the conclusion arrived at with regard to exemptions and determination that
property either factually qualifies or factually does not qualify for the exemption. It includes
exercise of sound discretion, for which another agency or court may not legally substitute its
judgment, within the bounds of that discretion, and not void, and other than a ministerial act. The
following is not an all inclusive list.
1. Change in mobile home classification not in compliance with attorney general opinion 74-
150.
2. Extra depreciation requested.
3. Incorrect determination of zoning, land use or environmental regulations or restrictions.
4. Incorrect determination of type of construction or materials.
5. Any error of judgment in land or improvement valuation.
6. Any other change or error in judgment, including ordinary negligence which would require the exercise of appraisal judgment to determine the effect of the change on the value of the property or improvement.
7. Granting or removing an exemption, or the amount of an exemption.
8. Reconsideration of determining that improvements are substantially complete.
9. Reconsideration of assessing an encumbrance or restriction, such as an easement.

(3)(a) Correction of the tax roll shall be made by delivering to the tax collector the following items, if applicable.
1. Copy of the Certificate of Correction, Form DR-409, or in the case of non-ad valorem assessments, Form DR-409A,
2. Copy of value adjustment board order, final and not subject to appeal,
3. Homestead, charitable, religious, widow/widower or disabled exemption, or agricultural or high-water recharge classification, application, renewal, and
   a. Proof of filing on or before March 1, or
   b. Proof of postal error in the form of written evidence by the U.S. Postal Service of its error, within subsections 196.011(8) and (9), F.S. Property appraisers shall provide documentation of these items.
4. Evidence of removal or permanent affixation of mobile home prior to January 1.
5. Copy of demolition permit.
6. Proof that error is a disregard for existing facts.
7. Proof of destruction of improvement or structure as provided in Section 196.295, F.S.
8. Property appraiser’s written statement of good cause for waiver of penalty as provided in subsections 12D-8.005(5) and (6), F.A.C.

(b) If the taxpayer is making a claim for refund, the property appraiser shall be responsible for items (3)(a)1. through 8. of this rule section if applicable and any other necessary proof to establish the claim.

(4) The payment of taxes shall not be excused because of any act of omission or commission on the part of any property appraiser, tax collector, value adjustment board, board of county commissioners, clerk of the circuit court, or newspaper in which an advertisement may be published. Any error or any act of omission or commission may be corrected at any time by the party responsible. The party discovering the error shall notify the person who made the error and the person who made the error shall make such corrections immediately. If the person who made the error refuses to act, for any reason, then subject to the limitations in this rule section, the person discovering the error shall make the correction. Corrections should be considered as valid from the date of the first act or omission and shall not affect the collection of tax.

(5) Property appraisers may correct errors made by themselves or their deputies in the preparation of the tax roll, whether said roll is in their possession, in the possession of the tax collector, or in the possession of the clerk of the court.

(6) If the tax collector refuses or does not elect to correct the errors, then the property appraiser shall correct the errors. When the corrections are made by the property appraiser, he shall at the same time give to the tax collector a copy of the Certificate of Correction to be filed by the tax collector.

(7) Except when a property owner consents to an increase, as provided in paragraph (10)(a), the correction of any error that will increase the assessed valuation, and subsequently the taxes,
shall be presented to the property owner with a notice of proposed property taxes mailed or
delivered to the property owner, which includes notice of the right of the property owner to
petition the value adjustment board. Any error that will increase the assessed valuation and taxes
shall be certified by the official correcting the error.

(8) The value adjustment board shall convene at such time as is necessary to consider
changes in valuation submitted by the property appraiser. The property appraiser shall prepare all
Certificates of Correction for the value adjustment board. However, this shall not restrict the tax
collector, clerk of the court, or any other interested party from reporting errors to the value
adjustment board.

(9) The property appraiser shall notify the property owner of the increase in the assessed
valuation. The notice to the property owner by the property appraiser shall state that the property
owner shall have the right to present a petition to the value adjustment board relative to the
correction, except when the property appraiser has served a notice of intent to record a lien when
property has improperly received homestead exemption.

(10) If the value adjustment board has adjourned, the property owner shall be afforded the
following options when an error has been made which, when corrected, will have the effect of
increasing the assessed valuation and subsequently the taxes. The options are:

(a) The property owner by waiver may consent to the increase in assessed valuation and
subsequently the taxes by stating that he does not desire to present a petition to the value
adjustment board and that he desires to pay the taxes on the current tax roll. If the property
owner makes such a waiver, the property appraiser shall advise the tax collector who shall
proceed under subsection 12D-13.006(6), F.A.C.

(b) The property owner may refuse to waive the right to petition the value adjustment board
at which time the property appraiser shall notify the proper owner and tax collector that the
correction shall be placed on the current year’s tax roll and also at such time as the subsequent
year’s tax roll is prepared, the property owner shall have the right to file a petition contesting the
corrected assessment.

(c) If the value adjustment board has adjourned for the year or the time for filing petitions has
elapsed, a back assessment shall be considered made within the calendar year if, prior to the end
of the calendar year, a signed Form DR-409, Certificate of Correction (incorporated by reference
in Rule 12D-16.002, F.A.C.) or a supplemental assessment roll is tendered to the tax collector
and a notice of proposed property taxes with notice of the right to petition the next scheduled
value adjustment board is mailed or delivered to the property owner.

(11) Double Assessments. When a tax collector informs a property appraiser pursuant to
subsection 12D-13.006(9), F.A.C., that any property has been assessed more than once, the
property appraiser shall search the official records of the county to determine the correct property
owner and the correct assessment. The property appraiser shall then certify to the tax collector
the assessment which is correct and, provided the taxes have not been paid, the proper amount of
tax due and payable.

(d) The right to state on the petition the approximate time anticipated by the taxpayer to present and argue his or her petition before the board;

(2) The property appraiser or a member of his or her staff shall confer with the taxpayer regarding the correctness of the assessment.
(3) At the conference, the taxpayer shall present facts that he or she considers supportive of changing the assessment and the property appraiser or his or her representative shall present facts that the property appraiser considers to be supportive of the assessment.
(4) The request for an informal conference is not a prerequisite to administrative or judicial review of property assessments. (2)(a) Value adjustment boards may have additional internal operating procedures, not rules, that do not conflict with, change, expand, suspend, or negate the rules adopted in this rule chapter or other provisions of law, and only to the extent indispensable for the efficient operation
of the value adjustment board process. The board may publish fee schedules adopted by the board.

(b) These internal operating procedures may include methods for creating the verbatim record, provisions for parking by participants, assignment of hearing rooms, compliance with the Americans with Disabilities Act, and other ministerial type procedures.

(c) The board shall not provide notices or establish a local procedure instructing petitioners to contact the property appraiser’s or tax collector’s office or any other agency with questions about board hearings or procedures. The board, board legal counsel, board clerk, special magistrate or other board representative shall not otherwise enlist the property appraiser’s or tax collector’s office to perform administrative duties for the board. Personnel performing any of the board’s duties shall be independent of the property appraiser’s and tax collector’s office. This section shall not prevent the board clerk or personnel performing board duties from referring petitioners to the property appraiser or tax collector for issues within the responsibility of the property appraiser or tax collector. This section shall not prevent the property appraiser from providing data to assist the board clerk with the notice of tax impact.

(3) The board must ensure that all board meetings are duly noticed under Section 286.011, F.S., and are held in accordance with the law.

(4) Other duties of value adjustment boards are set forth in other areas of Florida law. Value adjustment boards shall perform all duties required by law and shall abide by all limitations on their authority as provided by law.

(5) Failure on three occasions with respect to any single tax year for the board to convene at the scheduled time of meetings of the board shall constitute grounds for removal from office by the Governor for neglect of duties.

12D-9.006 Clerk of the Value Adjustment Board.

(1) The clerk of the governing body of the county shall be the clerk of the value adjustment board.

(2) The board clerk may delegate the day to day responsibilities for the board to a member of his or her staff, but is ultimately responsible for the operation of the board.

(1) It is the board clerk’s responsibility to verify through board legal counsel that the value adjustment board meets all of the requirements for the organizational meeting before the board or special magistrates hold hearings. If the board clerk determines that any of the requirements were not met, he or she shall contact the board legal counsel or the chair of the board regarding such deficiencies and cancel any scheduled hearings until such time as the requirements are met.

(2) The board clerk shall make petition forms available to the public upon request.

(3) The board clerk shall receive and acknowledge completed petitions and promptly furnish a copy of all completed and timely filed petitions to the property appraiser or tax collector. Alternatively, the property appraiser or the tax collector may obtain the relevant information from the board clerk electronically.
(4) The board clerk shall prepare a schedule of appearances before the board based on petitions timely filed with him or her. If the petitioner has indicated on the petition an estimate of the amount of time he or she will need to present and argue the petition, the board clerk must take this estimate into consideration when scheduling the hearing.

(5) No less than 25 calendar days prior to the day of the petitioner’s scheduled appearance before the board, the board clerk must notify the petitioner of the date and time scheduled for the appearance. The board clerk shall simultaneously notify the property appraiser or tax collector. If, on the taxpayer’s petition, he or she requests a copy of the property record card, the board clerk shall obtain a copy of the property record card from the property appraiser and provide it to the petitioner no later than with the notice of the scheduled time of his or her appearance.

(6) If an incomplete petition, which includes a petition not accompanied by the required filing fee, is received within the time required, the board clerk shall notify the petitioner and give the petitioner an opportunity to complete the petition within 10 calendar days from the date notification is mailed. Such petition shall be timely if completed and filed, including payment of the fee if previously unpaid within the time frame provided in the board clerk’s notice of incomplete petition.

(7) In counties with a population of more than 75,000, the board clerk shall provide notification annually to qualified individuals or their professional associations of opportunities to serve as special magistrates.

(8) The board clerk shall ensure public notice of and access to all hearings. Such notice shall contain a general description of the locations, dates, and times hearings are being scheduled. This notice requirement may be satisfied by making such notice available on the board clerk’s website. Hearings must be conducted in facilities that are clearly identified for such purpose and are freely accessible to the public while hearings are being conducted. The board clerk shall assure proper signage to identify such facilities.

(9) The board clerk shall schedule hearings to allow sufficient time for evidence to be presented and considered and to allow for hearings to begin at their scheduled time. The board clerk shall advise the chair of the board if the board’s tentative schedule for holding hearings is insufficient to allow for proper scheduling.

(10) The board clerk shall timely notify the petitioner by first class mail of the decisions of the board so that such decisions shall be issued within 20 calendar days of the last day the board is in session pursuant to Section 194.032, F.S., and shall otherwise notify the property appraiser or tax collector of such decision. In counties using special magistrates, the board clerk shall also make available to both parties as soon as practicable a copy of the recommended decision of the special magistrate by mail or electronic means. No party shall have access to decisions prior to any other party.

(11) After the value adjustment board has decided all petitions, complaints, appeals and disputes, the board clerk shall make public notice of the findings and results of the board in the manner prescribed in Section 194.037, F.S., and by the department.

(12) The board clerk is the official record keeper for the board and shall maintain a record of the proceedings which shall consist of:
   (a) All filed documents;
   (b) A verbatim record of any hearing;
   (c) All tangible exhibits and documentary evidence presented;
   (d) Any meeting minutes; and
(e) Any other documents or materials presented on the record by the parties or by the board or special magistrate.

The record shall be maintained for four years after the final decision has been rendered by the board, if no appeal is filed in circuit court or for five years if an appeal is filed, or, if requested by one of the parties, until the final disposition of any subsequent judicial proceeding relating to the property.

(13) The board clerk shall make available to the public copies of all additional internal operating procedures and forms of the board or special magistrates described in Rule 12D-9.005, F.A.C., and shall post any such procedures and forms on the board clerk’s website, if any. Making materials available on a website is sufficient; however, provisions shall be made for persons that have hardship. Such materials shall be consistent with Department rules and forms.

(14) The board clerk shall provide notification of appeals or value adjustment board petitions taken with respect to property located within a municipality to the chief executive officer of each municipality as provided in Section 193.116, F.S. The board clerk shall also publish any notice required by Section 196.194, F.S.

(b) No filing fee shall be required with respect to an appeal from the disapproval of a timely filed application for homestead exemption or from the denial of a tax deferral.

(c) For joint petitions filed pursuant to Section 194.011(3)(e) or (f), F.S., a single filing fee shall be charged. Such fee shall be calculated as the cost of the time required for the special magistrate in hearing the joint petition and shall not exceed $5 per parcel, for each additional parcel included in the petition, in addition to any filing fee for the petition. Said fee is to be proportionately paid by affected parcel owners.

Such completed petition shall be timely if completed and filed within the time frame provided in the board clerk’s notice.

(b) A “completed” petition is one that provides information for all the required elements that are displayed on the department’s form, and is accompanied by the appropriate filing fee if required.

(c) The board clerk shall rely on the licensure information provided by a licensed agent, or written authorization provided by an unlicensed agent, in accepting the petition.

(10) Timely Filing of Petitions. Petitions related to valuation issues may be filed, and must be accepted by the board clerk, at any time during the taxable year on or before the 25th day following the mailing of the notice of proposed property taxes. Other petitions may be filed as follows:

(a) With respect to issues involving the denial of an exemption on or before the 30th day following the mailing of the written notification of the denial of the exemption on or before July 1 of the year for which the application was filed;

(b) With respect to issues involving the denial of an agricultural classification application, on or before the 30th day following the mailing of the notification in writing of the denial of the agricultural classification on or before July 1 of the year for which the application was filed;

(c) With respect to issues involving the denial of a high-water recharge classification application on or before the 30th day following the mailing of the notification in writing of the denial of the high-water recharge classification on or before July 1 of the year for which the application was filed;

(d) With respect to issues involving the denial of a historic property used for commercial or certain nonprofit purposes classification application, on or before the 30th day following the mailing of the notification in writing of the denial of the classification on or before July 1 of the year for which the application was filed;

(e) With respect to issues involving the denial of a tax deferral, on or before the 30th day following the mailing of the notification in writing of the denial of the deferral application;

(f) With respect to exemption or classification claims relating to an exemption or classification that is not reflected on the notice of property taxes, including late filed exemption claims, on or before the 25th day following the mailing of the notice of proposed property taxes, or on or before the 30th day following the mailing of the written notification of the denial of the exemption or classification, whichever date is later; and
(g) With respect to penalties imposed for filing incorrect information relating to tax deferrals for homestead, for recreational and commercial working waterfronts or for affordable rental housing properties, within 30 days after the penalties are imposed.

(11) Late Filed Petitions.
(a) The board may not extend the time for filing a petition. The board is not authorized to set and publish a deadline for late filed petitions. However, the failure to meet the statutory deadline for filing a petition to the board does not prevent consideration of such a petition by the board or special magistrate when the board or board designee determines that the petitioner has demonstrated good cause justifying consideration and that the delay will not, in fact, be harmful to the performance of board functions in the taxing process. “Good cause” means the verifiable showing of extraordinary circumstances, as follows:

1. Personal, family, or business crisis or emergency at a critical time or for an extended period of time that would cause a reasonable person’s attention to be diverted from filing; or
2. Physical or mental illness, infirmity, or disability that would reasonably affect the petitioner’s ability to timely file; or
3. Miscommunication with, or misinformation received from, the board clerk, property appraiser, or their staff regarding the necessity or the proper procedure for filing that would cause a reasonable person’s attention to be diverted from timely filing; or
4. Any other cause beyond the control of the petitioner that would prevent a reasonably prudent petitioner from timely filing.

(b) The board clerk shall accept but not schedule for hearing a petition submitted to the board after the statutory deadline has expired, and shall submit the petition to the board or board designee for good cause consideration if the petition is accompanied by a written explanation for the delay in filing. Unless scheduled together or by the same notice, the decision regarding good cause for late filing of the petition must be made before a hearing is scheduled, and the parties shall be notified of such decision.

(c) The board clerk shall forward a copy of completed but untimely filed petitions to the property appraiser or tax collector at the time they are received or upon the determination of good cause.

(d) The board is authorized to, but need not, require good cause hearings before good cause determinations are made. The board or a board designee, which includes the board legal counsel or a special magistrate, shall determine whether the petitioner has demonstrated, in writing, good cause justifying consideration of the petition. If the board or a board designee determines that the petitioner has demonstrated good cause, the board clerk shall accept the petition for filing and so notify the petitioner and the property appraiser or the tax collector.

(e) If the board or a board designee determines that the petitioner has not demonstrated good cause, or if the petition is not accompanied by a written explanation for the delay in filing, the board clerk shall notify the petitioner and the property appraiser or tax collector.

(f) A person who files a petition may timely file an action in circuit court to preserve the right to proceed in circuit court. (Sections 193.155(8)(k), 194.036, 194.171(2) and 196.151, F.S.).

(12) Acknowledgement of Timely Filed Petitions. The board clerk shall accept all completed petitions, as defined by statute and subsection (2) of this rule. Upon receipt of a completed and filed petition, the board clerk shall provide to the petitioner an acknowledgment of receipt of such petition and shall provide to the property appraiser or tax collector a copy of the petition. If, in the petition, the petitioner requested a copy of the property record card, the property appraiser
shall forward a copy of the property record card to the board clerk. The board clerk shall then provide to the petitioner a copy of the property record card, along with the notice of hearing.

(13) The board clerk shall send the notice of hearing such that it will be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance. The board clerk will have prima facie complied with the requirements of this section if the notice was deposited in the U.S. mail thirty (30) days prior to the day of such scheduled appearance.

(14) Copies of the forms incorporated in Rule 12D-16.002, F.A.C., may be obtained at the Department’s Internet site: http://dor.myflorida.com/dor/property/forms/.

12D-9.016 Filing and Service.

(1) In construing these rules or any order of the board, special magistrate, or a board designee, filing shall mean received by the board clerk during open hours or by the board, special magistrate, or a board designee during a meeting or hearing.

(2)(a) Any hand-delivered or mailed document received by the office of the board clerk after close of business as determined by the board clerk shall be filed the next regular business day.

(b) If the board clerk accepts documents filed by FAX or other electronic transmission, documents received on or after 11:59:59 p.m. of the day they are due shall be filed the next regular business day.

(c) Any document that is required to be filed, served, provided or made available may be filed, served, provided or made available electronically, if the board and the board clerk make such resources available, and no party is prejudiced.

(d) Local procedure may supersede provisions regarding the number of copies that must be provided.

(3) When a party files a document with the board, other than the petition, that party shall serve copies of the document to all parties in the proceeding. When a document is filed that does not clearly indicate it has been provided to the other party, the board clerk, board legal counsel, board members and special magistrates shall inform the party of the requirement to provide to every party or shall exercise care to ensure that a copy is provided to every party, and that no ex parte communication occurs.

(4) Any party who elects to file any document by FAX or other electronic transmission shall be responsible for any delay, disruption, or interruption of the electronic signals and accepts the full risk that the document may not be properly filed with the board clerk as a result.

12D-9.017 Ex Parte Communication Prohibition.

(1)(a) No participant, including the petitioner, the property appraiser, the board clerk, the special magistrate, a member of a value adjustment board, or other person directly or indirectly interested in the proceeding, nor anyone authorized to act on behalf of any party shall communicate with a member of the board or the special magistrate regarding the issues in the
(a) A taxpayer has the right, at the taxpayer’s own expense, to be represented by an attorney or by an agent.

(2) The individual, agent, or legal entity that signs the petition becomes the agent of the taxpayer for the purpose of serving process to obtain jurisdiction over the taxpayer for the entire value adjustment board proceedings, including any appeals of a board decision by the property appraiser or tax collector.

(3) The agent need not be a licensed individual or person with specific qualifications and may be any person, including a family member, authorized by the taxpayer to represent them before the value adjustment board.

(4) A petition filed by an unlicensed agent must also be signed by the taxpayer or accompanied by a written authorization from the taxpayer.

(5) As used in this rule chapter, the term “licensed” refers to holding a license or certification under Chapter 475, Part I or Part II, F.S., being a Florida certified public accountant under Chapter 473, F.S., or membership in the Florida Bar.

(6) When duplicate petitions are filed on the same property, the board clerk shall contact the owner and all petitioners to resolve the issue.

(7) The board clerk may require the use of an agent number to facilitate scheduling of hearings as long as such use is not inconsistent with this rule.

12D-9.018 Representation of the Taxpayer.

(1) The board clerk shall prepare a schedule of appearances before the board or special magistrates based on timely filed petitions, and shall notify each petitioner of the scheduled time of appearance. The board clerk shall simultaneously notify the property appraiser or tax collector. The board clerk may electronically send this notification to the petitioner, if the petitioner indicates on his or her petition this means of communication for receiving notices, materials, and communications.
(b) When scheduling hearings, the board clerk shall consider:
1. The anticipated amount of time if indicated on the petition;
2. The experience of the petitioner;
3. The complexity of the issues or the evidence to be presented;
4. The number of petitions/parcels to be heard at a single hearing;
5. The efficiency or difficulty for the petitioner of grouping multiple hearings for a single petitioner on the same day; and
6. The likelihood of withdrawals, cancellations of hearings or failure to appear.

(c) Upon request of a party, the board clerk shall consult with the petitioner and the property appraiser or tax collector to ensure that, within the board clerk’s judgment, an adequate amount of time is provided for presenting and considering evidence.

(2) No hearing shall be scheduled related to valuation issues prior to completion by the governing body of each taxing authority of the public hearing on the tentative budget and proposed millage rate.

(3)(a) The notice of hearing before the value adjustment board shall be in writing, and shall be delivered by regular or certified U.S. mail or personal delivery, or in the manner requested by the petitioner on Form DR-486, so that the notice shall be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance. The Form DR-486 series is adopted and incorporated by reference in Rule 12D-16.002, F.A.C. The notice of hearing form shall meet the requirements of this section and shall be subject to approval by the department. The department provides Form DR-481 as a format for the form of such notice. Form DR-481 is adopted and incorporated by reference in Rule 12D-16.002, F.A.C. The notice shall include these elements:
1. The parcel number, account number or legal address of all properties being heard at the scheduled hearing;
2. The type of hearing scheduled;
3. The date and time of the scheduled hearing;
4. The time reserved, or instructions on how to obtain this information;
5. The location of the hearing, including the hearing room number if known, together with board clerk contact information including office address and telephone number, for petitioners to request assistance in finding hearing rooms;
6. Instructions on how to obtain a list of the potential special magistrates for the type of petition in question;
7. A statement of the petitioner’s right to participate in the exchange of evidence with the property appraiser;
8. A statement that the petitioner has the right to reschedule the hearing one time by making a written request to the board clerk at least five (5) calendar days before the hearing;
9. Instructions on bringing copies of evidence;
10. Any information necessary to comply with federal or state disability or accessibility acts; and
11. Information regarding where the petitioner may obtain a copy of the uniform rules of procedure.

(b) If the petitioner has requested a copy of the property record card, it shall be sent no later than the time at which the notice of hearing is sent.

(4)(a) The petitioner may reschedule the hearing without good cause one time by submitting a written request to the board clerk no fewer than five (5) calendar days before the scheduled
appearance. To calculate the five (5) days, the petitioner shall use calendar days and shall not include the day of the hearing in the calculation, and shall count backwards from the day of the hearing. The last day of the period so computed shall be included unless it is a Saturday, Sunday, or legal holiday, in which event the period shall run until the end of the next previous day which is neither a Saturday, Sunday, or legal holiday.

(b) A petitioner may request a rescheduling of a hearing for good cause by submitting a written request to the board clerk before the scheduled appearance or as soon as practicable. A rescheduling for good cause shall not be treated as the one time rescheduling to which a petitioner has a right upon timely request under Section 194.032(2), F.S. Reasons for “good cause” that a board clerk or board designee may consider in providing for a rescheduling are:

1. Petitioner is scheduled for a value adjustment board hearing for the same time in another jurisdiction;
2. Illness of the petitioner or a family member;
3. Death of a family member;
4. The taxpayer’s hearing does not begin within a reasonable time of their scheduled hearing time;
5. Other reasons beyond the control of the petitioner.

(c) The property appraiser or tax collector may submit a written request to the board clerk to reschedule the hearing, and must provide a copy of the request to the petitioner. If there is a conflict, such as the attorney or staff needs to attend two different hearings which are scheduled at the same time, the property appraiser or tax collector may request a reschedule.

(5) A request to reschedule the hearing made by the petitioner fewer than five calendar days before the scheduled hearing may be made only for an emergency when good cause is shown. Such a request shall be made to the board clerk who shall forward the request to the board or a board designee, which includes the board clerk, board legal counsel or a special magistrate.

(a) If the board or a board designee determines that the request does not show good cause, the request will be denied and the board may proceed with the hearing as scheduled.

(b) If the board or a board designee determines that the request demonstrates good cause, the request will be granted. In that event, the board clerk will issue a notice of hearing with the new hearing date, which shall be the earliest date that is convenient for all parties.

(c) The board clerk shall give appropriate notice to the petitioner of the determination as to good cause. Form DR-485WCN is designated and may be used for this purpose. Form DR-485WCN is adopted and incorporated by reference in Rule 12D-16.002, F.A.C. The board clerk shall also appropriately notify the property appraiser or tax collector.

(d) When rescheduling hearings under this rule subsection or subsection (4) above, if the parties are unable to agree on an earlier date, the board clerk is authorized to schedule the hearing and send a notice of such hearing by regular or certified U.S. mail or personal delivery, or in the manner requested by the petitioner on the petition Form DR-486, so that the notice shall be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance. The board clerk is responsible for notifying the parties of any rescheduling.

(6) If a hearing is rescheduled, the deadlines for the exchange of evidence shall be computed from the new hearing date, if time permits.

(7)(a) If a petitioner’s hearing does not commence as scheduled, the board clerk is authorized to determine good cause exists to reschedule a petition.
(b) In no event shall a petitioner be required to wait more than a reasonable time from the scheduled time to be heard. A reasonable time shall not exceed four hours. The board clerk is authorized to find that a reasonable time has elapsed based on other commitments, appointments or hearings of the petitioner, lateness in the day, and other hearings waiting to be heard earlier than the petitioner’s hearing with the board or special magistrate. If his or her petition has not been heard within a reasonable time, the petitioner may request to be heard immediately. If the board clerk finds a reasonable time has elapsed and petitioner is not heard, the board clerk shall find good cause is present and shall reschedule the petitioner’s hearing.

(c) A petitioner is not required to wait any length of time as a prerequisite to filing an action in circuit court.

(8) Copies of the forms incorporated in Rule 12D-16.002, F.A.C., may be obtained at the Department’s Internet site: http://dor.myflorida.com/dor/property/forms/.

(1) The petitioner has the option of participating in an exchange of evidence with the property appraiser. If the petitioner chooses not to participate in the evidence exchange, the petitioner may still present evidence for consideration by the board or the special magistrate. However, as described in this section, if the property appraiser asks in writing for specific evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and knowingly refuses to provide it to the property appraiser a reasonable time before the hearing, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate. Reasonableness shall be determined by whether the material can be reviewed, investigated, and responded to or rebutted in the time frame remaining before the hearing. These requirements are more specifically described in subsection (8) of this rule and in paragraphs 12D-9.025(4)(a) and (f), F.A.C.

(2)(a) If the petitioner chooses to participate in an exchange of evidence with the property appraiser, at least fifteen (15) days before the hearing, the petitioner shall provide the property appraiser with a list and summary of evidence to be presented at the hearing accompanied by copies of documentation to be presented at the hearing. To calculate the fifteen (15) days, the petitioner shall use calendar days and shall not include the day of the hearing in the calculation, and shall count backwards from the day of the hearing.

(b) If the petitioner chooses to participate in an exchange of evidence with the property appraiser and he or she shows good cause to the board clerk for not being able to meet the fifteen (15) day requirement and the property appraiser is unwilling to agree to a different timing of the exchange, the board clerk is authorized to reschedule the hearing to allow for the exchange of evidence to occur.

(c) No later than seven (7) days before the hearing, if the property appraiser receives the petitioner’s documentation and if requested in writing by the petitioner, the property appraiser shall provide the petitioner with a list and summary of evidence to be presented at the hearing accompanied by copies of documentation to be presented by the property appraiser at the hearing. The evidence list must contain the property record card if provided by the board clerk. To calculate the seven (7) days, the property appraiser shall use calendar days and shall not
include the day of the hearing in the calculation, and shall count backwards from the day of the hearing.

(d) The last day of the period so computed shall be included unless it is a Saturday, Sunday, or legal holiday, in which event the period shall run until the end of the next previous day which is neither a Saturday, Sunday, or legal holiday.

(3)(a) If the petitioner does not provide the information to the property appraiser at least fifteen (15) days prior to the hearing pursuant to paragraph (2)(a), the property appraiser need not provide the information to the petitioner pursuant to paragraph (2)(c).

(b) If the property appraiser does not provide the information within the time required by paragraph (2)(c), the hearing shall be rescheduled to allow the petitioner additional time to review the property appraiser’s evidence.

(4) By agreement of the parties the evidence exchanged in subsection (2) shall be delivered by regular or certified U.S. mail, personal delivery, overnight mail, FAX or email. The petitioner and property appraiser may agree to a different timing and method of exchange. “Provided” means received by the party not later than the time frame provided in this rule section. If either party does not designate a desired manner for receiving information in the evidence exchange, the information shall be provided by U.S. mail. The property appraiser shall provide the information at the address listed on the petition form for the petitioner.

(5) Level of detail on evidence summary: The summary pursuant to subsection (2) shall be sufficiently detailed as to reasonably inform a party of the general subject matter of the witness' testimony, and the name and address of the witness.

(6) Hearing procedures: Neither the board nor the special magistrate shall take any general action regarding compliance with this section, but any action on each petition shall be considered on a case by case basis. Any action shall be based on a consideration of whether there has been a substantial noncompliance with this section, and shall be taken at a scheduled hearing and based on evidence presented at such hearing. “General action” means a prearranged course of conduct not based on evidence received in a specific case at a scheduled hearing on a petition.

(7) A property appraiser shall not use at a hearing evidence that was not supplied to the petitioner as required. The remedy for such noncompliance shall be a rescheduling of the hearing to allow the petitioner an opportunity to review the information of the property appraiser.

(8) No petitioner may present for consideration, nor may a board or special magistrate accept for consideration, testimony or other evidentiary materials that were specifically requested of the petitioner in writing by the property appraiser in connection with a filed petition, of which the petitioner had knowledge and denied to the property appraiser. Such evidentiary materials shall be considered timely if provided to the property appraiser no later than fifteen (15) days before the hearing in accordance with the exchange of evidence rules in this section. If provided to the property appraiser less than fifteen (15) days before the hearing, such materials shall be considered timely if the board or special magistrate determines they were provided a reasonable time before the hearing, as described in paragraph 12D-9.025(4)(f), F.A.C. A petitioner’s ability to introduce the evidence, requested of the petitioner in writing by the property appraiser, is lost if not provided to the property appraiser as described in this paragraph. This provision does not preclude rebuttal evidence that was not specifically requested of the petitioner by the property appraiser.

(9) As the trier of fact, the board or special magistrate may independently rule on the admissibility and use of evidence. If the board or special magistrate has any questions relating to the admissibility and use of evidence, the board or special magistrate should consult with the
board legal counsel. The basis for any ruling on admissibility of evidence must be reflected in the record.

12D-9.021 Withdrawn or Settled Petitions; Petitions Acknowledged as Correct; Non-Appearance; Summary Disposition of Petitions.

(1) A petitioner may withdraw a petition prior to the scheduled hearing. Form DR-485WI is prescribed by the department for such purpose; however, other written or electronic means may be used. Form DR-485WI is adopted and incorporated by reference in Rule 12D-16.002, F.A.C. Form DR-485WI shall indicate the reason for the withdrawal as one of the following:
   (a) Petitioner agrees with the determination of the property appraiser or tax collector;
   (b) Petitioner and property appraiser or tax collector have reached a settlement of the issues;
   (c) Petitioner does not agree with the decision or assessment of the property appraiser or tax collector but no longer wishes to pursue a remedy through the value adjustment board process; or
   (d) Other specified reason.

(2) The board clerk shall cancel the hearing upon receiving a notice of withdrawal from the petitioner and there shall be no further proceeding on the matter.

(3) If a property appraiser or tax collector agrees with a petition challenging a decision to deny an exemption, classification, portability assessment difference transfer, or deferral, the property appraiser or tax collector shall issue the petitioner a notice granting said exemption, classification, portability assessment difference transfer, or deferral and shall file with the board clerk a notice that the petition was acknowledged as correct. The board clerk shall cancel the hearing upon receiving the notice of acknowledgement and there shall be no further proceeding on the matter acknowledged as correct.

(4) If parties do not file a notice of withdrawal or notice of acknowledgement but indicate the same at the hearing, the board or special magistrate shall so state on the hearing record and shall not proceed with the hearing and shall not issue a decision. If a petition is withdrawn or acknowledged as correct under subsection (1), (2) or (3), or settlement is reached and filed by the parties, at any time before a recommended decision or final board decision is issued, the board, special magistrate or clerk need not issue such decision. The board clerk shall list and report all withdrawals, settlements, acknowledgements of correctness as withdrawn or settled petitions. Settled petitions shall include those acknowledged as correct by the property appraiser or tax collector.

(5) For all withdrawn or settled petitions, a special magistrate shall not produce a recommended decision and the board shall not produce a final decision.

(6) When a petitioner does not appear by the commencement of a scheduled hearing and the petitioner has not indicated a desire to have their petition heard without their attendance and a good cause request is not pending, the board or the special magistrate shall not commence or proceed with the hearing and shall produce a decision or recommended decision as described in this section. If the petitioner makes a good cause request before the decision, if no special magistrate is used, or recommended decision, if a special magistrate is used, is issued, the board or board designee shall rule on the good cause request before determining that the decision or recommended decision should be set aside and that the hearing should be rescheduled, or that the board or special magistrate should issue the decision or recommended decision.
(7) When a petitioner does not appear by the commencement of a scheduled hearing and a
good cause request is pending, the board or board designee shall rule on the good cause request
before determining that the hearing should be rescheduled or that the board or special magistrate
should issue a decision or recommended decision.

(a) If the board or board designee finds good cause for the petitioner’s failure to appear, the
board clerk shall reschedule the hearing.

(b) If the board or board designee does not find good cause for the petitioner’s failure to
appear, the board or special magistrate shall issue a decision or recommended decision.

(8) Decisions issued under subsection (6) or (7) shall not be treated as withdrawn or settled
petitions and shall contain:

(a) A finding of fact that the petitioner did not appear at the hearing and did not state good
cause; and

(b) A conclusion of law that the relief is denied and the decision is being issued in order that
any right the petitioner may have to bring an action in circuit court is not impaired.

12D-9.022 Disqualification or Recusal of Special Magistrates or Board Members.

(1) If either the petitioner or the property appraiser communicates a reasonable belief that a
special magistrate does not possess the statutory qualifications in accordance with Sections
194.035 and 475.611(1)(h) and (i), F.S., to conduct a particular proceeding, the basis for that
belief shall be included in the record of the proceeding or submitted prior to the hearing in
writing to the board legal counsel.

(2)(a) Upon review, if the board or its legal counsel determines that the original special
magistrate does not meet the statutory requirements and qualifications, the board or legal counsel
shall enter into the record an instruction to the board clerk to reschedule the petition before a
different special magistrate to hear or rehear the petition without considering actions that may
have occurred during any previous hearing.

(b) Upon review, if the board or its legal counsel determines that the special magistrate does
meet the statutory requirements and qualifications, such determination shall be issued in writing
and placed in the record, and the special magistrate will conduct the hearing, or, if a hearing was
already held, the recommended decision will be forwarded to the board in accordance with these
rules.

(3) Board members and special magistrates shall recuse themselves from hearing a petition
when they have a conflict of interest or an appearance of a conflict of interest.

(4)(a) If either the petitioner or the property appraiser communicates a reasonable belief that
a board member or special magistrate has a bias, prejudice or conflict of interest, the basis for
that belief shall be stated in the record of the proceeding or submitted prior to the hearing in
writing to the board legal counsel.

(b) If the board member or special magistrate agrees with the basis stated in the record, the
board member or special magistrate shall recuse himself or herself on the record. A special
magistrate who recuses himself or herself shall close the hearing on the record and notify the
board clerk of the recusal. Upon a board member’s recusal, the hearing shall go forward if there
is a quorum. Upon a special magistrate’s recusal, or a board member’s recusal that results in a quorum not being present, the board clerk shall reschedule the hearing.

(c) If the board member or special magistrate questions the need for recusal, the board member or special magistrate shall request an immediate determination on the matter from the board’s legal counsel.

(d) Upon review, if the board legal counsel:
1. Determines that a recusal is necessary, the board member or special magistrate shall recuse himself or herself and the board clerk shall reschedule the hearing; or
2. Is uncertain whether recusal is necessary, the board member or special magistrate shall recuse himself or herself and the board clerk shall reschedule the hearing; or
3. Determines the recusal is unnecessary, the board legal counsel shall set forth the basis upon which the request was not based on sufficient facts or reasons.

(e) In a rescheduled hearing, the board or special magistrate shall not consider any actions that may have occurred during any previous hearing on the same petition.

(f) A rescheduling for disqualification or recusal shall not be treated as the one time rescheduling to which a petitioner has a right upon timely request under Section 194.032(2), F.S.

12D-9.023 Hearings Before Board or Special Magistrates.

(1) Hearing rooms, office space, computer systems, personnel, and other resources used for any of the board’s functions shall be controlled by the board through the board clerk of the value adjustment board. The board clerk shall perform his or her duties in a manner to avoid the appearance of a conflict of interest. The board clerk shall not use the resources of the property appraiser’s or tax collector’s office and shall not allow the property appraiser or tax collector to control or influence any part of the value adjustment board process.

(2) Boards and special magistrates shall adhere as closely as possible to the schedule of hearings established by the board clerk but must ensure that adequate time is allowed for parties to present evidence and for the board or special magistrate to consider the admitted evidence. If the board or special magistrate determines from the petition form that the hearing has been scheduled for less time than the petitioner requested on the petition, the board or special magistrate must consider whether the hearing should be extended or continued to provide additional time.

(1) If all parties are present and the petition is not withdrawn or settled, a hearing on the petition shall commence.

(2) The hearing shall be open to the public.

(3) Upon the request of either party, a special magistrate shall swear in all witnesses in that proceeding on the record. Upon such request and if the witness has been sworn in during an earlier hearing, it shall be sufficient for the special magistrate to remind the witness that he or she is still under oath.
(4) Before or at the start of the hearing, the board, the board’s designee or the special magistrate shall give a short overview verbally or in writing of the rules of procedure and any administrative issues necessary to conduct the hearing.

(5) Before or at the start of the hearing, unless waived by the parties, the board or special magistrate shall make an opening statement or provide a brochure or taxpayer information sheet that:

(a) States the board or special magistrate is an independent, impartial, and unbiased hearing body or officer, as applicable;

(b) States the board or special magistrate does not work for the property appraiser or tax collector, is independent of the property appraiser or tax collector, and is not influenced by the property appraiser or tax collector;

(c) States the hearing will be conducted in an orderly, fair, and unbiased manner;

(d) States that the law does not allow the board or special magistrate to review any evidence unless it is presented on the record at the hearing or presented upon agreement of the parties while the record is open; and

(e) States that the law requires the board or special magistrate to evaluate the relevance and credibility of the evidence in deciding the results of the petition.

(6) The board or special magistrate shall ask the parties if they have any questions regarding the verbal or written overview of the procedures for the hearing.

(7) After the opening statement, and clarification of any questions with the parties, the board or special magistrate shall proceed with the hearing. The property appraiser shall indicate for the record his or her determination of just value, classified use value, tax exemption, property classification, or “portability” assessment difference, or deferral or penalties. Under subsection 194.301(1), F.S., in a hearing on just, classified use, or assessed value, the first issue to be considered is whether the property appraiser establishes a presumption of correctness for the assessment. The property appraiser shall present evidence on this issue first.

(8) If at any point in a hearing or proceeding the petitioner withdraws the petition or the parties agree to settlement, the petition becomes a withdrawn or settled petition and the hearing or proceeding shall end. The board or special magistrate shall state or note for the record that the petition is withdrawn or settled, shall not proceed with the hearing, shall not consider the petition, and shall not produce a decision or recommended decision.

(9)(a) If the petitioner does not appear by the commencement of a scheduled hearing, the board or special magistrate shall not commence the hearing and shall proceed under the requirements set forth in subsection 12D-9.021(6), F.A.C., unless:

1. The petition is on a “portability” assessment difference transfer in which the previous homestead is the subject of the petition and is located in a county other than the county where the new homestead is located. Requirements specific to hearings on such petitions are set forth in subsection 12D-9.028(6), F.A.C.; or

2. The petitioner has indicated that he or she does not wish to appear at the hearing, but would like for the board or special magistrate to consider evidence submitted by the petitioner.

(b) A petitioner who has indicated that he or she does not wish to appear at the hearing, but would like for the board or special magistrate to consider his or her evidence, shall submit his or her evidence to the board clerk and property appraiser before the hearing. The board clerk shall:

1. Keep the petitioner’s evidence as part of the petition file;
2. Notify the board or special magistrate before or at the hearing that the petitioner has indicated he or she will not appear at the hearing, but would like for the board or special magistrate to consider his or her evidence at the hearing; and
3. Give the evidence to the board or special magistrate at the beginning of the hearing.

(10) If the property appraiser or tax collector does not appear by the commencement of a scheduled hearing, except a good cause hearing, the board or special magistrate shall state on the record that the property appraiser or tax collector did not appear at the hearing. Then, the board or special magistrate shall request the petitioner to state for the record whether he or she wants to have the hearing rescheduled or wants to proceed with the hearing without the property appraiser or tax collector. If the petitioner elects to have the hearing rescheduled, the board clerk shall reschedule the hearing. If the petitioner elects to proceed with the hearing without the property appraiser or tax collector, the board or special magistrate shall proceed with the hearing and shall produce a decision or recommended decision.

(11) In any hearing conducted without one of the parties present, the board or special magistrate must take into consideration the inability of the opposing party to cross-examine the non-appearing party in determining the sufficiency of the evidence of the non-appearing party.

12D-9.025 Procedures for Conducting a Hearing; Presentation of Evidence; Testimony of Witnesses.

(1) As part of administrative reviews, the board or special magistrate must:
   (a) Review the evidence presented by the parties;
   (b) Determine whether the evidence presented is admissible;
   (c) Admit the evidence that is admissible, and identify the evidence presented to indicate that it is admitted or not admitted; and
   (d) Consider the admitted evidence.

(2)(a) In these rules, the term “admitted evidence” means evidence that has been admitted into the record for consideration by the board or special magistrate. Board and special magistrate proceedings are not controlled by strict rules of evidence and procedure. Formal rules of evidence shall not apply, but fundamental due process shall be observed and shall govern the proceedings.

(b) For administrative reviews, “relevant evidence” is evidence that is reasonably related, directly or indirectly, to the statutory criteria that apply to the issue under review. This description means the evidence meets or exceeds a minimum level of relevance necessary to be admitted for consideration, but does not necessarily mean that the evidence has sufficient relevance to legally justify a particular conclusion.

(c) Rebuttal evidence is relevant evidence used solely to disprove or contradict the original evidence presented by an opposing party.

(d) As the trier of fact, the board or special magistrate may independently rule on the admissibility and use of evidence. If the board or special magistrate has any questions relating to the admissibility and use of evidence, the board or special magistrate should consult with the board legal counsel. The basis for any ruling on admissibility of evidence must be reflected in the record. The special magistrate may delay ruling on the question during the hearing and consult with board legal counsel after the hearing.
(3)(a) In a board or special magistrate hearing, the petitioner is responsible for presenting relevant and credible evidence in support of his or her belief that the property appraiser’s determination is incorrect. The property appraiser is responsible for presenting relevant and credible evidence in support of his or her determination.

(b) Under Section 194.301, F.S., “preponderance of the evidence” is the standard of proof that applies in assessment challenges. The “clear and convincing evidence” standard of proof no longer applies, starting with 2009 assessments. A taxpayer shall never have the burden of proving that the property appraiser’s assessment is not supported by any reasonable hypothesis of a legal assessment.

(4)(a) No evidence shall be considered by the board or special magistrate except when presented and admitted during the time scheduled for the petitioner’s hearing, or at a time when the petitioner has been given reasonable notice. The petitioner may still present evidence if he or she does not participate in the evidence exchange. However, if the property appraiser asks in writing for specific evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and refuses to provide it to the property appraiser, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate. These requirements are more specifically described in paragraph (f) below.

(b) If a party submits evidence to the board clerk prior to the hearing, the board or special magistrate shall not review or consider such evidence prior to the hearing.

(c) In order to be reviewed by the board or special magistrate, any evidence filed with the board clerk shall be brought to the hearing by the party. This requirement shall not apply where:

1. A petitioner does not appear at a hearing on a “portability” assessment difference transfer petition in which the previous homestead is the subject of the petition and is located in a county other than the county where the new homestead is located. Requirements specific to hearings on such petitions are set forth in subsection 12D-9.028(6), F.A.C.; or

2. A petitioner has indicated that he or she does not wish to appear at the hearing but would like for the board or special magistrate to consider evidence submitted by the petitioner.

(d) A petitioner who has indicated that he or she does not wish to appear at the hearing, but would like for the board or special magistrate to consider his or her evidence, shall submit his or her evidence to the board clerk before the hearing. The board clerk shall:

1. Keep the petitioner’s evidence as part of the petition file;
2. Notify the board or special magistrate before or at the hearing that the petitioner has indicated he or she will not appear at the hearing, but would like for the board or special magistrate to consider his or her evidence at the hearing; and
3. Give the evidence to the board or special magistrate at the beginning of the hearing.

(e) The board clerk may provide an electronic system for the filing and retrieval of evidence for the convenience of the parties, but such evidence shall not be considered part of the record and shall not be reviewed by the board or special magistrate until presented at a hearing. Any exchange of evidence should occur between the parties and such evidence is not part of the record until presented by the offering party and deemed admissible at the hearing.

(f)1. No petitioner shall present for consideration, nor shall the board or special magistrate accept for consideration, testimony or other evidentiary materials that were specifically requested of the petitioner in writing by the property appraiser in connection with a filed petition, of which the petitioner had knowledge and denied to the property appraiser. Such evidentiary materials shall be considered timely if provided to the property appraiser no later than fifteen (15) days before the hearing in accordance with the exchange of evidence rules in Rule 12D-9.020, F.A.C.,
and, if provided to the property appraiser less than fifteen (15) days before the hearing, shall be considered timely if the board or special magistrate determines they were provided a reasonable time before the hearing. A petitioner’s ability to introduce the evidence, requested of the petitioner in writing by the property appraiser, is lost if not provided to the property appraiser as described in this paragraph. This provision does not preclude rebuttal evidence that was not specifically requested of the petitioner by the property appraiser. For purposes of this rule and Rule 12D-9.020, F.A.C., reasonableness shall be assumed if the property appraiser does not object. Otherwise, reasonableness shall be determined by whether the material can be reviewed, investigated, and responded to or rebutted in the time frame remaining before the hearing. If a petitioner has acted in good faith and not denied evidence to the property appraiser prior to the hearing, as provided by Section 194.034(1)(d), F.S., but wishes to submit evidence at the hearing which is of a nature that would require investigation or verification by the property appraiser, then the special magistrate may allow the hearing to be recessed and, if necessary, rescheduled so that the property appraiser may review such evidence.

2. A property appraiser shall not present undisclosed evidence that was not supplied to the petitioner as required under the evidence exchange rule, Rule 12D-9.020, F.A.C. The remedy for such noncompliance shall be a rescheduling of the hearing to allow the petitioner an opportunity to review the information of the property appraiser.

(5) When testimony is presented at a hearing, each party shall have the right to cross-examine any witness.

(6)(a) By agreement of the parties entered in the record, the board or special magistrate may leave the record open and postpone completion of the hearing to a date certain to allow a party to collect and provide additional relevant and credible evidence. Such postponements shall be limited to instances where, after completing original presentations of evidence, the parties agree to the collection and submittal of additional, specific factual evidence for consideration by the board or special magistrate. In lieu of completing the hearing, upon agreement of the parties the board or special magistrate is authorized to consider such evidence without further hearing.

(b) If additional hearing time is necessary, the hearing must be completed at the date, place, and time agreed upon for presenting the additional evidence to the board or special magistrate for consideration.

(c) The following limitations shall apply if the property appraiser seeks to present additional evidence that was unexpectedly discovered and that would increase the assessment.

1. The board or special magistrate shall ensure that such additional evidence is limited to a correction of a factual error discovered in the physical attributes of the petitioned property; a change in the property appraiser’s judgment is not such a correction and shall not justify an increase in the assessment.

2. A notice of revised proposed assessment shall be made and provided to the petitioner in accordance with the notice provisions set out in Florida Statutes for notices of proposed property taxes.

3. A new hearing shall be scheduled and notice of the hearing shall be sent to the petitioner along with a copy of the revised property record card if requested.

5. The back assessment procedure in Section 193.092, F.S., shall be used for any assessment already certified.

(7)(a) The board or special magistrate shall receive, identify for the record, and retain all exhibits presented during the hearing and send them to the board clerk along with the
recommended decision or final decision. Upon agreement of the parties, the board clerk is authorized to make an electronic representation of evidence that is difficult to store or maintain.

(b) The board or special magistrate shall have the authority, at a hearing, to ask questions at any time of either party, the witnesses, or board staff. When asking questions, the board or special magistrate shall not show bias for or against any party or witness. The board or special magistrate shall limit the content of any question asked of a party or witness to matters reasonably related, directly or indirectly, to matters already in the record.

(c) Representatives of interested municipalities may be heard as provided in Section 193.116, F.S.

(8) Unless a board or special magistrate determines that additional time is necessary, the board or special magistrate shall conclude all hearings at the end of the time scheduled for the hearing. If a hearing is not concluded by the end of the time scheduled, the board or special magistrate shall determine the amount of additional time needed to conclude the hearing.

(a) If the board or special magistrate determines that the amount of additional time needed to conclude the hearing would not unreasonably disrupt other hearings, the board or special magistrate is authorized to proceed with conclusion of the hearing.

(b) If the board or special magistrate determines that the amount of additional time needed to conclude the hearing would unreasonably disrupt other hearings, the board or special magistrate shall so state on the record and shall notify the board clerk to reschedule the conclusion of the hearing to a time as scheduled and noticed by the board clerk.

(9) The board or special magistrate shall not be required to make, at any time during a hearing, any oral or written finding, conclusion, decision, or reason for decision. The board or special magistrate has the discretion to determine whether to make such determinations during a hearing or to consider the petition and evidence further after the hearing and then make such determinations.

(10) For purposes of reporting board action on decisions and on the notice of tax impact, the value as reflected on the initial roll shall mean the property appraiser's determination as presented at the commencement of the hearing or as reduced by the property appraiser during the hearing, but before a decision by the board or a recommended decision by the special magistrate. See Rule 12D-9.038, F.A.C.

(1) Hearings conducted by electronic media shall occur only under the conditions set forth in this rule section.

(a) The board must approve and have available the necessary equipment and procedures.

(b) The special magistrate, if one is used, must agree in each case to the electronic hearing.

(c) The board must reasonably accommodate parties that have hardship or lack necessary equipment or ability to access equipment. The board must provide a physical location at which a party may appear, if requested.

(2) For any hearing conducted by electronic media, the board shall ensure that all equipment is adequate and functional for allowing clear communication among the participants and for creating the hearing records required by law. The board procedures shall specify the time period within which a party must request to appear at a hearing by electronic media.

(3) Consistent with board equipment and procedures:
(a) Any party may request to appear at a hearing before a board or special magistrate, using telephonic or other electronic media. If the board or special magistrate allows a party to appear by telephone, all members of the board in the hearing or the special magistrate must be physically present in the hearing room. Unless required by other provisions of state or federal law, the board clerk need not comply with such a request if such telephonic or electronic media are not reasonably available.

(b) The parties must also all agree on the methods for swearing witnesses, presenting evidence, and placing testimony on the record. Such methods must comply with the provisions of this rule chapter. The agreement of the parties must include which parties must appear by telephonic or other electronic media, and which parties will be present in the hearing room.

(4) Such hearings must be open to the public either by providing the ability for interested members of the public to join the hearing electronically or to monitor the hearing at the location of the board or special magistrate.

(1) This section sets forth the sequence of general procedural steps for administrative reviews. This order of steps applies to: the consideration of evidence, the development of conclusions, and the production of written decisions. The board or special magistrate shall follow this general sequence in order to fulfill the procedural requirements of Section 194.301, F.S. The following subsections set forth the steps for administrative reviews of:

(a) Just valuations in subsection (2);

(b) Classified use valuations, and assessed valuations of limited increase property, in subsection (3); and

(c) Exemptions, classifications, and portability assessment transfers in subsection (4).

(2) In administrative reviews of the just valuation of property, the board or special magistrate shall follow this sequence of general procedural steps:

(a) Determine whether the property appraiser established a presumption of correctness for the assessment, and determine whether the property appraiser’s just valuation methodology is appropriate. The presumption of correctness is not established unless the admitted evidence proves by a preponderance of the evidence that the property appraiser’s just valuation methodology complies with Section 193.011, F.S., and professionally accepted appraisal practices, including mass appraisal standards, if appropriate.

(b)1. In administrative reviews of just valuations, if the property appraiser establishes a presumption of correctness, determine whether the admitted evidence proves by a preponderance of the evidence that:

   a. The property appraiser’s just valuation does not represent just value; or

   b. The property appraiser’s just valuation is arbitrarily based on appraisal practices that are different from the appraisal practices generally applied by the property appraiser to comparable property within the same county.

2. If one or both of the conditions in subparagraph (b)1. above, are determined to exist, the property appraiser’s presumption of correctness is overcome.

3. If the property appraiser does not establish a presumption of correctness, or if the presumption of correctness is overcome, the board or special magistrate shall determine whether
the hearing record contains competent, substantial evidence of just value which cumulatively meets the criteria of Section 193.011, F.S., and professionally accepted appraisal practices.

a. If the hearing record contains competent, substantial evidence for establishing a revised just value, the board or an appraiser special magistrate shall establish a revised just value based only upon such evidence. In establishing a revised just value, the board or special magistrate is not restricted to any specific value offered by one of the parties.

b. If the hearing record lacks competent, substantial evidence for establishing a revised just value, the board or special magistrate shall remand the assessment to the property appraiser with appropriate directions for establishing just value.

4. If the property appraiser establishes a presumption of correctness and that presumption of correctness is not overcome as described in subparagraph (b)1. above, the assessment stands.

(3) In administrative reviews of the classified use valuation of property or administrative reviews of the assessed valuation of limited increase property, the board or special magistrate shall follow this sequence of general procedural steps:

(a) Identify the statutory criteria that apply to the classified use valuation of the property or to the assessed valuation of limited increase property, as applicable.

(b) Determine whether the property appraiser established a presumption of correctness for the assessment, and determine whether the property appraiser’s classified use or assessed valuation methodology is appropriate. The presumption of correctness is not established unless the admitted evidence proves by a preponderance of the evidence that the property appraiser’s valuation methodology complies with the statutory criteria that apply to the classified use valuation or assessed valuation, as applicable, of the petitioned property.

(c)1. In administrative reviews of classified use valuations, if the property appraiser establishes a presumption of correctness, determine whether the admitted evidence proves by a preponderance of the evidence that:

a. The property appraiser’s classified use valuation does not represent classified use value; or

b. The property appraiser’s classified use valuation is arbitrarily based on classified use valuation practices that are different from the classified use valuation practices generally applied by the property appraiser to comparable property of the same property classification within the same county.

2. If one or both of the conditions in subparagraph (c)1. above, are determined to exist, the property appraiser’s presumption of correctness is overcome.

3. If the property appraiser does not establish a presumption of correctness, or if the presumption of correctness is overcome, the board or special magistrate shall determine whether the hearing record contains competent, substantial evidence of classified use value which cumulatively meets the statutory criteria that apply to the classified use valuation of the petitioned property.

a. If the hearing record contains competent, substantial evidence for establishing a revised classified use value, the board or an appraiser special magistrate shall establish a revised classified use value based only upon such evidence. In establishing a revised classified use value, the board or special magistrate is not restricted to any specific value offered by one of the parties.

b. If the hearing record lacks competent, substantial evidence for establishing a revised classified use value, the board or special magistrate shall remand the assessment to the property appraiser with appropriate directions for establishing classified use value.

4. If the property appraiser establishes a presumption of correctness and that presumption of correctness is not overcome as described in subparagraph (c)1. above, the assessment stands.
(d)1. In administrative reviews of assessed valuations of limited increase property, if the property appraiser establishes a presumption of correctness, determine whether the admitted evidence proves by a preponderance of the evidence that:
   a. The property appraiser’s assessed valuation does not represent assessed value; or
   b. The property appraiser’s assessed valuation is arbitrarily based on assessed valuation practices that are different from the assessed valuation practices generally applied by the property appraiser to comparable property within the same county.

2. If one or both of the conditions in subparagraph (d)1. above, are determined to exist, the property appraiser’s presumption of correctness is overcome.

3. If the property appraiser does not establish a presumption of correctness, or if the presumption of correctness is overcome, the board or special magistrate shall determine whether the hearing record contains competent, substantial evidence of assessed value which cumulatively meets the statutory criteria that apply to the assessed valuation of the petitioned property.
   a. If the hearing record contains competent, substantial evidence for establishing a revised assessed value, the board or an appraiser special magistrate shall establish a revised assessed value based only upon such evidence. In establishing a revised assessed value, the board or special magistrate is not restricted to any specific value offered by one of the parties.
   b. If the hearing record lacks competent, substantial evidence for establishing a revised assessed value, the board or special magistrate shall remand the assessment to the property appraiser with appropriate directions for establishing assessed value.

4. If the property appraiser establishes a presumption of correctness and that presumption of correctness is not overcome as described in subparagraph (d)1. above, the assessment stands.

(4) In administrative reviews of exemptions, classifications, and portability assessment transfers, the board or special magistrate shall follow this sequence of general procedural steps:
   (a) In the case of an exemption, the board or special magistrate shall consider whether the denial was valid or invalid and shall:
      1. Review the exemption denial, and compare it to the applicable statutory criteria in Section 196.193(5), F.S.;
      2. Determine whether the denial was valid under Section 196.193, F.S.; and
      3. If the denial is found to be invalid, not give weight to the exemption denial or to any evidence supporting the basis for such denial, but shall instead proceed to dispose of the matter without further consideration in compliance with Section 194.301, F.S.
      4. If the denial is found to be valid, proceed with steps in paragraphs (b) through (g) below.
   (b) Consider the admitted evidence presented by the parties.
   (c) Identify the particular exemption, property classification, or portability assessment transfer issue that is the subject of the petition.
   (d) Identify the statutory criteria that apply to the particular exemption, property classification, or portability assessment difference transfer that was identified as the issue under administrative review.
   (e) Identify and consider the essential characteristics of the petitioned property or the property owner, as applicable, based on the statutory criteria that apply to the issue under administrative review.
   (f) Identify and consider the basis used by the property appraiser in issuing the denial for the petitioned property.
(g) Determine whether the admitted evidence proves by a preponderance of the evidence that the property appraiser’s denial is incorrect and the exemption, classification, or portability assessment transfer should be granted because all of the applicable statutory criteria are satisfied. Where necessary and where the context will permit in these rules, the term “statutory criteria” includes any constitutional criteria that do not require implementation by legislation.

(5) “Standard of proof” means the level of proof needed by the board or special magistrate to reach a particular conclusion. The standard of proof that applies in administrative reviews is called “preponderance of the evidence,” which means “greater weight of the evidence.”

(6) When applied to evidence, the term “sufficient” is a test of adequacy. Sufficient evidence is admitted evidence that has enough overall weight, in terms of relevance and credibility, to legally justify a particular conclusion. A particular conclusion is justified when the overall weight of the admitted evidence meets the standard of proof that applies to the issue under consideration. The board or special magistrate must determine whether the admitted evidence is sufficiently relevant and credible to reach the standard of proof that applies to the issue under consideration. In determining whether the admitted evidence is sufficient for a particular issue under consideration, the board or special magistrate shall:

(a) Consider the relevance and credibility of the admitted evidence as a whole, regardless of which party presented the evidence;

(b) Determine the relevance and credibility, or overall weight, of the evidence;

(c) Compare the overall weight of the evidence to the standard of proof;

(d) Determine whether the overall weight of the evidence is sufficient to reach the standard of proof; and

(e) Produce a conclusion of law based on the determination of whether the overall weight of the evidence has reached the standard of proof.

(1) This rule section applies to the review of denials of assessment limitation difference transfers or of the amount of an assessment limitation difference transfer. No adjustment to the just, assessed or taxable value of the previous homestead parcel may be made pursuant to a petition under this rule.

(2) A petitioner may file a petition with the value adjustment board, in the county where the new homestead is located, to petition either a denial of a transfer or the amount of the transfer, on Form DR-486PORT. Form DR-486PORT is adopted and incorporated by reference in Rule 12D-16.002, F.A.C. Such petition must be filed at any time during the taxable year on or before the 25th day following the mailing of the notice of proposed property taxes as provided in Section 194.011, F.S. If only a part of a transfer of assessment increase differential is granted, the notice of proposed property taxes shall function as notice of the taxpayer’s right to appeal to the board.

(3) The petitioner may petition to the board the decision of the property appraiser refusing to allow the transfer of an assessment difference, and the board shall review the application and evidence presented to the property appraiser upon which the petitioner based the claim and shall hear the petitioner on behalf of his or her right to such assessment. Such petition shall be heard by an attorney special magistrate if the board uses special magistrates.
(4) This subsection will apply to value adjustment board proceedings in a county in which the previous homestead is located. Any petitioner desiring to appeal the action of a property appraiser in a county in which the previous homestead is located must so designate on Form DR-486PORT.

(5) If the petitioner does not agree with the amount of the assessment limitation difference for which the petitioner qualifies as stated by the property appraiser in the county where the previous homestead property was located, or if the property appraiser in that county has not stated that the petitioner qualifies to transfer any assessment limitation difference, upon the petitioner filing a petition to the value adjustment board in the county where the new homestead property is located, the board clerk in that county shall, upon receiving the petition, send a notice using Form DR-486XCO, to the board clerk in the county where the previous homestead was located, which shall reconvene if it has already adjourned. Form DR-486XCO is adopted, and incorporated by reference, in Rule 12D-16.002, F.A.C.

(6)(a) If a cross county petition is filed as described in subsection (5), such notice operates as a timely petition and creates an appeal to the value adjustment board in the county where the previous homestead was located on all issues surrounding the previous assessment differential for the taxpayer involved. However, the petitioner may not petition to have the just, assessed, or taxable value of the previous homestead changed.

(b) The board clerk in the county where the previous homestead was located shall set the petition for hearing and notify the petitioner, the property appraiser in the county where the previous homestead was located, the property appraiser in the county where the new homestead is located, and the value adjustment board in that county, and shall hear the petition.

(c) The board clerk in the county in which the previous homestead was located must note and file the petition from the county in which the new homestead is located. No filing fee is required. The board clerk shall notify each petitioner of the scheduled time of appearance. The notice shall be in writing and delivered by regular or certified U.S. mail, or personal delivery, or delivered in the manner requested by the petitioner on Form DR-486PORT, so that the notice shall be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance. The board clerk will have prima facie complied with the requirements of this section if the notice was deposited in the U.S. mail thirty (30) days prior to the day of such scheduled appearance.

(d) Such petition shall be heard by an attorney special magistrate if the value adjustment board in the county where the previous homestead was located uses special magistrates. The petitioner may attend such hearing and present evidence, but need not do so. If the petitioner does not appear at the hearing, the hearing shall go forward. The board or special magistrate shall obtain the petition file from the board clerk. The board or special magistrate shall consider deeds, property appraiser records that do not violate confidentiality requirements, and other documents that are admissible evidence. The petitioner may submit a written statement for review and consideration by the board or special magistrate explaining why the “portability” assessment difference should be granted based on applications and other documents and records submitted by the petitioner.

(e) The value adjustment board in the county where the previous homestead was located shall issue a decision and the board clerk shall send a copy of the decision to the board clerk in the county where the new homestead is located.

(f) In hearing the petition in the county where the new homestead is located, that value adjustment board shall consider the decision of the value adjustment board in the county where
the previous homestead was located on the issues pertaining to the previous homestead and on the amount of any assessment reduction for which the petitioner qualifies. The value adjustment board in the county where the new homestead is located may not hold its hearing until it has received the decision from the value adjustment board in the county where the previous homestead was located.

(7) This rule does not authorize the consideration or adjustment of the just, assessed, or taxable value of the previous homestead property.

(8) Copies of the forms incorporated in Rule 12D-16.002, F.A.C., may be obtained at the Department’s Internet site: http://dor.myflorida.com/dor/property/forms/.

(1) The board or appraiser special magistrate shall remand a value assessment to the property appraiser when the board or special magistrate has concluded that:

(a) The property appraiser did not establish a presumption of correctness, or has concluded that the property appraiser established a presumption of correctness that is overcome, as provided in Rule 12D-9.027, F.A.C.; and

(b) The record does not contain the competent substantial evidence necessary for the board or special magistrate to establish a revised just value, classified use value, or assessed value, as applicable.

(2) An attorney special magistrate shall remand an assessment to the property appraiser for a classified use valuation when the special magistrate has concluded that a property classification will be granted.

(3) The board shall remand an assessment to the property appraiser for a classified use valuation when the board:

(a) Has concluded that a property classification will be granted; and

(b) Has concluded that the record does not contain the competent substantial evidence necessary for the board to establish classified use value.

(4) The board or special magistrate shall, on the appropriate decision form from the Form DR-485 series, produce written findings of fact and conclusions of law necessary to determine that a remand is required, but shall not render a recommended or final decision unless a continuation hearing is held as provided in subsection (9). The Form DR-485 series is adopted, and incorporated by reference, in Rule 12D-16.002, F.A.C.

(5) When an attorney special magistrate remands an assessment to the property appraiser for classified use valuation, an appraiser special magistrate retains authority to produce a recommended decision in accordance with law. When an appraiser special magistrate remands an assessment to the property appraiser, the special magistrate retains authority to produce a recommended decision in accordance with law. When the value adjustment board remands an assessment to the property appraiser, the board retains authority to make a final decision on the petition in accordance with law.

(6) For remanding an assessment to the property appraiser, the board or special magistrate shall produce a written remand decision which shall include appropriate directions to the property appraiser.

(7) The board clerk shall concurrently provide, to the petitioner and the property appraiser, a copy of the written remand decision from the board or special magistrate. The petitioner’s copy
of the written remand decision shall be sent by regular or certified U.S. mail, or by personal
delivery, or in the manner requested by the taxpayer on Form DR-486.

(8)(a) After receiving a board or special magistrate’s remand decision from the board clerk,
the property appraiser shall follow the appropriate directions from the board or special magistrate
and shall produce a written remand review.

(b) The property appraiser or his or her staff shall not have, directly or indirectly, any ex
parte communication with the board or special magistrate regarding the remanded assessment.

(9)(a) Immediately after receipt of the written remand review from the property appraiser, the
board clerk shall send a copy of the written remand review to the petitioner by regular or
certified U.S. mail or by personal delivery, or in the manner requested by the taxpayer on Form
DR-486, and shall send a copy to the board or special magistrate. The board clerk shall retain, as
part of the petition file, the property appraiser’s written remand review. Together with the
petitioner’s copy of the written remand review, the board clerk shall send to the petitioner a copy
of this rule subsection.

(b) The board clerk shall schedule a continuation hearing if the petitioner notifies the board
clerk, within 25 days of the date the board clerk sends the written remand review, that the results
of the property appraiser’s written remand review are unacceptable to the petitioner and that the
petitioner requests a further hearing on the petition. The board clerk shall send the notice of
hearing so that it will be received by the petitioner no less than twenty-five (25) calendar days
prior to the day of such scheduled appearance, as described in subsection 12D-9.019(3), F.A.C.
When a petitioner does not notify the board clerk that the results of the property appraiser’s
written remand review are unacceptable to the petitioner and does not request a continuation
hearing, or if the petitioner waives a continuation hearing, the board or special magistrate shall
issue a decision or recommended decision. Such decision shall contain:

1. A finding of fact that the petitioner did not request a continuation hearing or waived such
hearing; and

2. A conclusion of law that the decision is being issued in order that any right the petitioner
may have to bring an action in circuit court is not impaired.

The petition shall be treated and listed as board action for purposes of the notice required by
Rule 12D-9.038, F.A.C.

(c) At a continuation hearing, the board or special magistrate shall receive and consider the
property appraiser’s written remand review and additional relevant and credible evidence, if any,
from the parties. Also, the board or special magistrate may consider evidence admitted at the
original hearing.

(10) In those counties that use special magistrates, if an attorney special magistrate has
granted a property classification before the remand decision and the property appraiser has
produced a remand classified use value, a real property valuation special magistrate shall conduct
the continuation hearing.

(11) In no case shall a board or special magistrate remand to the property appraiser an
exemption, “portability” assessment difference transfer, or property classification determination.

(12) Copies of all evidence shall remain with the board clerk and be available during the
remand process.

(13) In lieu of remand, the board or special magistrate may postpone conclusion of the
hearing upon agreement of the parties if the requirements of subsection 12D-9.025(6), F.A.C.,
are met.

12D-9.030 Recommended Decisions.

(1) For each petition not withdrawn or settled, special magistrates shall produce a written recommended decision that contains findings of fact, conclusions of law, and reasons for upholding or overturning the property appraiser’s determination. Each recommended decision shall contain sufficient factual and legal information and reasoning to enable the parties to understand the basis for the decision, and shall otherwise meet the requirements of law. The special magistrate and board clerk shall observe the petitioner’s right to be sent a timely written recommended decision containing proposed findings of fact and proposed conclusions of law and reasons for upholding or overturning the determination of the property appraiser. After producing a recommended decision, the special magistrate shall provide it to the board clerk.

(2) The board clerk shall provide copies of the special magistrate’s recommended decision to the petitioner and the property appraiser as soon as practicable after receiving the recommended decision, and if the board clerk:

(a) Knows the date, time, and place at which the recommended decision will be considered by the board, the board clerk shall include such information when he or she sends the recommended decision to the petitioner and the property appraiser; or

(b) Does not yet know the date, time, and place at which the recommended decision will be considered by the board, the board clerk shall include information on how to find the date, time, and place of the meeting at which the recommended decision will be considered by the board.

(3) Any board or special magistrate workpapers, worksheets, notes, or other materials that are made available to a party shall immediately be sent to the other party. Any workpapers, worksheets, notes, or other materials created by the board or special magistrates during the course of hearings or during consideration of petitions and evidence, that contain any material prepared in connection with official business, shall be transferred to the board clerk and retained as public records. Value adjustment boards or special magistrates using standardized workpapers, worksheets, or notes, whether in electronic format or otherwise, must receive prior department approval to ensure that such standardized documents comply with the law.

(4) For the purpose of producing the recommended decisions of special magistrates, the department prescribes the Form DR-485 series, and any electronic equivalent forms approved by the department under Section 195.022, F.S. The Form DR-485 series is adopted, and incorporated by reference, in Rule 12D-16.002, F.A.C. All recommended decisions of special magistrates, and all forms used for the recommended decisions, must contain the following required elements:

(a) Findings of fact;

(b) Conclusions of law; and

(c) Reasons for upholding or overturning the determination of the property appraiser.

(5) As used in this section, the terms “findings of fact” and “conclusions of law” include proposed findings of fact and proposed conclusions of law produced by special magistrates in their recommended decisions.

(6) Legal advice from the board legal counsel relating to the facts of a petition or to the specific outcome of a decision, if in writing, shall be included in the record and referenced within

the findings of fact and conclusions of law. If not in writing, such advice shall be documented within the findings of fact and conclusions of law.

12D-9.031 Consideration and Adoption of Recommended Decisions of Special Magistrates by Value Adjustment Boards in Administrative Reviews.

(1) All recommended decisions shall comply with Sections 194.301, 194.034(2) and 194.035(1), F.S. A special magistrate shall not submit to the board, and the board shall not adopt, any recommended decision that is not in compliance with Sections 194.301, 194.034(2) and 194.035(1), F.S.

(2) As provided in Sections 194.034(2) and 194.035(1), F.S., the board shall consider the recommended decisions of special magistrates and may act upon the recommended decisions without further hearing. If the board holds further hearing for such consideration, the board clerk shall send notice of the hearing to the parties. Any notice of hearing shall be in the same form as specified in paragraph 12D-9.019(3)(a), F.A.C., but need not include items specified in subparagraphs 6. through 9. of that subsection. The board shall consider whether the recommended decisions meet the requirements of subsection (1), and may rely on board legal counsel for such determination. Adoption of recommended decisions need not include a review of the underlying record.

(3) If the board determines that a recommended decision meets the requirements of subsection (1), the board shall adopt the recommended decision. When a recommended decision is adopted and rendered by the board, it becomes final.

(4) If the board determines that a recommended decision does not comply with the requirements of subsection (1), the board shall proceed as follows:

(a) The board shall request the advice of board legal counsel to evaluate further action and shall take the steps necessary for producing a final decision in compliance with subsection (1).

(b) The board may direct a special magistrate to produce a recommended decision that complies with subsection (1) based on, if necessary, a review of the entire record.

(c) The board shall retain any recommended decisions and all other records of actions under this rule section.

(1)(a) For each petition not withdrawn or settled, the board shall produce a written final decision that contains findings of fact, conclusions of law, and reasons for upholding or overturning the property appraiser’s determination. Each final decision shall contain sufficient factual and legal information and reasoning to enable the parties to understand the basis for the decision, and shall otherwise meet the requirements of law. The board may fulfill the requirement to produce a written final decision by adopting a recommended decision of the special magistrate containing the required elements and providing notice that it has done so. The board may adopt the special magistrate’s recommended decision as the decision of the board
incorporating the recommended decision, using a postcard or similar notice. The board shall ensure regular and timely approval of recommended decisions.

(b) Legal advice from the board legal counsel relating to the facts of a petition or to the specific outcome of a decision, if in writing, shall be included in the record and referenced within the findings of fact and conclusions of law. If not in writing, such advice shall be documented within the findings of fact and conclusions of law.

(2) A final decision of the board shall state the just, assessed, taxable, and exempt value, for the county both before and after board action. Board action shall not include changes made as a result of action by the property appraiser. If the property appraiser has reduced his or her value or granted an exemption, property classification, or “portability” assessment difference transfer, whether before or during the hearing but before board action, the values in the “before” column shall reflect the adjusted figure before board action.

(3) The board’s final decision shall advise the taxpayer and property appraiser that further proceedings in circuit court shall be as provided in Section 194.036, F.S.

(4) Upon issuance of a final decision by the board, the board shall provide it to the board clerk and the board clerk shall promptly provide notice of the final decision to the parties. Notice of the final decision may be made by providing a copy of the decision. The board shall issue all final decisions within 20 calendar days of the last day the board is in session pursuant to Section 194.032, F.S.

(5) For the purpose of producing the final decisions of the board, the department prescribes the Form DR-485 series, and any electronic equivalent forms approved by the department under Section 195.022, F.S. The Form DR-485 series is adopted, and incorporated by reference, in Rule 12D-16.002, F.A.C. The Form DR-485 series, or approved electronic equivalent forms, are the only forms that shall be used for producing a final decision of the board. Before using any form to notify petitioners of the final decision, the board shall submit the proposed form to the department for approval. The board shall not use a form to notify the petitioner unless the department has approved the form. All decisions of the board, and all forms used to produce final decisions on petitions heard by the board, must contain the following required elements:

(a) Findings of fact;
(b) Conclusions of law; and
(c) Reasons for upholding or overturning the determination of the property appraiser.

(6)(a) If, prior to a final decision, any communication is received from a party concerning a board process on a petition or concerning a recommended decision, a copy of the communication shall promptly be furnished to all parties, the board clerk, and the board legal counsel. No such communication shall be furnished to the board or a special magistrate unless a copy is immediately furnished to all parties. A party may waive notification or furnishing of copies under this subsection.

(b) The board legal counsel shall respond to such communication and may advise the board concerning any action the board should take concerning the communication.

(c) No reconsideration of a recommended decision shall take place until all parties have been furnished all communications, and have been afforded adequate opportunity to respond.

(d) The board clerk shall provide to the parties:
   1. Notification before the presentation of the matter to the board; and
   2. Notification of any action taken by the board.

(7) Copies of the forms incorporated in Rule 12D-16.002, F.A.C., may be obtained at the Department’s Internet site: http://dor.myflorida.com/dor/property/forms/.

After the board issues its final decision, further proceedings and the timing thereof are as provided in Sections 194.036 and 194.171, F.S.

12D-9.034 Record of the Proceeding.

(1) The board clerk shall maintain a record of the proceeding. The record shall consist of:
   (a) The petition;
   (b) All filed documents, including all tangible exhibits and documentary evidence presented, whether or not admitted into evidence; and
   (c) Meeting minutes and a verbatim record of the hearing.

(2) The verbatim record of the hearing may be kept by any electronic means which is easily retrieved and copied. In counties that use special magistrates, the special magistrate shall accurately and completely preserve the verbatim record during the hearing, and may be assisted by the board clerk. In counties that do not use special magistrates, the board clerk shall accurately and completely preserve the verbatim record during the hearing. At the conclusion of each hearing, the board clerk shall retain the verbatim record as part of the petition file.

(3) The record shall be maintained for four years after the final decision has been rendered by the board if no appeal is filed in circuit court, or for five years if an appeal is filed.

(4) If requested by the taxpayer, the taxpayer’s agent, or the property appraiser, the board clerk shall retain these records until the final disposition of any subsequent judicial proceeding related to the same property.

12D-9.035 Duty of Clerk to Prepare and Transmit Record.

(1) When a change in the tax roll made by the board becomes subject to review by the Circuit Court pursuant to Section 194.036(1)(c), F.S., it shall be the duty of the board clerk, when requested, to prepare the record for review. The record shall consist of a copy of each paper, including the petition and each exhibit in the proceeding together with a copy of the board’s decision and written findings of fact and conclusions of law. The board clerk shall transmit to the Court this record, and the board clerk’s certification of the record which shall be in the following form:

12D-11.007 Budget Amendments and Budget Transfers – Property Appraisers.
1) Budget amendments are defined as line-item changes which either increase or decrease the total budget. Copies, as approved, are furnished to the official, and Board of County Commissioners. (Section 195.087(1)(a), F.S.).
(2) Budget transfers are defined as line-item changes between appropriation categories which do not change the total budget appropriation. Copies of approval are provided to the official.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 195.087, 213.05 FS. History–New 10-12-76, Amended 4-29-82, Formerly 12D-11.07.

12D-11.008 Distribution of Excess Funds – Tax Collectors.
The distribution of excess fees for each governmental unit shall be that portion of the excess fees that its fee payment represents to the officer’s total fee income. In calculating this ratio, extend to five significant decimals. This will result in a percentage followed by three decimals; for example:

\[
\frac{15,769}{578,639} = 0.02725 = 2.725\%
\]

All taxing authorities share in this distribution. In some instances, such a proration will not equal the total excess fees on hand. This is the result of miscellaneous income to the office from sources other than those who were originally billed, such as state agencies paying some portion of the total fees, and sale of RP tags. In such cases, this balance, after the division and distribution pursuant to statutory provisions, shall be paid to the County General Fund. An example is given, assuming the following facts:
(1) Total fee income was $100,000.
(2) Excess fees were $10,000.
(3) The county and special districts A, B and C are the governmental units concerned.

12D-13.001 Definitions.
As used in this chapter, the following definitions shall apply, unless the context clearly requires otherwise:

(1) “Tax notice” shall mean the tax bill sent to taxpayers for payment of any taxes or special assessments collected pursuant to Chapter 197, F.S.

(2) “Tax receipt” shall mean the paid tax notice.
(3) “Tax certificate” shall mean a legal document, representing unpaid delinquent real property taxes, non-ad valorem assessments, including special assessments, interest, and related costs and charges, issued in accordance with Chapter 197, F.S., against a specific parcel of real property and becoming a first lien thereon, superior to all other liens, except liens restrictions and covenants surviving or protected as provided by Section 197.573(2), F.S. The term shall also mean, in those counties having the computer capacity to issue tax certificates electronically, the entry on the list containing the name of the purchaser, the amount of each certificate purchased, the property identification number, and percentage bid.

(4) “Calculated monthly” shall mean that monthly interest is earned as of the first day of the month, calculated by dividing the annual rate by twelve. For example, if the rate of interest is 18 percent per year, a full one and one-half percent is earned as of the first day of each month.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 195.027, 197.102, 197.573, 213.05 FS. History–New 6-18-85, Formerly 12D-13.01, Amended 5-23-91, 2-25-96.

12D-13.002 When Taxes Are Due; Notice of Publication; Discounts if Taxes Are Paid Before Certain Times.

(1) Taxes are due and payable November 1, of the year they are assessed, or as soon thereafter as the tax collector receives the tax rolls. Taxes are delinquent on April 1, of the year following the year of assessment or after 60 days has expired from the mailing of the original tax notice, whichever is later. If the tax collector receives the payment of taxes by mail, he or she shall use the postmark to determine the date of payment, the applicable discount if any, and if the taxes were paid before the delinquency date. Payments received after the date of delinquency but postmarked before the date of delinquency are not delinquent. However, where the postmark indicates that taxes are delinquent, then the date payment is received in the tax collector’s office shall be the date of payment for determining if payment was received prior to the tax certificate sale date and for determining penalties, advertising and other costs.

(2) The tax collector shall not accept partial payment or installment payments of taxes other than those authorized by these rules.

(3) Where the total amount due, including, but not limited to taxes, interest, penalties, fees and advertising and other costs, exceeds the amount listed on the tax notice, the tax collector shall be required to collect the total amount due.

(4) All taxes assessed on the county tax rolls are entitled to a discount for early payment at the following rates:

(a) Four percent in the month of November;
(b) Three percent in the month of December;
(c) Two percent in the month of January;
(d) One percent in the month of February; and
(e) Taxes are payable without discount in March.

(f) Discounts shall be allowed on the payment of back assessments on real and personal property taxes as well as taxes for the current year.

(g) For purposes of this rule section, when a discount period ends on a Saturday, Sunday or legal holiday, the discount period shall be extended to the next working day if payment is delivered to a designated collection office of the tax collector. Where discount periods are extended, payments postmarked after the end of the discount period are considered made within the discount period only when payment is delivered to a designated collection office of the tax collector on the extended date. Such extension shall not operate to extend any other discount
period. Legal holiday shall mean any day which, by the laws of Florida or the United States, is
designated or recognized as a legal or public holiday.

(h) If the tax notices are mailed in such a manner that a full 30 day four-percent discount
period cannot be granted during November, then the four-percent discount period shall extend
into the following month to allow a full 30 days. The discount otherwise applicable for that
month shall apply during the balance of such following month. Where the four-percent discount
period begins after any of the allowable discount periods have expired or extends through an
allowable discount period then such other discounts shall not be allowable.

(i) If the tax notices are mailed in March or later, then the four-percent discount shall extend
for thirty days and no other discount shall be allowed. Regardless of how late the tax notices are
mailed, there shall be at least 60 days in which to pay taxes before delinquency, with the first 30
days being the four-percent discount period and the remaining time being the applicable discount
for that period or no discount as the case may be.

(j) However, when the tax collector has received a certified tax roll and tax notices are
mailed prior to November 1, the tax collector shall accept early payment of real and personal
property taxes. The four-percent discount is authorized on such early payments and shall extend
through the month of November.

(5) The four-percent discount shall commence running the day after the mailing of the
original tax notices. Where the tax collector makes a correction to a tax notice not requested by a
taxpayer, the corrected tax notice is considered to be the original tax notice. When a taxpayer
makes a request to have the original tax notice corrected and it is subsequently corrected, the
discount rate for early payment applicable at the time the request for correction is made will
apply for 30 days after the mailing of the corrected tax notice. It shall be the property owner’s
responsibility to make a timely request, but this shall not preclude the tax collector or property
appraiser from making such corrections and mailing corrected tax notices.

(6)(a) The notice by publication as required by Section 197.322, F.S., shall include at a
minimum the following information: A statement that the tax roll has been delivered by the
property appraiser to the tax collector for collection, the tax year, location of the tax collector’s
office and annexes, if any, type of taxes, districts and cities, discounts and the month in which
discounts are applicable, office hours and telephone numbers. The size of the notice shall be
large enough to be easily seen, i.e., 3 by 6 inches.

(b) Such notice shall be published on November 1, or as soon as the assessment roll is open
for collection. The collector may publish said notice in more than one publication of the same
paper or in more than one newspaper.

(c) The affidavit shall be substantially as follows:

12D-13.004 Interest on Delinquent Taxes.

(1) Unpaid taxes on real and personal property are delinquent on April 1 of the year following the year of assessment except where the tax roll certifications pursuant to Section 193.122, F.S., are late and the tax notices are mailed less than 60 days prior to April 1, following the year in which the taxes are assessed. In such cases the delinquency date shall be the day following the expiration of sixty days from the mailing of tax notices.

(2) Delinquent payments shall be returned with the statement that the payment was delinquent and that interest has accrued and that unless total payment is received before the date of the sale, specifying the date of the sale, a tax certificate will be sold or a warrant will be issued.

(3) Delinquent real property taxes are subject to interest at the rate of 18 percent per year, calculated monthly (one and one-half percent per month) from the date of delinquency until the tax is collected or a tax certificate is issued. However, a minimum charge of three percent shall be charged on delinquent real property taxes. Delinquent taxes may be paid at any time before a tax certificate is sold by payment of all taxes, tax collector’s costs, advertising charges and interest as provided in Section 197.402, F.S.

(4) Delinquent personal property taxes are subject to interest at the rate of 18 percent per year, calculated monthly (one and one-half percent per month) from the date of delinquency until paid or barred under Chapter 95, F.S.

(5) Interest and penalties collected shall be distributed as are any taxes collected, that is, on a pro rata basis to the taxing authorities sharing in the distribution of the delinquent tax.

12D-13.005 Discounts and Interest on Taxes WhenParcel is Subject to Value Adjustment Board Review.

Taxpayers whose tax liability was altered as a result of the value adjustment board action shall have 30 days from the mailing of a corrected tax notice to pay taxes. A four-percent discount shall apply to such payments. Thereafter, the regular discount periods shall be applicable.

Rulemaking Authority 194.034(1), 195.027(1), 213.06(1) FS. Law Implemented 194.034, 197.162, 197.323, 213.05 FS. History–New 6-18-85, Formerly 12D-13.05.
12D-13.006 Procedure for the Correction of Errors by the Tax Collector; Correcting Erroneous or Incomplete Personal Property Assessments; Tax Certificate Corrections.

(1) This rule shall apply to errors made by tax collectors in the collection of taxes on both real and personal property. A tax collector may correct any error of omission or commission made by him or her including those referenced in Rule 12D-8.021, F.A.C.

(2) The payment of taxes shall not be excused because of any act of omission or commission on the part of any property appraiser, tax collector, value adjustment board, board of county commissioners, clerk of the circuit court or newspaper in which an advertisement may be published. Any error or any act of omission or commission may be corrected at any time by the party responsible. The party discovering the error shall notify the person who made the error and the person who made the error shall make such corrections immediately. If the person who made the error refuses to act, for any reason, then subject to the limitations in this rule section, the person discovering the error shall make the correction. Corrections should be considered as valid from the date of the first act of omission or commission and shall not affect the collection of tax.

(3) The tax collector and the clerk of the court shall notify the property appraiser of the discovery of any errors on the prior years’ rolls when the property appraiser has not certified the current tax roll to the tax collector for collection.

(4) The tax collector may correct errors on all tax rolls in his or her possession provided that such corrections are certified by the property appraiser or approved by the value adjustment board.

(5) The property appraiser shall notify the property owner, upon the correction of any error that will increase the assessed valuation and subsequently the taxes, of the owner’s right to present a petition to the value adjustment board, except when a property owner consents to an increase, as provided in subsection (6) of this rule section and subsection 12D-8.021(10), F.A.C., or when the property appraiser has served a notice of intent to record a lien when property has improperly received homestead exemption. However, this shall not restrict the tax collector, clerk of the court, or any other interested party from reporting errors to the value adjustment board.

(6) If the value adjustment board has adjourned, the property owner shall be afforded the following options when an error has been made which when corrected will have the effect of increasing the assessed valuation and subsequently the taxes. The options are:

(a) The property owner by waiver may consent to the increase in assessed valuation and subsequently the taxes by stating that he or she does not desire to present a petition to the value adjustment board and that he or she desires to pay the taxes on the current tax roll. If the property owner makes such a waiver the tax collector shall proceed under Rule 12D-13.002, F.A.C.

(b) The property owner may refuse to waive the right to petition the value adjustment board, at which time the property appraiser shall notify the property owner and tax collector that the correction shall be placed on the subsequent year’s tax roll and at such time as the subsequent year’s tax roll is prepared, the property owner shall have the right to file a petition contesting the corrected assessment.

(7) When the taxpayer waives his or her right to petition the value adjustment board, the tax collector shall prepare a corrected notice immediately and shall forward the same to the property owner.

(8) Special Rules Governing Correction of Erroneous or Incomplete Personal Property Assessments.
(a) If a property appraiser fails or refuses to correct an erroneous or incomplete personal property assessment within 30 days of a tax collector’s request, the collector shall certify all such assessments to the Board of County Commissioners as errors or insolvencies and enter the same on the final report.

(b) When personal property assessments are vague to the point that the property being levied upon cannot be identified, it is the responsibility of any county official or employee to request that the property appraiser identify to the best of his or her ability the property in question so that positive identification may be made. This shall apply to assessments that have been perpetuated from year to year.

(c) Personal property returns perpetuated and on file with the statement, “same as last year”, or the equivalent statement may not be deemed a proper return and should be corrected before attempts are made to levy upon the property which is delinquent or may become delinquent. This shall apply to prior year’s tax rolls as well as current assessments, which may or may not be delinquent.

(d) Tax returns on file in the property appraiser’s office may be used to establish the identity of property on which the tax is delinquent or may become delinquent. The return may also be used to identify property which is in danger of being removed from the county prior to the payment of taxes which may be due.

(9) Special Rules Governing Double Assessments. When a collector discovers that any property has been assessed more than once for the same year’s taxes, he or she shall collect only the tax justly due. The tax collector shall notify the property appraiser that a double assessment exists and furnish such information as shown on the tax roll to substantiate said double assessment. Upon receiving notification from the tax collector, the property appraiser shall proceed under subsection 12D-8.021(11), F.A.C. If said taxes have been paid on both assessments then the tax collector shall apply to the Department of Revenue for a refund as provided by Section 197.182, F.S.

(10) Special Rules Governing Tax Certificate Corrections.

(a) When a tax certificate has been sold and the property appraiser certifies to the tax collector that an error has been made in the assessment of the property, or any other error that may be corrected, the tax collector shall submit a request to correct the tax certificate. The request to correct or cancel shall be forwarded to the Department of Revenue for consideration. If the tax collector issues a tax certificate against a parcel of real property which is subject to protection of a United States Bankruptcy Court during the pendency of the bankruptcy stay, the tax collector may cancel the tax certificate and the Department shall approve such cancellation. Otherwise, only the Department of Revenue or a court of law may cancel a tax certificate.

(b) When a tax certificate has been canceled or corrected pursuant to Chapter 197, F.S., the tax collector shall correct the tax certificate records and notify the owner of the certificate that his or her certificate has been corrected or canceled and the correction or cancellation has been made pursuant to Chapter 197, F.S. If the tax certificate holder refuses to surrender the tax certificate for correction, the tax collector shall notify the holder of such correction by registered or certified mail, or personal service, and all county officials shall honor such correction.

(c) When the correction results in a reduction in the principal of the tax certificate, the holder of the certificate shall be entitled to a refund of the amount of the reduction. The refund shall be made in accordance with these rules. The county is not liable for interest on the amount refunded if the certificate was sold prior to June 15, 1976. For certificates sold on and after June 15, 1976, but before October 1, 1998, the amount refunded shall earn interest at the rate of eight percent
per year. For certificates sold on and after October 1, 1998, if the rate bid is less than eight percent, the amount refunded shall earn interest at the rate bid. Interest shall be calculated monthly, from the date the certificate was sold to the date the refund is ordered.

(d) This subsection shall apply to all tax certificates even though a tax deed application has been filed with the tax collector and advertised by the clerk of the court. Tax deeds that have been issued may be corrected by the clerk pursuant to the Florida Statutes.

(11) Changes to any non-ad valorem assessment roll shall be prepared by the local governing board that prepared and certified the roll for collection, consistent with the provisions of Rule 12D-18.006, F.A.C.

(1) When property has been properly assessed in the name of the owner as of January 1 of the tax year, the appraiser may not cancel the assessment by reason of a sale of the whole or a part of the property. The assessment is against the property, not the owner.

(2) When the new owner or the original owner wishes to pay taxes on his or her proportionate share of the whole property, it is the duty of the property appraiser to figure the amount of the assessment on that portion of the whole. However, the request for a split or cutout shall initiate with the tax collector. The owner may request at any time from November 1, or as soon thereafter as the tax roll comes into the hands of the tax collector and up until 15 days before the tax certificate sale, an assessment on property to be split or cutout of a larger parcel.

(3) If a property owner files a request for a split or cutout within the 15-day period immediately prior to the sale of tax certificates then the tax collector may sell a Tax Sale Certificate on the land in question. If a Tax Sale Certificate is sold because the request for split or cutout was made within the 15-day period then the property owner will be in the same position to redeem a portion of the Tax Sale Certificate as any other person. The redemption of a portion of a Tax Sale Certificate shall be allowed as soon as the tax collector receives the split or cutout from the property appraiser. The person making a partial redemption shall pay the tax according to the split or cutout, the interest and tax collector’s fee, or the partial redemption shall not be allowed.

(4) The party requesting the split or cutout may be required to furnish proof to substantiate his or her claim. Proof may be in the form of a recorded instrument. (See Attorney General’s Opinion 75-105.)

(5) The tax collector upon request for a split or cutout being filed shall immediately forward said request to the property appraiser. The completed request for the split or cutout, filed with the property appraiser, shall be returned to the tax collector not later than the ten days after the request was filed by the tax collector.

(6) The tax collector shall issue his or her receipt showing that taxes have been paid on that portion of the property in order to prevent that part from having a tax certificate sold for delinquent taxes. If a portion of the taxes remains unpaid and become delinquent then the tax collector shall advertise and sell tax certificates as he or she would on other parcels of delinquent property.
(7) If the request for split or cutout occurs after the lands have been advertised for delinquent taxes, but before the 15-day deadline of the tax certificate sale, then the tax collector shall prorate the interest and advertising cost incurred by the county.

(8) The tax collector is not prohibited from accepting requests for splits or cutouts within the 15-day period before the tax certificates sale. If possible, the tax collector and property appraiser may process such request prior to the sale of tax certificates. If Tax Sale Certificates are sold before the split or cutout is made, then the property owner may redeem the parcel according to the split or cutout as any other redemption would be made.

12D-13.008 Errors and Insolvencies List.

(1) On or before the 60th day after the tax certificate sale is completed, the tax collector shall make a report to the Board of County Commissioners of the List of Errors, Insolvencies and Double Assessments for each tax roll for which he or she is credited for collection. The report of errors, insolvencies, and double assessments shall show the following, in every case: the name of the person or parties to whom the credit is allowed, the identification number, the amount of taxes to be stricken from the roll, and the reason the reduction is allowed.

(2) It shall not be necessary for the tax collector to have a certificate of correction from the property appraiser on each item that appears on the List of Errors, Insolvencies and Double Assessments. This shall apply to the Real Estate Tax Roll as well as the Personal Property Tax Roll.

(3) When it is proved to the tax collector that an error has occurred, he or she shall place this error or correction on the List of Errors, Insolvencies and Double Assessments. A certificate of correction is only one method of offering proof to the tax collector that an error has occurred. (See Rule 12D-13.006, F.A.C.)

(4) The Board of County Commissioners, upon receipt of the report, shall examine and make such investigation as may be necessary to determine the correctness of said report. If it is discovered that the tax collector has taken credit as an insolvent item any personal property tax due by a solvent taxpayer, then the amount of tax due shall be charged to the tax collector. The report shall not be approved until the tax collector strikes such items from the report.

12D-13.009 Refunds.

(1) This rule shall apply to all ad valorem tax refunds. A claim for refund not processed in accordance with this rule section shall not constitute exhaustion of administrative remedies.

(a) For purposes of this rule section, the terms “claim,” “application,” or “request” for refund shall all mean the tendering of a signed Form DR-462, Application for Refund of Ad Valorem Taxes (incorporated by reference in Rule 12D-16.002, F.A.C.), to the tax collector. When a certificate of correction, Form DR-409 (incorporated by reference in Rule 12D-16.002, F.A.C.), from the property appraiser predates the Form DR-462, the claim date shall be the date the certified Form DR-409 from the property appraiser is delivered to and received by the tax collector.
(b) The term “taxpayer” shall include the person who paid or redeemed the taxes or who purchased or redeemed a tax certificate or tax deed.

(2) The tax collector may grant any refund arising from error of a property appraiser only where the property appraiser has issued a certificate of correction, Form DR-409, as specifically authorized in Rule 12D-8.021, F.A.C., directly reducing the taxable value of real or tangible personal property upon an assessment roll certified to the tax collector or, for a non-ad valorem assessment, only where the local governing board has issued a certificate of correction. The refunds which may be granted by the tax collector, without approval by the Department, where, if necessary, properly documented by the property appraiser or local governing board as provided in this rule section, shall include:

(a) Any overpayments. For purposes of this rule section, the term “overpayment” shall mean a payment where a tax was due and where the assessed value as defined in Section 192.001(2), F.S., was correct and is not being changed, but through an error, the amount of tax paid was in excess of the amount due. Examples would be mathematical errors by taxpayers and failure to take the applicable discount.

1. The term “overpayment” shall also include a payment in excess of the assessment found to be due by a final order of a value adjustment board where the taxpayer timely filed a petition with such value adjustment board and such value adjustment board finding is not subject to an assertion by the property appraiser pursuant to Section 194.036, F.S. Overpayments resulting from a payment in excess of the assessment found to be due by a final order of a value adjustment board where the taxpayer timely filed with such value adjustment board and where such value adjustment board finding is not subject to an assertion by the property appraiser pursuant to Section 194.036, F.S., need not be accompanied by a certificate of correction from the property appraiser for that tax year. See Section 197.323(1), F.S. If the property appraiser challenges the finding of the value adjustment board, then the tax collector shall submit the refund request to the Department; such order is not final and is not an overpayment.

2. Overpayments in the amount of five dollars or less may be retained by the tax collector unless a written claim for a refund is received from the taxpayer. Overpayments over five dollars, as a result of taxpayer error, if determined within the four-year period of limitation, shall be automatically reimbursed to the taxpayer, and do not require approval from the Department.

(b) Payment where no tax was due. For the purposes of this rule section, the term “payment where no tax was due” shall mean a payment on a property which was not subject to tax for that year, either because the property was not taxable on January 1 or because an exemption was properly and timely applied for. The term shall also include a payment where federal or other controlling law indicates that the property was immune or exempt and not subject to tax, and that therefore, a tax certificate, if sold, would be unenforceable, and that the property appraiser, in the exercise of sound judgment, could not have determined the property was taxable. Examples of payments where no tax is due are:

1. A state right of way or other exempt or immune governmental property.

2. Exemptions, timely applied for but not granted on the tax roll, such as homestead, widows/widowers, disabilities, etc., which is being corrected to grant the exemption. This includes postal error where the U.S. Postal Service certifies its error.

3. Taxes paid under illegal or unconstitutional levies, where the court directly ordered the tax collector to refund the taxes. If there is a question, the tax collector shall send the refund to the Department for approval.
(c) Any payment made by a taxpayer to the tax collector in error. The term “payment in error” includes payment by one taxpayer for a parcel which is erroneously applied to another taxpayer or parcel. See paragraph (5)(b) of this rule section.

(d) Refunds which have been ordered by a court.

(e) Refunds which do not result from changes made in the assessed value on a tax roll certified to the tax collector.

(f) Refunds under the interim assessment roll statute, Section 193.1145(8)(c), F.S.

(g) Refunds made pursuant to Section 197.323, F.S., relating to refunds resulting from extension of tax rolls prior to termination of value adjustment board hearings.

(h) Changes and corrections in millage only.

(3) The tax collector shall submit to the Department any claim for refund for $400 or more resulting from a change to the assessed value or classified use value on the tax roll, resulting from an error of the property appraiser which is sought to be corrected by the correction of error procedure described in Rule 12D-8.021 or 12D-13.006, F.A.C. Refunds of less than $400 shall be made directly by the tax collector, from undistributed funds, without approval from the Department or the various taxing authorities.

(a) Such refunds include:

(b) Change in agricultural classification or granting of agricultural classification.

(c) Where a bona fide controversy exists between the tax collector and the taxpayer as to the liability of the taxpayer for the payment of the taxes claimed to be due.

(d) Tax certificates that have been corrected when the correction requires that the tax certificate be reduced in value due to some error of the property appraiser, tax collector, their deputies, or other county officials.

(e) Void tax certificates.

(f) Corrected tax certificates.

(g) Void tax deed applications.

(h) Material mistake of fact, as described in Section 197.122, F.S., that is discovered within one (1) year of the approval of the tax rolls under Section 193.1142, F.S., and affecting the assessed value of the property. The property appraiser has the option to issue a refund order directly to the tax collector for such corrections. When the tax collector receives such a correction from the property appraiser on which the option has not been so indicated in the space provided on Form DR-409 as described in Rule 12D-8.021, F.A.C., the tax collector shall send the refund to the department for action pursuant to Section 197.182, F.S.

(4)(a) Refunds arising from cancellations or corrections of tax certificates resulting from, but not limited to, the following shall bear interest at eight percent for certificates sold on or after June 15, 1976, but before October 1, 1998. For certificates sold on and after October 1, 1998, the amount refunded shall earn interest at the rate bid, if the rate bid is less than eight percent.

1. Assessments reduced by a United States Bankruptcy court, where the order does not otherwise award interest.

2. Assessments reduced under Section 196.295, F.S., due to title held under a claim of immunity under federal law by federal instrumentalities or their successors such as Resolution Trust Corporation (RTC), Federal Deposit Insurance Corporation (FDIC), or Federal Savings and Loan Insurance Corporation (FSLIC).

3. Certificates sold after seizure or recordation of claim of property by the United States under the forfeiture provisions of section 21 U.S.C. 881.

(b) No refund shall be due without court order in cases as follows:
1. Tax certificates sold for taxes accruing prior to seizure of or recordation of claim to property by the United States under the forfeiture provisions of section 21 U.S.C. 881.

2. Tax certificates sold prior to bankruptcy.

(5) The following limitations apply to refunds.

(a) The tax collector shall not grant any refund which results from an error of omission or commission by a property appraiser unless and until such property appraiser files a certificate of correction under Rules 12D-8.021 and 12D-13.006, F.A.C., and other applicable rules. For each refund which involves a change in the assessed value or taxable value of the property not due to clerical error of the tax collector, a certificate of correction from the property appraiser shall be necessary to substantiate the refund.

(b) Claims for refund of taxes paid in error must be made within four years of January 1 of the tax year for which the taxes were paid.

1. Before such a request can be processed by the tax collector, the taxpayer must make a written request for reimbursement by certified mail, return receipt requested, to the owner of the property on which the taxes were erroneously paid, within two years of the date of the erroneous payment or before the property on which taxes were paid is transferred to a third party for consideration, whichever is earlier. The taxpayer shall include a copy of the paid tax receipt with the request for reimbursement. If the owner of the property on which the taxes were erroneously paid reimburses the taxpayer, the taxpayer shall forward the original tax receipt to the owner of the property. If the owner of the property fails to reimburse the taxpayer within 45 days from the date of the request for reimbursement, the taxpayer shall be entitled to apply to the tax collector for a refund. The application shall include, as proof of the claim:
   a. A copy of the written request for reimbursement,
   b. The return receipt showing that the original request was mailed to the property owner, and
   c. The original paid tax receipt.

2. Upon determining that the refund is due, the tax collector shall:
   a. Cancel the paid tax receipt and note cancellation on the tax roll and on the face of all copies of the receipt in the tax collector’s files.
   b. Draw the amount to be refunded from undistributed funds that the tax collector is holding for distribution. If these funds are not sufficient, the tax collector shall bill the appropriate taxing authority for their proportionate share.
   c. Refund the full amount paid to the taxpayer.

3. The tax collector shall collect the unpaid tax as follows:
   a. If the tax roll is still open for collection and discounts are still applicable, the property owner shall be billed accordingly and shall receive the appropriate discounts if taxes are timely paid.
   b. If taxes have become delinquent, the tax collector shall forward a tax notice to the property owner stating that the taxes are delinquent and that a tax certificate will be sold if the taxes are not paid within 30 days. No discount shall be allowed.
   c. If taxes are not paid within the allotted 30 days, the tax collector shall advertise the delinquent taxes and sell a tax certificate pursuant to Chapter 197, F.S. Interest shall accrue on delinquent taxes as prescribed by Chapter 197, F.S.

(c) Refund claims pursuant to Section 197.473, F.S. (unclaimed redemption funds) and Section 197.582, F.S. (unclaimed proceeds of tax deed sales), must be made within two years from the date the funds were remitted to the board of county commissioners. After funds are remitted to the board, applications for refund shall be made to the clerk of the circuit court, by
filing the Form DR-462 with the clerk. The clerk shall proceed as provided by law and by this rule chapter.

(d) Refunds on void and corrected tax certificates shall be made in accordance with this rule section; however, the four-year statute of limitation set forth in Section 197.182(1)(c), F.S., shall not apply to or bar refunds resulting from cancellation of void or corrected tax certificates and release of tax deeds. Otherwise proper refunds may be made for void and corrected tax certificates where claim for refund is made during the seven-year life of the certificate, as specified in Rule 12D-13.059, F.A.C.

(e) All other claims for refunds must be made within four years after January 1 of the tax year for which the taxes were paid.

(f) For purposes of this rule subsection, when a limitation period ends on a Saturday, Sunday, or legal holiday, the period shall be extended to the next working day. Legal holiday shall mean any day which, by the laws of Florida or the United States, is designated or recognized as a legal or public holiday.

(g)(a) Any error claimed under this rule section but which is not adequately documented, any error claimed under this rule subsection but which the tax collector does not have the authority to grant, or any other method of proof of error which the tax collector believes is insufficient may be sent to the Department with a properly filed claim for refund. See Rule 12D-13.008, F.A.C.

(b) For changes to the tax roll or certificates of correction involving a change in the property appraiser’s judgment, no refund shall be made. No property appraiser shall issue a certificate of correction except for a reason permitted by Rule 12D-8.021, F.A.C., or other applicable law.

(h)(a)1. Claim for refund shall be made by filing Form DR-462 with the tax collector. The claim shall state each year for which refund is being claimed. The property appraiser shall refer taxpayers to the tax collector to file a claim. No tax collector, board of county commissioners, or clerk of the court shall refuse to allow timely application for refund to be processed or forwarded to the Department for consideration. Taxpayers are not required to make payments under protest in order to subsequently file an application for refund.

2. Where funds are available from current receipts, a taxpayer is entitled to receive an approved refund within 100 days after the claim for refund is made. This time limitation may be extended for a maximum of 60 days if good cause is shown by the property appraiser, tax collector, or the Department. Good cause shall mean inability to comply not due to any action of the local official or the Department. The procedures set forth in subsection (9) of this rule apply where funds are not available from current receipts.

(b) A certificate of correction from the property appraiser is not necessary to file an application for refund. Where a property appraiser has not made a certificate of correction, the tax collector shall forward the refund application to the property appraiser within 30 days after receipt of the application. The property appraiser has 30 days after receipt of the application to make a correction to the tax roll if the property appraiser agrees that an error has been made which can be corrected under Rule 12D-8.021 or 12D-13.006, F.A.C., and other applicable rules. After 30 days, the property appraiser shall return the refund application, with a signed Certificate of Correction, Form DR-409, to the tax collector or provide a written statement of the reason the tax roll has not been corrected. The times stated in this rule paragraph may be extended by a maximum of 60 days if good cause is stated. Good cause shall mean inability to comply not due to any action of the local official or the Department.

(c) A county property appraiser’s appraisal determination is entitled to a presumption of correctness and may not be later adjusted through certificate of correction except as provided in
Rule 12D-8.021, F.A.C. No taxpayer may challenge the assessed or taxable value unless authorized by law.

(8)(a) Upon receipt of a completed application for refund, the tax collector shall process the application or shall certify the application for refund to the Department if necessary in accordance with this rule. The request or application for refund shall be on Form DR-462. The tax collector shall certify that the refund claim is complete by signing and dating the Form DR-462. The tax collector shall attach such proof as is necessary to prove the claims. Such proof shall include, but not be limited to, the following documents as applicable. The property appraiser shall provide proof of these items as indicated in Rule 12D-8.021, F.A.C.

1. Form DR-462, signed by the tax collector.
2. Signed Form DR-409, Certificate of Correction, if available. This rule section shall not be construed to permit a letter from a property appraiser which is not on the official certificate of correction form.
3. Copy of the paid tax notice receipt evidencing the date the amount of refund claimed was actually paid in taxes.
4. For taxes paid in error:
   a. Form DR-462 in duplicate;
   b. Copy of demand letter sent by certified mail;
   c. Proof claim was made within 24 months of the date of the erroneous payment; and
   d. Proof that property has not been conveyed to a third party for a consideration in last 24 months;

(b) Upon receipt of a complete application for refund, the tax collector shall certify the application for refund to the Department in accordance with this rule. Application for refunds shall be processed in a timely manner and it shall be the sole responsibility of the Department to investigate and determine if the applicant is entitled to a refund.

(c) If the refund is due to a change in the assessed value or classified use value, the tax collector shall forward an original and one copy of the refund request and all supporting evidence to the Department for consideration. The tax collector shall not correct the tax roll or further process the refund until after the Department approves the refund.

(d) The Department must approve or deny the refund claim within 30 days after receipt. However, where good cause is stated for delaying the approval or denial of a refund, the Department may extend such approval or denial for a maximum of 60 additional days. Good cause shall mean inability to comply not due to any action of the local official or the Department.

(9)(a) The tax collector shall prorate the amount of the refund to be made by the various taxing authorities in proportion to their pro rata share. Upon determining the refund is due or, if the refund results from a change to the assessed value, upon notification of the Department’s approval and receipt of its order, the tax collector shall:

1. Certify copies of the approved application for refund and the proration to each taxing authority and shall state why the refund is requested.
2. Cancel the original tax receipt and note the cancellation on the tax roll and on the face of all copies of the receipt in the tax collector’s files.
3. Make the authorized refunds, first from any undistributed funds held by the tax collector for the various taxing authorities.

(b) If no undistributed funds are available, then upon statement by the tax collector, the various taxing authorities shall immediately forward from their current budget their pro rata share of the refund. If funds are not available in the current budget of a taxing authority, the
taxing authority shall provide in its subsequent budget the necessary funds to make the refund. The taxing authority shall immediately notify the tax collector when no funds are available.

(c) The tax collector shall notify the Department of any taxing authority which fails to forward its pro rata share as certified or fails to advise the tax collector that no funds are available in the current budget.

(d) Upon receipt of all funds from the taxing authorities, the tax collector shall immediately refund the money to the taxpayer or his or her legal representative. The tax collector shall make a refund in one aggregate amount composed of all the pro rata shares of the several taxing authorities concerned. However, the tax collector may make a partial refund only when one or more of the taxing authorities concerned do not have funds currently available to pay their pro rata share of the refund and would cause an unreasonable delay in the total refund.

(10) Upon receipt of an order from the Department denying any refund, the tax collector shall issue the denial in writing to the taxpayer by sending a copy of the order to the taxpayer.

(11) An action to contest a denial of a refund must be made within 60 days after the tax collector issues, by certified mail, the written denial or 4 years after January 1 of the year for which the taxes were paid, whichever is later.

The collector may destroy tax receipts as they become 20 years old. He or she may also destroy receipts after they are one year old, provided they are microfilmed or microfiched. For purposes of this rule, microfilm and microfiche includes storage in digital electronic format. Microfilm or microfiche of tax receipts may be destroyed as it becomes 20 years old. Approval must be obtained from the Department of State, Division of Library and Information Services before destruction of any tax receipts by the tax collector, regardless of age.

(1) On January 1 of each year, all taxes levied pursuant to the constitution and laws of this state shall become a first lien on the taxable property. A tax lien is superior to all other liens on the property and continues in full force and effect until discharged by payment or until barred by Chapter 95 or 197, F.S. If the sale of the personal property assessed is insufficient to pay all delinquent taxes, interest, fees, and costs due, then the lien shall attach to other personal property of the taxpayer within the county. When personal property on which a lien has attached for the non-payment of taxes cannot be located within the county, then the tax collector may seize other personal property of the taxpayer and sell said property. However, the first liens described in this rule section shall not apply against such other personal property which has been sold, and the tax liens against other personal property shall be subordinate to any valid prior or subsequent liens against such other personal property after it has been sold.

(2) All property owners are held to know that taxes are due and payable annually. They are charged with the duty of ascertaining the amount of current and delinquent taxes due.
Chapter 12D-13 Rev. 10-1-2015

(3) A lien created through the sale of a tax certificate may not be foreclosed or enforced in any manner except as prescribed in these rules and in Chapter 197, F.S. Foreclosure by any party other than a tax certificate holder shall not extinguish the lien of the tax certificate. The lien evidenced by a tax certificate is superior to all other liens and as such shall be redeemed prior to any action being filed to foreclose by another lienholder (unless the tax certificate holder is made a party to the foreclosure).

(4) A lien created through the back assessment on real property acquired by a bona fide purchaser, as defined under Section 193.092(1), F.S., that had no knowledge that the property purchased had escaped taxation shall be assessed to the previous owner in accordance with and in the manner prescribed under Section 193.092(1), F.S. Such recorded liens comprise a lien on property in the same manner as a recorded judgment and may be enforced by the tax collector using all remedies related to recorded judgments.

12D-13.012 Payment of Taxes Prior to Platting.
Land shall not be subdivided or any plat filed until all taxes due and payable have been paid. In determining whether taxes are paid, the tax collector shall furnish, upon request, a search of his or her records for a period of twenty years in order to determine that there are no delinquent taxes, outstanding tax certificates or omitted year’s taxes. The tax collector shall certify whenever necessary that all taxes have been paid. For the purpose of the tax collector’s certification, the payment of taxes admitted to be owing pursuant to Section 194.171, F.S., shall be deemed to be paid and the tax collector shall so certify. Payment made pursuant to Section 194.171, F.S., shall be noted by the tax collector and shall not deny or restrict the right of the property owner or his or her representative to file a plat or to subdivide said lands.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 194.171, 197.192, 213.05 FS. History–New 6-18-85, Formerly 12D-13.12.

12D-13.013 Unpaid Taxes, Litigation, Sale of Tax Certificates or Issuance of Tax Warrants.
(1) This rule shall apply to both personal property and real property taxes.

(2) A taxpayer shall pay to the tax collector the amount he or she, in good faith, admits to be owing before he or she can bring an action to contest a tax assessment. Upon payment, the tax collector shall issue a receipt.

(3) When the amount, admitted in good faith to be owing, is less than the total amount of taxes, the tax collector shall issue a receipt for a partial payment. If the taxpayer pays the total amount of the taxes, but pays under protest, the amount paid under protest shall be indicated on the official receipt. In all cases, a receipt shall be issued so that the taxpayer can file his or her complaint with the court. The receipt issued pursuant to this rule for partial payment of taxes shall contain at a minimum the following: The name of the person appearing on the tax roll, the year of the assessment, the legal description, the date paid and the amount paid. The tax receipt, as prescribed by the Department of Revenue, may be used with the notation, “partial payment” made upon the receipt.

(4) When the assessed valuation of several parcels is being contested pursuant to Section 194.171, F.S., the taxpayer shall make a written statement as to the amount of tax he or she, in
good faith, admits to be owing on each parcel. If there are several parcels of property assessed and included on one tax notice, then the property owner shall prepare a statement as to the amount admitted to be owing on each parcel included within the tax notice. The tax collector’s partial receipt shall show each parcel and the taxpayer’s remittance for each parcel. The tax collector shall not issue a partial receipt without a written statement by the taxpayer apportioning what he or she feels in good faith to be owing on each parcel within a multi-parcel tax notice.

(5)(a) Where a taxpayer makes a partial payment of taxes pursuant to Section 194.171(3), F.S., the payment of any taxes by the taxpayer in good faith along with the timely filing of a complaint shall suspend all procedures for the collection of taxes prior to a final disposition of the action by the court. The tax collector shall show the unpaid portion on the recapitulation of the tax roll as being carried in litigation. This entry shall remain on the recapitulation of the tax roll until the court renders a final decision in the litigation, at which time the entry should reflect the decision of the court.

(b) Where a taxpayer makes a partial payment of taxes pursuant to Section 194.171(3), F.S., but does not file a court action, subsection (6) shall apply.

(6)(a) At the termination of litigation the tax collector shall collect the taxes due or advertise for the next tax sale and sell certificates or advertise and issue warrants. Taxes collected at the termination of litigation over and above the amount admitted to be due and owing by the property owner shall be paid without discount within 30 days. If the taxes due are not paid within 30 days, the tax collector shall process the delinquent tax as he or she would any other delinquent tax.

(b) Where the court awards interest or penalties upon the unpaid portion of taxes in litigation, then such interest or penalties shall be distributed to the several taxing authorities in their pro rata share.

(7) In those cases where assessments on the current tax roll are involved in bankruptcy proceedings and the tax collector has been enjoined from collecting the taxes due, the tax collector is not prohibited from accepting full payment of the taxes due if offered.

12D-13.014 Penalties or Interest, Collection on Roll.

(1) When penalties are imposed or required by law, the property appraiser shall, when the penalty is the responsibility of the appraiser, list the penalties on the tax roll for collection by the tax collector. When penalties are to be levied by the tax collector, the collector shall levy and collect said penalties. When either official makes an error in the levying or collecting of penalties, the official responsible for the error shall correct the error as other errors are corrected.

(2) In the collection of penalties or interest, the tax collector shall collect the entire penalty and interest. If the collection of the tax and non-ad valorem assessment is within the period of time specified for discounts, the tax collector shall only allow the discounts on the taxes and non-ad valorem assessments.

12D-13.015 Printing and Posting of Tax Roll by Data Processing Methods, Delivery of Tax Roll to Tax Collector and Clerk of Court, Destruction of Tax Rolls, and Microfilm or Microfiching of Tax Rolls.

(1) In those counties having the capacity to print tax rolls on microfiche or microfilm the property appraiser may print the tax roll on hard copy, microfilm, or microfiche and shall certify the same to the tax collector, value adjustment board, Board of County Commissioners, any taxing district, and any municipality. It shall only be necessary to certify to taxing districts and municipalities that part of the tax roll that pertains to each taxing district and municipality. It shall not be necessary for the property appraiser to furnish hard copies of the tax roll to any officer or taxing authority if copies of the tax roll are available on either microfilm or microfiche unless the officer or taxing authority does not have the necessary equipment or machinery to review microfilm or microfiche copies of the tax roll and to purchase such items would cause an unnecessary hardship on the officer or taxing authority. In such case, the property appraiser shall print a hard copy of the tax roll at the request of the officer or taxing authority. If the property appraiser intends to print the tax roll on microfilm or microfiche and no hard copies will be printed, then he or she shall notify the officer or taxing authority. For purposes of this rule, microfilm and microfiche includes storage in digital electronic format. The clerk of the court shall accept whatever copy of the tax roll is certified by the property appraiser to the tax collector.

(2) After the tax collector has completed collection of the taxes and the sale of certificates for non-payment of taxes and balanced the rolls accounting for all taxes which have been paid and all taxes which are delinquent, he or she shall deliver the original tax roll to the clerk of the circuit court. In those counties using electronic data processing procedures for posting tax collections, the final posted copy of the roll shall be considered to be the original and may be in the form of printed hard copy pages or a microfilm or microfiche copy in the same page format. The certificates of the value adjustment board and the property appraiser shall be attached to the roll prior to delivery to the clerk of the circuit court.

(3) The clerk of the circuit court is authorized, at any time after the original of the tax roll has been delivered to him by the tax collector, to destroy the copies of the tax rolls previously delivered to his or her office. (See Rule 12D-8.017, F.A.C.) The original tax roll may not be destroyed by the clerk of the court or any other officer or person until such time as written permission has been obtained from the Division of Archives, History and Records Management.

(1) When any governmental unit purchases, or otherwise acquires property for government purposes by any means except condemnation, the person owning such property shall be required to place in escrow with the county tax collector of the county in which the property is located an amount equal to the current taxes prorated to the date of transfer of title. “Current taxes” shall be calculated by applying the current assessment to the current millage rates. In those cases where there is no current assessment, the tax collector shall obtain from the property appraiser a written estimate of the value to be placed upon the current tax roll. The millage used in the calculation
for the past immediate tax year shall be used to compute the prorated taxes if there is no other millage figure available.

(2) If the procedure for acquiring the property does not require a determination by a court of law then it shall be the purchaser’s responsibility to ensure that the deposit of the current year’s tax prorated to the date of transfer of title is made to the tax collector. Payment shall be by cash, certified check or money order.

(3) Immediately upon receipt of the tax roll the tax collector shall prorate the taxes from January 1 until the day of taking or transfer based upon the number of days the property was in possession of the seller. The date as shown on the deed shall be the day of transfer and the last day of ownership by the seller unless stated otherwise. Upon determination of the tax liability, overpayments shall be refunded pursuant to Section 197.182, F.S. In those cases where the amount paid by the owner does not cover the amount of taxes due from January 1 until transfer, the taxes remaining unpaid shall stand canceled on the tax roll and List of Errors, Insolvencies and Double Assessment. The Board of County Commissioners may cancel the remaining unpaid portion of taxes due pursuant to Section 196.28 or 196.29, F.S.

(4) The tax collector shall be required to deposit all funds received under this section in an escrow account. In all cases the tax collector shall furnish to the person making the payment a receipt for the amount paid.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 196.28, 196.29, 196.295, 197.182, 197.492, 213.05 FS. History–New 6-18-85, Formerly 12D-13.16.

**12D-13.019 Collection of Interest or Penalties on Back Assessments.**
The tax collector shall collect interest due on back assessments listed by the property appraiser on the current tax roll. The tax collector shall compute the interest, if any, on the current tax roll if the current assessment and the back assessments are not paid prior to April 1 or the date of delinquency, whichever is later. Discounts shall apply to taxes and non-ad valorem assessments only.

**12D-13.020 Dishonored Checks Received for Payment of Taxes and Tax Certificates, Procedure.**

(1) When a check received by the tax collector for the payment of taxes has been dishonored, within ten days of the check being dishonored the tax collector shall notify the owner of the property by mail that such check has been dishonored. The tax collector shall cancel the official receipt issued on said property and shall make an entry on the tax roll that the receipt was canceled because of a dishonored check. Where feasible, the tax collector may make a reasonable effort to collect the taxes due before canceling the receipt.

(2) The tax collector shall retain a copy of the canceled tax receipt and the dishonored check. Such copies may be destroyed pursuant to Rule 12D-13.010, F.A.C.

(3) When a check received by the tax collector for the payment of tax certificates is dishonored and said certificates have not been delivered to the bidder, he or she shall retain the deposit and resell the tax certificates. If the certificates have been delivered he or she shall notify the Department and upon approval by the Department, cancel the certificates and resell said certificates.
(4) When a bidder’s deposit is forfeited, for whatever reason, the tax collector shall retain the deposit and resell the tax certificate. If the tax collector has adjourned the tax certificate sale he or she shall readvertise the tax certificate to be resold under this rule. When the bidder’s deposit is forfeited and the certificates readvertised, then the deposit shall be used to pay the advertising fees before other costs or charges are imposed. If any excess remains after advertising and other fees or costs have been paid, then the tax collector shall deposit the remainder in his or her official office account. If the tax collector fails to require a deposit and tax certificates are resold, then the advertising charges required for the second sale shall not be added to the face value of the tax certificate.

(5) If the tax certificate sale has not been adjourned the tax collector shall add the certificates to be resold to the sale list and continue the sale until all tax certificates are sold.

12D-13.021 Computerized Mass Payment of Real Estate Taxes.

(1) Mass tax payment is the use of a computerized system for aggregate billing, paying and receipting of large numbers of real estate tax accounts. Computerized mass payment eliminates validating individual tax notices and allows the use of data processing equipment and numerical property identifiers to facilitate the payment of taxes.

(2) When computerized mass payments are used, financial institutions which act as escrow agents for the payment of real estate taxes shall be required to keep the county parcel identification number on each escrow account or mortgage. In September, the mortgage company shall send to the tax collector a magnetic tape containing one record for each account to be paid. The county shall process this tape extending the tax amount and, as soon as the tax roll is extended, return the tape to the mortgage company.

(3) During the first 30 days in which the tax roll is open for payment of taxes the mortgage company shall return to the tax collector the magnetic tape under a cover letter with their remittance stating they wish to pay the accounts on the attached tape.

(4) A special cash register/validating machine number shall be assigned to data processing. As the magnetic tape is processed, the tax notices shall be printed and validated at the same time. The validation shall consist of the computer printing and the consecutive receipt number. Other copies may be either mailed out to the taxpayer or returned to the mortgage company, depending upon the agreement between the two parties. The owner of the property must be mailed a mortgagor tax notice at the same time as other property owners’ tax notices are mailed.

(5) Immediately after the tax notices are printed and validated by the computer, a printout of accounts paid shall be made. This printout shall show (1) the register number assigned, (2) the items so validated by identification number (item number, folio number, etc.) in consecutive receipt number order, (3) gross tax due on each item, (4) discount amount, (5) the validated amount and the total amount of taxes paid. A copy of the deposit slip depositing the remittance received with the magnetic tape shall be attached to this printout and maintained for auditing purposes.

(6) The method of mass tax payment may vary between counties, but in each case, the tax collector shall request authority from the Department authorizing him to collect taxes by mass payment. In this request the tax collector shall set forth the procedure to be used between his or her office, the financial institution and data processing. Financial institutions failing or refusing
to comply with the tax collector’s information requirements and deadline dates shall be in the same position as any other taxpayer receiving tax notices and paying taxes.

(7) The tax collector is not required to process requests for tax notices which have invalid identification numbers or multiple requests for the same tax notice. If more than one financial institution requests the same tax notice the tax collector shall forward the tax notice to the taxpayer (property owner). The tax collector shall then notify each financial institution as to why they have not received the requested tax notice.

12D-13.022 Installment Taxes: Form of Notice and Application for Alternative Payment of Property Taxes and Form of Notice to be Advertised.
To notify taxpayers of the right to pre-pay taxes by installment, the tax collector shall mail a notice of their right to pre-pay taxes and non-ad valorem assessments by installment. The form of the application shall be Form DR-534, Notice and Application for Alternative Payment of Property Taxes. The application forms shall be furnished to the tax collector for mailing as directed by these rules.

(1) Installment taxes and penalties collected shall be distributed as provided by Section 197.383, F.S. Interest earned on installment taxes shall be distributed pursuant to Section 197.383 or 219.075, F.S. The tax collector may retain ten (10) percent of each taxing authority’s estimated distribution to offset over or under distribution payments. Upon receipt of the final certified tax roll the collector shall balance the distribution account of each taxing authority.

(2) All taxes collected for installment payments shall be invested in accordance with Section 219.075, F.S.

(1) The tax collector shall mail, to those taxpayers requesting it, an application for installment payment of ad valorem property taxes, Form DR-534, Notice and Application for Alternative Payment of Property Taxes (incorporated by reference in Rule 12D-16.002, F.A.C.). It shall only be necessary to mail one application to owners of multiple parcels. Owners of multiple parcels shall be notified that additional applications may be obtained from the tax collector upon request.

(2) The postage shall be paid out of the general fund of the county upon statement by the tax collector.

1. Any person or other legal entity in whose name property is assessed on the assessment roll shall have the right to file an application to pay taxes by the installment plan. The terms “owner” and “possessor” may be used interchangeably with “taxpayer” for the purpose of determining eligibility to file an application and pay installment taxes.

2. To be eligible to apply for payment by installment, the estimated taxes and non-ad valorem assessments on the property for which a taxpayer desires to pay by installment must exceed one hundred dollars. Estimated taxes shall be equal to last year’s taxes, regardless of any change in assessment, millage, or homestead exemption. Effective with the 1998 tax year, payment by installment will be allowed where the estimated taxes and non-ad valorem assessments exceed one hundred dollars on each tax notice.

Upon timely receipt of an application for installment payment of taxes, the tax collector shall prepare and mail installment tax notices. When possible, tax notices for installment payments should be mailed so that the taxpayer has at least a 30 day period to pay.

1. A taxpayer who desires to pay taxes by installment shall file an application for each parcel with the tax collector on or before the last day of April of the tax year. Applications mailed by the taxpayer shall be determined to be timely filed based upon the postmark. Applications not timely filed shall not be accepted and the tax collector shall notify the taxpayer accordingly. Failure to file a timely application shall exclude a taxpayer from participation in the installment payment plan for ad valorem property taxes including non-ad valorem assessments for that year.

2. (a) Estimated taxes for installment payments shall be divided into four equal payments to be made in June, September, December and March. The December and March installments shall be adjusted to reflect increases or decreases on the actual certified current year’s tax roll.

(b) For purposes of this rule section, when an installment payment due date ends on a Saturday, Sunday, or legal holiday, the due date shall be extended to the next working day if payment is delivered to a designated collection office of the tax collector. Taxpayers making such payment shall be entitled to the applicable discount rate authorized by this rule section. Such extension shall not operate to extend any other payment due date. Legal holiday shall mean any day which, by the laws of Florida or the United States, is designated or recognized as a legal or public holiday.

(c) The first installment may be accepted after June 30 if payment is made no later than July 30 and the payment includes a penalty of 5 percent. Discounts do not apply to payments of the first installment made after June 30.

3. The installment payment schedule is as follows:
First Installment Payment: One quarter of the total estimated taxes discounted at 6 percent, if payment is made not later than June 30. Payment accepted after June 30 and by July 30 is not discounted and must include a 5 percent penalty.

Second Installment Payment: One quarter of the total estimated taxes discounted at 4 1/2 percent. Payment shall be made not later than September 30.

Third Installment Payment: One quarter of the total estimated taxes, plus or minus, as the case may be, one-half of any adjustment pursuant to a determination of actual tax liability discounted at 3 percent. Payment shall be made not later than December 31.

Fourth Installment Payment: One quarter of the total estimated taxes, plus or minus, as the case may be, one-half of any adjustment pursuant to a determination of actual tax liability. No discount. Payment shall be made not later than March 31.

(4) Any installment not paid before April 1 shall become delinquent as other taxes and if not paid the delinquent taxes shall be advertised and a tax sale certificate shall be sold as required by law.

(5) When a taxpayer files a timely application the first installment must be paid not later than June 30, to avoid penalty, or not later than July 30 when accompanied by a penalty of 5 percent in order for the property owner to continue paying by installments.

(6) Once a taxpayer applies to make installment payments and timely makes the first payment, he or she is required to continue as an installment taxpayer for that year and only the discounts applicable to installment payments shall apply for that year. Any installment payments not paid timely shall be due in full without any discount. If the taxpayer attempts to pay off the third and fourth installment prior to the time they are due, such as in November, he or she may do so but is only entitled to the discounts applicable to the installment payment and not to the discounts applicable to annual payments.

(7) When an application to pay taxes by installment has been filed in a timely manner and where property is then transferred in whole or part by any method, the new owner or owners shall continue the installment payment plan for at least that tax year.

(8) Where the property has been divided the owner or owners shall file with the tax collector a request for split or cutout. Splits and cutouts may be processed at any time in the payment schedule if desired by the property owner.

(9) The provisions of the installment payment plan shall pertain where the taxes for each tax notice are estimated to be more than $100.

(10) After submission of an initial application, a taxpayer shall not be required to submit additional annual applications as long as he or she continues to elect to prepay taxes in installments pursuant to this section. However, if in any year he or she does not so elect, reapplication shall be required for a subsequent election to do so.

For purposes of property tax deferral on homesteads:

(1) The applicant’s “household” means a person or persons living together in a room or a group of rooms as a housing unit, but does not include persons boarding in or renting a portion of the abode upon which application for deferral is made.

(2) “Income” means the “adjusted gross income,” as provided under Section 197.243(2), F.S., of all members of a household.

(3) “Inheritance income” means payments received by a member of the applicant’s household as an heir of an intestate estate, a devisee under a will, a beneficiary under a testamentary trust or through other means of distributing assets upon death.

(4) The “current value” of unsatisfied liens on the homestead means the amounts necessary to retire the principal debts, accrued interest and penalties for which a lien stands as security. The current value of unsatisfied liens shall be determined as of the date that application for tax deferral is made or the date that the tax deferral recipient responds to the tax collector’s notification according to Section 197.263(5), F.S., and shall be presumed to remain unchanged until the next succeeding annual determination, unless the tax collector receives actual notice of a change in the current value of such liens. It shall be the affirmative duty of tax deferral applicants and recipients to forthwith advise the tax collector of the current value of new liens attaching to property upon which tax deferral application has been made or upon which tax deferral has been granted.

(1) Deferred payment taxes are exempt from the advertisement and public sale provisions of Section 197.432, F.S. The tax collector shall, at the time of the tax certificate sale held pursuant to Section 197.432, F.S., strike off each deferred payment tax certificate to the county.

(2) In the event that undeferred taxes, including non-ad valorem assessments, or tax certificates are outstanding, they shall be collected in the usual manner provided in this rule chapter and shall be unaffected by the homestead deferral of taxes for prior or later years. The tax collector shall send a current bill for each year.

(3) In the event that deferred taxes become delinquent, the tax collector shall, on June 1 following the date the taxes become delinquent, proceed with the collection of the delinquent deferred taxes in the manner prescribed by Sections 197.263 and 197.432, F.S., for the collection of undeferred delinquent taxes. A tax certificate shall be issued to the persons who will pay the amount of all outstanding delinquent deferred taxes and interest accrued thereon plus the statutory interest accruing by reason of delinquency.

12D-13.030 Homestead Tax Deferral – Adjustment of Current Year’s Income.
In the case of application for tax deferral before the end of the calendar year in which current taxes including non-ad valorem assessments are assessed, the applicant’s household income shall be adjusted to reflect the full year’s estimated income. The estimate of full year’s household
193

income shall be made by multiplying the household income received to the date of application by a fraction, the numerator being 365 and the denominator being the number of days expired in the calendar year to the date of application.

12D-13.031 Homestead Tax Deferral – Application; Approval; Income and Age Requirements; Outstanding Liens and Primary Mortgage.

(1)(a) Any person who is entitled to claim homestead tax exemption under Section 196.031(1), F.S., may defer payment of a portion of the combined total of ad valorem taxes and non-ad valorem assessments for which a tax certificate would be sold under Chapter 197, F.S., levied on his or her homestead by filing an annual application with the tax collector on or before January 31 following the year in which the taxes and non-ad valorem assessments are assessed. The application for tax deferral shall be upon Form DR-570, Application for Homestead Tax Deferral, and shall be signed by the applicant.

(b) Any applicant who is entitled to receive the homestead tax exemption but has waived it for any reason shall furnish, with his or her application, a certificate of eligibility to receive the exemption from the property appraiser.

(2) When the application is approved, the tax collector shall defer that portion of the combined total described in subsection (1) of this rule section:

(a) Which exceeds five percent of the applicant’s household income for the prior calendar year, or

(b) In their entirety if the applicant’s household income for the prior calendar year is less than 10,000 dollars, or

(c) If the applicant is entitled to claim the increased exemption by reason of age and residency as provided in Section 196.031(3)(a), F.S., the tax collector shall defer that portion of the combined total described in subsection (1) of this rule section:

1. Which exceeds three percent of the applicant’s household income for the prior calendar year, or

2. In their entirety if the applicant’s household income for the prior calendar year is less than 10,000 dollars, or

3. In their entirety if the applicant is 65 years of age or older and the applicant’s household income is less than the household income designated for the additional homestead exemption for persons age 65 and older as provided in Section 196.075, F.S.

(3) No tax deferral shall be granted.

(a) If the total amount of deferred taxes, non-ad valorem assessments, and interest plus the total amount of all other unsatisfied liens on the homestead exceeds 85 percent of the assessed value of the homestead, or

(b) If the primary mortgage financing on the homestead is for an amount which exceeds 70 percent of the assessed value of the homestead.

Chapter 12D-13 Rev. 10-1-2015

12D-13.032 Homestead Tax Deferral – Payment of Tax.
If the application for tax deferral is approved, the applicant shall receive the discount prescribed by Section 197.162, F.S., on the amount of the undeferred portion of the current taxes including non-ad valorem assessments if paid within thirty days of the date of approval of the application. The tax collector shall give notice by mail of the approval and of the amount of any undeferred tax. If the undeferred portion of the taxes is not paid within thirty days of the approval of the application, the tax shall be paid at the discount or the interest rates prescribed by Section 197.162 or 197.172, F.S. If the application is disapproved the tax shall be paid at the monthly discount or interest rate prescribed by Section 197.162 or 197.172, F.S.

On or before December 31 of each year, the tax collector shall provide notice to each owner of property upon which taxes have been deferred of the duty to submit the current value of all outstanding liens upon the owner’s homestead. Such notice shall be on a form designated by the tax collector. Within 30 days of notification the owner shall submit in writing, on a form designed by the tax collector, a list of all outstanding liens upon the owner’s homestead, showing the current value thereof and shall sign the same.

(1) When advertisements are necessary, the Board of County Commissioners shall select the publisher and advertise as provided by Chapter 50, F.S. No later than the first board meeting in February, the Board of County Commissioners shall select the newspaper in which said advertisements shall be placed. When a newspaper selection has been made, the Board of County Commissioners shall notify the tax collector. If the tax collector has not received notification as of the last day in February he or she shall select a newspaper for the advertisement of delinquent taxes and shall notify the Board of County Commissioners or governing board of the county of his or her action pursuant to this rule.

(2) The collector’s office shall pay all advertising charges. The tax collector shall audit the charges and determine if the charges are due and that the requirements of Chapter 50, F.S., have been met.

(3) Within 45 days after personal property taxes become delinquent the tax collector shall advertise a list of delinquent personal property taxpayers and the amount of tax due by each. The advertisement shall include a notice that all personal property taxes are delinquent as of April 1 or the date of delinquency, if different, and interest is now accruing on the delinquent taxes at the rate of 18 percent per year. The advertisement shall indicate that if the delinquent taxes are not paid a warrant will be issued and the tax collector will apply to the circuit court for an order directing levy and seizure of the personal property for the unpaid taxes. The cost of advertising shall be added to the delinquent tax at the time of advertising. The advertisement shall include at a minimum the full name of the delinquent taxpayer and the amount of taxes that are delinquent.

(4) The collector shall advertise, once each week for three consecutive weeks, a list of real property on which certificates will be sold to pay delinquent taxes. The advertisements shall be made after the date of delinquency and prior to the date of the tax certificate sale.

(5)(a) The tax collector may list all lots to be sold in a subdivision under one subdivision heading. For example:

(b) Wild Subdivision, Lot 1, Block A, Lot 6, Block R.

(6) For the purpose of apportioning the advertising costs among the parcels of property, the costs of the subdivision heading will be prorated to all parcels advertised in that particular subdivision. The cost of advertising legal descriptions may be computed upon a flat rate basis for all descriptions regardless of length.

(7) The advertisement shall include the following: A distinctive title, such as “Notice of Tax Certificate Sale”, the day and year the sale will be held, the time of sale, the location of the sale to include city and county, and a statement setting forth the nature of the sale and an explanation that the amount due includes costs, interest and prorated advertising as well as taxes.

(8) The advertisement shall specify the place, date, and time of sale, the amount due on each parcel, the person in whose name the property is assessed and shall include no less than the legal description as shown on the tax roll, the section, township and range number, reference to the official records book and page number of the deed to the property, if shown on the tax roll, the name of the person or party in whose name the land is assessed and the amount of taxes, interest,
costs and advertising due. It shall not be necessary to show a breakdown of these amounts on the legal advertisement.

(9) Alternative Method of Advertising Tax Certificate Sale. In lieu of advertising the complete legal description as shown on the tax roll, the section township and range, and the reference to the official records book and page number of the deed to the property, the tax collector may use the parcel identification number or other identifying number which readily identifies the property on the current tax roll, providing a legend or instructions on how to use the property identification number, including the use of its component parts, to locate the property, and the following language, is used in the newspaper notice of sale:

See Current Tax Roll for Complete Legal Description.

12D-13.037 Collection of Taxes by Mail; Minimum Tax Bill; Collection Prior to Certified Roll.

(1) Within 20 working days after delivery to the tax collector of the current tax roll and the property appraiser’s warrant and recapitulation sheet, the tax collector shall mail to each taxpayer appearing on the tax roll notice that the tax roll is open for collection. The notice shall show the amount of taxes due and the discounts allowed for early payment. The postage for notices as required by Chapter 197, F.S., shall be prorated and paid out of the general fund of each local governing board upon statement by the collector.

(2) The tax collector may mail such additional notices as he or she may deem proper and necessary in order that taxes, both real and personal, may be collected in a timely manner and so that the taxpayer is advised of the amount of taxes due, the due date, discounts, date of delinquency, penalties, interest, and action to be taken if said taxes are not paid. Additional notices must be mailed by April 30, to those taxpayers whose payment has not been received. This shall apply to real and personal property taxes.

(3) At the recommendation of the tax collector, the Board of County Commissioners may adopt a resolution instructing the collector not to mail notices to any taxpayer when the tax due as shown on the tax notice is less than an amount up to $30. The resolution shall instruct the property appraiser not to extend taxes on any parcel for which the tax amount is an amount less than $30, as specified in the resolution. Said resolution shall remain effective until rescinded and shall apply to all future tax rolls.

(4) Subject to the exceptions listed below the tax collector has no authority to accept payment of taxes until the tax roll has been certified pursuant to Section 193.122(2), F.S. The tax collector may accept payment of taxes prior to the certification of the tax roll pursuant to Section 193.122(2), F.S., in the following circumstances:

(b) Where in accordance with Section 196.295, F.S., the tax collector is required to collect and place in escrow current prorated taxes on land acquired by a governmental unit subsequent to January 1, but prior to November 1 of the tax year. (For procedure to determine proration see Rule 12D-13.016, F.A.C.)

(c) Where collection under an interim assessment roll has been approved pursuant to Section 193.1145, F.S.
(d) Where collections of installment taxes are made pursuant to Section 197.222, F.S.
(e) Where collections of estimated taxes are made pursuant to Section 197.2301, F.S.

(1) The form of the Notice of Ad Valorem Taxes and Non-Ad Valorem Assessments shall be as prescribed by Section 197.3635, F.S.

(2) The tax collector shall be authorized to include in the mailing of the notice of ad valorem taxes and non-ad valorem assessments an additional statement offering an explanation of any item on the notice. This supplemental statement may include the name and address of the tax collector, telephone number, location and branch offices, information concerning payment by mail and the tax collector’s policy regarding validating tax notices. Other information may be included as the tax collector deems necessary to accomplish the objective of collection and distribution of taxes.

(3) The tax collector shall notify the taxpayer of each parcel appearing on the real property assessment roll of the right to defer payment of taxes and non-ad valorem assessments pursuant to Section 197.252, F.S. The notice shall be printed on the back of the envelope used for mailing the notice of ad valorem taxes and non-ad valorem assessments and shall read:

NOTICE TO TAXPAYERS ENTITLED TO HOMESTEAD EXEMPTION

If your income is low enough to meet certain conditions, you may qualify for a deferred tax payment plan on homestead property. An application to determine eligibility is available in the county tax collector’s office.

(1) Pursuant to Section 197.322(3), F.S., annual notice of outstanding tax certificates shall be mailed to the taxpayer at the same time the tax notices are mailed, in the following circumstances:

(a) Where there are outstanding tax certificates less than seven years old held by individuals without regard as to the levying local governing board or taxing authority; provided however that annual notice shall be given of certificates outstanding as of July 1, 1973, until such certificates are 20 years old.

(b) Where county-owned tax certificates and omitted year’s taxes are outstanding.

(2) The notice of outstanding tax certificates required by Section 197.322(3), F.S., and this rule may be included on the tax notice, or on Form DR-536, Notice of Outstanding Tax Sale Certificate(s) or Delinquent Taxes.
Chapter 12D-13 Rev. 10-1-2015

(1) Current Taxes.

(a) Upon delivery of a written request from a mortgagee or lienholder stating that he or she is the trustee of an escrow account for ad valorem taxes due on the property, the tax collector shall mail to the mortgagee or lienholder the notice of taxes against the property. When the original tax notice is mailed to a trustee of an escrow account, the tax collector shall mail a duplicate notice to the owner of the property with the additional statement that the original has been sent to the trustee. The tax collector shall also mail a duplicate tax notice to the vendee of a recorded contract for deed, or, if the contract is not recorded, the duplicate shall be mailed to the vendee upon written application.

(b) When a written request from a trustee of an escrow account or vendee of a contract for deed is in the form of a computer printout or attached to a computer printout or some other method of listing multiple legal descriptions on which the mortgagee is requesting notice, then the tax collector shall whenever necessary make whatever reasonable requirements of the trustee or vendee as are necessary to ensure that the listing is correct. The tax collector may establish cut-off dates, periods for updating the list and any other reasonable requirements to ensure that tax notices are mailed to the proper party on time. The trustee or vendee shall submit the written request annually on a date determined by the tax collector. The trustee or vendee shall also ensure that the list contains current accounts only and all satisfied mortgages have been purged.

(2) Delinquent Taxes.

(a) A mortgagee, lienholder or vendee whether the document is recorded or unrecorded, may file a description of land encumbered by a mortgage, lien or contract for deed with the collector on or before May 1 of each year and be entitled to receive all information during the current tax year concerning any delinquent taxes, certificates issued or tax sales of the property for the current year. The collector shall collect in advance a fee of two dollars annually for these services. This service charge shall apply to each legal description filed. This is an annual service charge and must be collected each year. The collector is not required to search the prior tax sales or other such records, but, on request, may search for information the immediate two prior tax years. The fee for each year’s service shall be two dollars.

(b) With regard to delinquent taxes the collector shall notify the mortgagee, lienholder or vendee as soon as a list of delinquent taxes is prepared. A copy of the newspaper advertisement of the List of Certificates to be sold shall suffice as notice. With regard to tax sale certificates, the notice should be furnished not later than 60 days after the issuance of tax certificates.

(3) The following information should be included in the above mentioned notices with regard to real property:

(a) A sufficient description of land sold, or for which a certificate has been issued, to put the mortgagee, lienholder, or vendee on notice that land in which it is interested has been affected;

(b) The number of each certificate issued and to whom;

(c) The face amount of the certificate and effective date for interest on the certificates;

(d) The cost for redemption of the certificates or cost to redeem the property from a tax deed sale.

(4) In the case of personal property, the tax collector shall notify the mortgagee, lienholder or vendee of delinquent taxes on the property described prior to April 25 of the year following the
year of assessment. (See Rule 12D-13.036, F.A.C.) The following information shall be provided to the mortgagee, lienholder or vendee who has made application:

(a) Where practical, a general description of the property on which the taxes are assessed;
(b) The location of the personal property and the name in which the property is assessed; and
(c) The amount of taxes, interest, and all costs owed.

(5) Notice shall be by first class mail and it shall be the duty and responsibility of the mortgagee, lienholder or vendee to provide his or her most current address to the tax collector so that said notice is mailed to the proper address as required by this rule. Any notice mailed by the rule which is returned tax collector pursuant to this due to improper address or incorrect address shall not be required to be remailed.

Rulemaking Authority 195.022, 195.027(1), 213.06(1) FS. Law Implemented 197.344, 213.05 FS. History–New 6-18-85, Formerly 12D-13.40.

(1) When the taxes under Section 193.481, F.S., on subsurface rights have become delinquent and a certificate is to be sold on the delinquent subsurface rights, the collector shall be responsible for notifying the assessed fee owner by regular first class mail of such delinquencies. The assessed fee owner shall have the right to purchase the certificate at the maximum rate allowed by law (18 percent per year) on the day of sale before other bids are accepted.

(2) When a tax certificate on subsurface rights is purchased by the fee owner and an application for a tax deed is initiated under Section 197.502, F.S., the fee owner is in the same position as are other bidders at the clerk’s sale. Priority extends only to the purchase of a tax certificate by the fee owner and does not extend to the purchase of any tax deed.

12D-13.042 Delinquent Personal Property Taxes, Warrants, Seizure, Fees of Tax Collectors; Attachment of Personal Property in Case of Removal.

(1) Prior to May 1 of each year immediately following the year of assessment, the tax collector shall prepare a list of all unpaid personal property taxes. The list shall contain the names and addresses of the delinquent taxpayers, description of the personal property subject to the tax as the same appears on the tax roll, and the amount of taxes due. After the list has been prepared, if any delinquent taxes are paid the tax collector shall strike such accounts from the list. Prior to April 30 of the next year the tax collector shall prepare a personal property warrant on each delinquent taxpayer appearing on the list. The list of unpaid personal property taxes may also be used as the warrant register so long as the list is corrected to show the payment of delinquent taxes received.

(2) Within 30 days from the date warrants are prepared, the tax collector shall cause the filing of a petition in the Circuit Court for the county in which the tax collector serves. The petition shall briefly describe the levies and non-payment of taxes, the issuance of warrants, proof of the publication of notice as provided for in Section 197.402, F.S., and shall list the names and addresses of the taxpayers who failed to pay taxes as the same appear on the assessment roll. Said petition shall pray for an order ratifying and confirming the issuance of said warrants and directing the tax collector or his or her deputy to levy upon and seize the tangible personal property of each delinquent taxpayer to satisfy the unpaid taxes set forth in the petition. The petition shall request that the court authorize the collection of all costs and fees that any public
official may expend or be entitled to charge in their official duty of levying upon and seizure and sale of personal property. Costs and fees which may be authorized shall include but are not limited to the following: a pro rata portion of the filing fee of the petition, the fee charged by the clerk of the circuit court for notice of filing of the petition, a pro rata portion of the advertising fees or charges, a pro rata portion of the attorney’s fees incurred in the filing of the petition, statutory fees of the tax collector, sheriff and clerk of the court, storage fees, transportation costs and insurance fees. The court may order that all costs and fees which have accrued or will accrue may be collected, whether or not the exact sum of such costs and fees are determinable at the time the order is rendered. If the delinquent taxpayer refuses to pay the collection costs, the collector may proceed under Section 197.417(3), F.S.

3. The tax collector may employ legal counsel to prepare the petition and to represent the tax collector during and after the filing of the petition. The tax collector shall collect reasonable attorney’s fees and court costs in actions to recover delinquent taxes.

4. The tax collector may include all delinquent personal property accounts on one petition or several petitions may be filed to include any number of delinquent taxpayers the tax collector deems necessary so long as all petitions are filed as required by these rules and the Florida Statutes.

5. Upon the filing of the petition, the clerk of the court shall notify each delinquent taxpayer who is included within the petition that a petition has been filed and that upon ratification and confirmation of the petition, the tax collector shall be authorized to issue warrants, levy upon, seize and sell so much of the personal property as to satisfy the delinquent taxes plus all applicable costs and fees. Said notice shall be by certified mail, return receipt requested.

6. Upon filing the petition the tax collector shall request a hearing on the petition as soon as possible. When the hearing has been scheduled the tax collector shall present the assessment roll, list of delinquent taxpayers, warrants, a copy of the warrant register, and a copy of the newspaper advertisement as evidence of the regularity of the proceeding. The tax collector or one of his or her deputies shall appear to testify as to the non-payment of personal property taxes listed on the petition. The tax collector shall request that the court order allowing taxes be collected by levy, seizure and sale of the delinquent taxpayer’s property by use of the warrants. If so ordered the tax collector or his or her deputy shall issue the warrants, levy upon, seize and sell so much of the delinquent taxpayer’s property as to cover all delinquent taxes, interest, tax collector’s costs or fees, and any court costs as requested in the petition.

7. The tax collector is not required to issue warrants if the delinquent taxes are less than fifty dollars, but such taxes are still due and payable. The tax collector shall be entitled to a fee of two dollars for the collection of delinquent personal property taxes. The tax collector shall also be entitled to an additional eight dollars for each warrant issued for delinquent taxes.

8. The tax collector shall keep a record of all warrants and levies made and shall note on such record the date of payment, the amount received, the disposition of the warrants. The form of the warrant register shall be as prescribed by the Department. The warrant register may be on the form provided by the Department or printed by computer.

9. If for any reason the tax collector fails to issue a personal property tax warrant within five years after such taxes become delinquent, then the issuance of a tax warrant and the collection of such taxes are barred by Chapter 95, F.S., and the tax collector shall post the assessment roll indicating that the collection of the tax is barred pursuant to Chapter 95, F.S.

10. The collector shall continue to make a reasonable attempt to collect delinquent personal property taxes prior to issuance of a tax warrant; however, the tax warrant shall be prepared in a
timely manner as is required by Chapter 197, F.S. Except as provided in subsection (11) the tax collector is prohibited from seizing personal property on which taxes are owed or delinquent if a warrant has not been prepared and issued.

(11)(a) The tax collector may attach any personal property that has been assessed at any time before payment of the taxes if the tax collector has reason to believe the property is being removed or disposed of so as to endanger the payment of taxes. Attachment may be made on any personal property of the taxpayer if said property is subject to taxation on January 1 of the tax year. The tax collector may attach the personal property of the taxpayer after the date of assessment and at any time up to and including the date of delinquency of the tax assessed. Immediately after attachment the tax collector shall file a petition pursuant to Chapter 197, F.S.

(b) The attachment described in this rule section shall apply against such other personal property which has been sold; however, tax liens against such other personal property shall be valid but subordinate to any valid prior or subsequent liens against such other personal property after it has been sold. Such other personal property shall be subject to tax executions as provided in Chapter 197, F.S.

(12) The tax collector or his or her deputy has the authority to levy, seize and sell property only within the county in which he or she is charged with the duty of collecting such taxes. However, the sheriff of a county may levy, seize and sell any personal property in the county based upon a warrant from any county tax collector of the state. If personal property is removed from the county and the tax collector subsequently becomes aware of the removal of the property, the tax collector or his or her deputy may, by warrant, authorize the sheriff of the county in which the property has been moved to levy upon and collect the tax due, or seize, advertise and sell the property for the delinquent taxes plus all costs of seizure and sale.

(13) When it shall appear to the tax collector that the property appraiser has assessed personal property which has an improper description, or which is not identified properly to the extent that if the taxes are not paid and such taxes become delinquent and the issuance of a warrant and the subsequent seizure of said property cannot be effected because of faulty or improper identification, the collector may certify to the property appraiser that the property is not properly and adequately identified so that a lawful seizure and sale may be made. If the assessment description is not corrected within thirty days of the tax collector’s certification, the tax collector shall certify such assessment to the List of Errors, Insolvencies and Double Assessments as an error of the property appraiser.

12D-13.044 Sale of Personal Property After Seizure.

(1) Personal property which is seized for delinquent taxes shall be sold at public auction with rights of withdrawal at the courthouse. Immediate payment for the property shall be required; payment shall be cash, bank draft, certified check or money order. The tax collector or his or her deputy shall be entitled to the same fees and charges as are allowed sheriffs for execution sales by Chapter 30, F.S.

(2) The personal property shall be present at the sale if practical. At least 15 days before the sale the collector shall give public notice, by advertisement, describing the property to be sold. A copy of the advertisement shall be posted in at least three public places, one of which shall be the
courtthouse. The collector may advertise personal property in trade journals and newspapers when it is believed that said advertisements would be helpful to attract necessary bidders.

(3) When the delinquent taxes are against multiple items of personal property or the tax collector has levied upon and seized multiple items of personal property, the tax collector may sell only so much of the property seized as to pay the taxes and other appropriate costs. When multiple items are to be sold to cover a singular amount of taxes, interest and costs, the tax collector shall ensure that the opening bid of each item of property is reasonable and does not represent an amount that would constitute a token bid.

(4) When the property seized is comprised of multiple items, the tax collector shall sell each item of property separately except in those cases where the items, if separated, would reduce the sale price of the whole or where the items of property would be damaged or otherwise not bring the highest possible prices. If it appears to the tax collector that only token bids are being offered or if there are no bids, he or she shall terminate the sale and readvertise and sell the property at a later date.

(5) When multiple items of property are offered for sale by the tax collector and those items sold satisfy the tax lien and all costs and fees, the tax collector shall return the excess property in the same condition as seized and to the exact location where seized. The tax collector shall make reasonable efforts to ensure that the property seized is not damaged or destroyed.

(6) If the property is sold for more than the total amount due, the surplus shall be returned to either the owner of the property or to the person who had possession of the property at the time of seizure.

(7) If the property levied upon cannot be located in the county or is sold for less than the amount due, the deficit shall be a general lien against all other personal property of the taxpayer situated in the county. Such other property of the taxpayer may be seized and sold in the same manner as property on which there is a tax lien. The attachment described in this rule section shall apply against such other personal property which has been sold; however, tax liens against such other personal property shall be valid but subordinate to any valid prior or subsequent liens against such other personal property after it has been sold. Such other personal property shall be subject to tax executions as provided in Chapter 197, F.S.

(8) After the sale of personal property the tax collector shall distribute the proceeds in the following order: First, all appropriate expenses, fees and costs of selling the property as mentioned in this rule shall be paid. Second, if the sale price is sufficient to pay the delinquent taxes, the tax collector shall distribute to each taxing authority their full pro rata share of the taxes plus a proportionate share of the interest collected. Third, if the sale price is not sufficient to pay the delinquent taxes in full, the tax collector shall distribute to each taxing authority their proportionate share of the taxes plus interest collected and the deficit shall be a general lien against all other personal property of the taxpayer. Fourth, any sale surplus shall be returned to the owner of the property or to the person who had possession at the time the property was seized.

(9) The owner, claimant, lienholder or mortgage holder of the personal property may have seized personal property released by paying the taxes, delinquency charges, transportation, boarding, insurance interest, costs of advertising, storage or any other charge allowed by Chapter 30, F.S., at any time before a bill of sale is issued.

(10) A sale or conveyance of personal property for taxes shall not be held invalid except upon proof that:

(a) The property was not subject to taxation;
(b) The taxes were paid prior to the sale of personal property; or
(c) The tax certificate on the real property had been redeemed before the execution and
delivery of a deed based upon a certificate issued for nonpayment of taxes.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 197.122, 197.417, 213.05 FS.

(1) Except as provided in Rule 12D-13.047, F.A.C., the tax collector shall sell tax certificates
on all lands on which the taxes are delinquent. The tax collector is authorized to conduct the
public sale by electronic means as provided in Section 197.432(16), F.S. The sale shall begin on
the day and at approximately the time advertised, which shall be on or before June 1 or the
sixtieth day after the date of delinquency, whichever is later. The sale shall continue from day to
day or until all tax certificates are sold or struck off to the county.
(2) The tax collector may close the tax certificate sale each day; however, the tax collector
may not adjourn the tax certificate sale until all tax certificates are sold or struck off to the
county. The closing of a tax certificate sale does not constitute an adjournment of the sale.
(3) The tax collector shall auction each parcel on which the taxes are delinquent. The face
amount of the certificate shall include:
   (a) Delinquent taxes;
   (b) Interest which has accrued between the date of delinquency and the date of sale
calculated monthly, at a rate of 18 percent per year; and
   (c) Costs and any other charges, including advertising charges.
(4) The tax collector or his or her representative shall start the bidding at 18 percent per year
and if there are no bidders, the certificates shall be struck off to the county and shall be held by
the tax collector. The tax collector shall give notice in writing before the sale begins that bids
shall be accepted in even increments and in fractional increments of one-quarter percentage point
only, and shall post such notice so that each prospective bidder may be notified.
(5) The certificate shall be issued to the party who will demand the lowest rate of interest on
the amount due. The interest rate on an individually held certificate may not exceed 18 percent
per year. All certificates held by the county shall bear interest at 18 percent per year.
(6) The tax collector shall require payment of a reasonable deposit within 24 hours of the
closing of the sale on the day the bid was made as a guarantee that the purchaser will pay for the
certificates when delivered. All deposits shall be made payable to the tax collector and shall be
deposited in the official bank account of the tax collector. For good cause shown, the tax
collector may require a prospective bidder to make a deposit prior to allowing the bidder to bid at
the sale.
(7) The tax collector shall notify the purchaser by whatever means is necessary as to when
the tax certificates may be picked up, the amount necessary to pay the bid price less the deposit
and the location where the tax certificate may be picked up. Such notice shall state that the
balance of the bid price of the tax certificate or certificates shall be paid within 48 hours from the
mailing of the notice. Any person neglecting or refusing to pay any bid made by himself or
herself, or on his or her behalf, shall not be entitled to have any other bid accepted or enforced by
the tax collector until a new deposit of 100 percent of the amount of estimated purchases is paid
to the tax collector prior to accepting any bids.
(8) Failure to make timely payment of the balance, upon actual delivery of the certificates by
the tax collector, shall cause the deposit to be forfeited. Where timely payment is not made of
either the deposit or balance in full upon delivery of certificates, the bid shall be canceled and the certificates resold. It is recommended that the deposits and the remaining purchase price be in the form of cash, certified check, bank draft or money order.

(9) When timely payment has not been made and the tax collector cancels the bid, the tax collector may sell the certificate or certificates to any buyer without further advertising, provided the tax certificate sale has not been adjourned. If the tax collector has adjourned the tax certificate sale and timely payment is not made or a bid is canceled by either the bidder or tax collector, the tax collector shall re-advertise those delinquent taxes and sell tax certificates.

(10) The tax collector shall prepare a list of all tax certificates sold or struck off to the county showing the date of the sale, the tax certificate number, the name of the owner as appearing on the tax roll, a description of the land on which the certificate was sold, the name of the purchaser, the total amount for which the certificate was sold and the rate of interest bid by the purchaser. The tax collector shall attach a certification that the tax sale was made in accordance with the law. Receipt numbers of tax certificates subsequently redeemed or purchased after the sale shall be recorded on the List of Certificates sold for taxes. The original List of Certificates sold shall be maintained by the tax collector until such time as the statute of limitations expires.

(11) The tax collector shall be entitled to a five-percent commission of the amount of delinquent taxes and interest.

(12) The tax collector shall not be entitled to any cost and charges for the sale of certificates made to the county until the redemption or purchase of the tax certificate or until a tax deed is issued.

(13) Within any county of this state all delinquent property taxes and assessments, which were included on the tax notice due on a parcel in any one year, shall be combined into one tax certificate. There shall not be more than one certificate for any one year’s delinquent taxes or assessments on any parcel of property. Where the property appraiser has back assessed property and has placed the assessment or assessments on the tax roll pursuant to Rule 12D-8.006, F.A.C., and the taxes as assessed become delinquent, the tax collector shall advertise each supplemental assessment that becomes delinquent and shall sell a tax certificate for each assessment. Supplemental assessments are not combined or included with the current year’s taxes, delinquent or not, and therefore, a separate tax certificate (if delinquent) on each supplemental year’s assessment appearing on the tax roll may be used.

12D-13.0455 Electronic Issuance of Tax Certificates.
In those counties having the computer capacity to issue tax certificates electronically, the tax collector may in lieu of issuing individual document tax certificates for each certificate sold, issue a listing of certificates sold to each purchaser or county. An entry on the list shall constitute the tax certificate document and shall contain the name of the purchaser, the amount of each certificate purchased, the property identification number and percentage bid.

Rulemaking Authority 195.022, 195.027(1), 197.432(7), 213.06(1) FS. Law Implemented 193.092, 197.102, 197.122, 197.402, 197.403, 197.432, 213.05 FS. History–New 5-23-91.
12D-13.046 Taxation of Governmental Property Under Lease to Non-Governmental Lessee.
When property is owned by a governmental unit and is leased to a non-governmental lessee and has not been exempted from taxation, the tax should be assessed to the non-governmental lessee. If no rental payments are due pursuant to the agreement creating the leasehold estate, or if the property meets the requirements of Section 196.199(7), F.S., the leasehold estate shall be taxed as real property. Ad valorem real property taxes relating to government property, levied on a leasehold that is taxed as real property under Section 196.199(2)(b), F.S., must be paid by the lessee. If such taxes are not paid, the delinquent taxes become a lien on the leasehold and may be collected and enforced under the provisions of Sections 197.412 and 197.413, F.S. The tax collector shall notify the Department of delinquencies and action taken to collect the delinquent tax. If rental payments are due, the leasehold estate shall be taxed as intangible personal property in accordance with Chapter 199, F.S., and delinquencies shall be processed as in the case of other intangible personal property.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 196.199, 197.412, 197.413, 197.432, 213.05 FS. History–New 6-18-85, Formerly 12D-13.46, Amended 1-11-94.

12D-13.047 Collector Not to Sell Certificates on Certain Homestead Land.
(1) This rule applies to tax certificate sales held after December 18, 1979.
(2) Tax certificates on land which has been granted a homestead exemption for the year in which the delinquent taxes were assessed and which have a face value of less than $100 shall not be sold to the public at a tax certificate sale. These certificates shall be issued to the county and shall bear interest at 18 percent per year.
(3) In determining whether this rule applies, the tax collector must consider the homestead status of land each year in which delinquent taxes are assessed. Thus, for any year in which land does not have a homestead exemption, a tax certificate for delinquent taxes shall be sold as provided for in Rule 12D-13.045, F.A.C., regardless of the amount of the certificate, although a tax certificate for a prior year’s taxes may have been issued to a county pursuant to subsection (2) when the land had a homestead exemption.
(4) The county shall make an application for a tax deed, pursuant to Rule 12D-13.060, F.A.C., on any certificates issued to it under this rule if:
   (a) The tax certificate plus accrued interest, plus any other tax certificates plus accrued interest, on the same land equals an amount of one hundred dollars or more; or
   (b) The person who received the homestead exemption for the year in which the delinquent taxes were assessed, or their spouse, no longer have homestead exemption on the land; or
   (c) The property is no longer owned by the person who received the homestead exemption for the year in which delinquent taxes were assessed or their spouse.
(5) Provided however, that no tax deed application shall be made by the county on a certificate unless two years have elapsed since the taxes to which the certificate relates were due.
(6) The tax collector may sell to an individual any certificate issued under Section 197.432(4), F.S., when the face of the certificate plus accrued interest exceeds one hundred dollars.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 197.432, 197.502, 213.05 FS. History–New 6-18-85, Formerly 12D-13.47, Amended 5-23-91.
12D-13.048 Interest Rate on Tax Certificates.

(1) Tax certificates sold prior to December 31, 1972, shall earn interest as bid by the buyer not to exceed twelve percent per year for the first year and eight percent per year thereafter for the life of the certificate. Tax certificates struck off to the county prior to December 31, 1972, shall earn interest at the rate of 18 percent per year for the first year and eight percent per year thereafter for the life of the certificate.

(2) Tax certificates sold subsequent to December 31, 1972, but prior to October 1, 1975, shall bear interest at the rate bid by the buyer, not to exceed twelve percent per year for the life of the tax certificate. Tax certificates struck off to the county subsequent to December 31, 1972, shall bear interest at the rate of 18 percent per year for the life of the certificate.

(3) Tax certificates sold or purchased on or after October 1, 1975, shall earn interest at the rate bid by the buyer, not to exceed 18 percent per year for the life of the certificate. This shall also apply to tax certificates owned by counties prior to October 1, 1975, and purchased by an individual on or after October 1, 1975 (see Rule 12D-13.052, F.A.C.), but shall not apply to tax certificates owned by individuals prior to October 1, 1975, which are being transferred by endorsement from one individual to another after October 1, 1975. These certificates shall remain at the interest rate originally bid.

Rulemaking Authority 195.027(1), 213.06(1) FS. Law Implemented 197.432, 213.05 FS. History–New 6-18-85, Formerly 12D-13.48.

12D-13.050 Validity of Tax Certificates Sold on “Improvements Only” on Real Property Tax Rolls.

(1) Tax certificates shall not be sold on assessments of “improvements” which have been conveyed to personal property by deed, contract, or other written instrument.

(2) The classification of such property shall determine the tax roll on which the property should appear and the subsequent method of collecting the tax should it become delinquent. If the assessment is based upon a lease for the life of a person, the assessment should be considered as real property and not personal property.

(3) When it is determined by the facts that property which appears on the real property tax roll should have been on the personal property tax roll and a tax certificate has been issued, such tax certificate shall be canceled, by the Department of Revenue, as provided by law per request by the tax collector.

(4) Even though personal property may have been assessed on the real property tax roll and a tax certificate issued thereon; the assessment is not null and void against the owner of such property and may be enforced against him within the time and manner that other personal property taxes may be enforced.

12D-13.051 General Rules Governing Redemption, Purchase, or Transfer of Tax Certificates.

(1) Definitions. As used in these rules, the term “redemption” refers to the procedure by which the legal titleholder of property, or someone acting in behalf of the legal titleholder, pays to the tax collector the amount required to cancel and invalidate a tax certificate or portion thereof (as allowed by these rules) which is otherwise valid. The term, “Date of Redemption” is the date when the legal titleholder of property, or someone acting in behalf of the legal
titleholder, pays to the tax collector in the manner provided by law the amount required to cancel and invalidate a tax certificate or portion thereof which is otherwise valid. The term “purchase” as used in Rules 12D-13.051 through 12D-13.054, F.A.C., refers to the procedures by which a person who is not the legal titleholder or someone acting in their behalf buys a tax certificate or portion thereof (as allowed by these rules) previously struck off to the county. The term “transfer” as used in Rules 12D-13.051 through 12D-13.054, F.A.C., refers to the procedures by which an individually owned tax certificate is sold, assigned or conveyed to another party.

(2)(a) When a tax certificate is redeemed, in whole or in part, the tax collector shall give the party making a redemption a receipt and certification showing the amount paid, a description of the property redeemed, the date, and number of the redeemed certificate.

(b) Those tax certificates issued against fee time-share real property shall be collected as a whole and not divided into individual units.

(3)(a) When a tax certificate held by an individual has been redeemed, in whole or in part, the tax collector shall determine the identity of the holders entitled to the proceeds of the redemption. The tax collector shall send a notice to the certificate holder’s last known address advising the holder to surrender the certificate. The tax collector shall pay to the holder of a redeemed tax certificate the face amount of the certificate and accrued interest at the rate stated in the certificate from the date of issuance to the date of redemption. However, if the accrued interest is less than five percent of the face amount of the certificate, the tax collector shall collect and pay to the holder a minimum mandatory charge of five percent of the face amount of the certificate on redemption. Provided further, the tax certificate shall not bear interest nor shall the five percent mandatory charge on redemption be applicable during the 60-day period following the delinquency date. On tax certificates issued before July 1, 1973 or where the rate of interest bid was zero percent the applicability of the five percent minimum mandatory charge on redemption shall be as provided by subsection 12D-13.053(3), F.A.C.

(b) If the certificate is not surrendered within 90 days of notification, the tax collector shall on the first day of the following quarter remit the unclaimed redemption funds to the board of county commissioners, less the sum of five dollars on each 100 dollars or fraction thereof, which shall be retained by the tax collector as a service charge. These are funds that the tax collector has held for the holder of redeemed certificates, but has been unable to pay over because of failure to surrender the certificate for payment.

(c) After a period of two years from the date said funds are transferred to the board of county commissioners all claims to such funds are forever barred and such funds shall become the property of the county. The date said funds are transferred to the board of county commissioners shall be the date on which the two-year limitation commences.

(4) When a tax certificate is owned by the county and held by the tax collector and the tax certificate is redeemed or purchased in whole or in part, the tax collector shall disburse to the various taxing authorities sharing in the proceeds of the certificate their pro rata share in the proportion that its millage bears to the total millage levied on the parcel for the year the taxes were assessed.

(5) Where a taxing authority or authorities have been abolished, the share they would have received from the certificate should pass as directed by the law that abolished such taxing authority. If such law contains no direction, the tax collector shall distribute the abolished taxing authority’s share on the pro rata basis to the taxing authorities in existence at the time of redemption. However, taxing authorities that were not in existence when the taxes were levied are not entitled to share in the proceeds of certificate redemptions or purchases.
(6) When the whole interest represented by a certificate is not redeemed or purchased, the description of the interest, the date of redemption or purchase, and the amount received shall be posted on the certificate by the collector. A partially redeemed certificate shall be retained by the original owner or tax collector, as the case may be, subject to the posting entry made by the tax collector. When the whole interest represented by the certificate is redeemed, the certificate shall be canceled.

(7) The tax collector is entitled to the following fees:
(a) Six dollars and twenty-five cents for each certificate redeemed, partially redeemed, or purchased from the county.
(b) Five dollars per one hundred dollars or any fraction thereof, for remitting unclaimed redemption funds to the board of county commissioners.
(c) Two dollars and twenty-five cents for officially endorsing the transfer of a tax certificate from one individual owner to another party and denoting said transfer on the List of Certificates sold.

(8) Payment to the tax collector for redemption or purchase of tax certificates is recommended to be cash, bank draft, certified check or money order.

(9) When a tax certificate is redeemed, purchased, or transferred, the following shall be denoted on the List of Certificates sold:
(a) The fact that a certificate was redeemed or purchased, and an indication of whether it was a partial redemption or purchase, or the fact that a certificate was transferred.
(b) The name of the person who redeemed or purchased the certificate or to whom a certificate was transferred.
(c) The amount paid for redemption or purchase.
(d) The date of redemption, purchase or transfer.
(e) The amount of money due to the holder of a redeemed certificate.

12D-13.052 Redemption or Purchase of Tax Certificates Belonging to the County.

(1) When tax certificates are struck off to the county, they shall be held by the tax collector of the county in which the property is located. A tax certificate struck off to the county may be redeemed in whole or in part, at any time before a tax deed has been issued or before the property is placed on the list of lands available for sale, so long as the interest to be redeemed can be ascertained by legal description. Except for certificates struck off to the county pursuant to Section 197.432, F.S. and Rule 12D-13.047, F.A.C., a tax certificate struck off to the county may be purchased, in whole or in part, at any time before a tax deed has been issued or before the property is placed on the list of lands available for sale, so long as the interest to be purchased can be ascertained by legal description.

(2) When a taxpayer desires to redeem or purchase a portion of a tax certificate which can be readily separated from the whole by legal or usual subdivision, the tax collector shall prepare and forward a request for apportionment of value to the property appraiser. Within 15 days after the request is filed by the tax collector, the property appraiser shall apportion the property into the parts sought to be redeemed or purchased, and return the apportionment to the tax collector. The collector shall immediately notify the person desiring to redeem or purchase parts of the certificate so that immediate redemption or purchase may be completed.
(3) The person redeeming or purchasing the certificate shall pay the amount of the tax certificate, 18 percent interest per year, calculated monthly from the month the tax certificate was struck off to the county to the date of redemption or purchase, and all applicable fees. When the certificate is being purchased, the amount paid shall become the new face value of the certificate. Interest shall be at the rate of 18 percent per year. However, if the certificate is redeemed and the interest earned is less than five percent of the face of the certificate, then the five-percent minimum mandatory charge shall apply. The five-percent minimum mandatory charge does not apply when a certificate is purchased from the county. Provided further, the tax certificate shall not bear interest, nor shall the five-percent minimum mandatory charge on redemption be applicable during the 60-day period following the delinquency date.

12D-13.053 Redemption of Tax Certificates Sold to Purchaser Other than County.

(1) Any owner, agent or creditor of any person claiming property may redeem the property at any time before a tax deed is issued. The redemption may be of any interest in the property that is legally ascertainable. When a portion of the certificate is to be redeemed the procedure outlined in Rule 12D-13.052, F.A.C., shall be followed.

(2) In order to redeem the certificate the person desiring to redeem shall pay the amount of taxes being redeemed, plus interest, calculated monthly, at the rate stated on the certificate, from the month the certificate was sold to the date of redemption. When a tax certificate is redeemed and the interest earned on the tax certificate is less than five percent of the face value of the certificate, a minimum charge of five percent shall be charged; however, a tax certificate shall not bear interest or shall the five-percent minimum mandatory charge on redemption be applicable during the 60-day period following the delinquency date. The person redeeming the tax certificate shall pay the accrued interest at the rate bid or the five-percent minimum charge whichever is greater.

(3) The five-percent mandatory charge shall apply to tax certificates sold before July 1, 1973, regardless of the interest rate bid. However, subsequent to July 1, 1973, the five-percent mandatory charge shall not apply to tax certificates with an interest rate bid of zero percent.

12D-13.054 Transfer of Tax Certificates Sold to Purchaser Other than County.

(1) Tax certificates are transferable at any time before they are redeemed or a tax deed is issued. The certificates shall be presented to the tax collector for his or her endorsement prior to transferring it to another party. The new owner of the certificate shall assume all the rights of the former certificate holder, and the clerk shall proceed with the completion of the tax deed sale if the application has been filed.

(2) A tax certificate may be officially transferred only when the tax certificate is presented to the tax collector by the owner of record or his or her agent and the request is made to transfer the tax certificate to another party. When the appropriate fees are paid, the tax collector shall endorse the certificate and indicate to whom it is transferred and the date of transfer on the certificate. 12D-13.057 Cancellation of Void Tax Certificates and Tax Deeds; Procedure; Return of Payments.
(1) The tax collector shall initiate action to cancel any improperly issued tax certificate or any tax deed sold based upon an improperly issued certificate when requested in writing by the taxpayer or his or her representative or when an error is brought to the tax collector’s attention.
(2) When the error involves land on which a tax deed has been sold, it shall be the tax collector’s duty to report such findings to the clerk of the court.
(3) Where there has not been a tax deed sold, the tax collector shall notify the Department of the improperly issued certificate.
(4) If the tax collector fails to act in a reasonable time when properly notified in writing, his or her office shall be liable for all legitimate expenses of the taxpayer in clearing his or her title. Legitimate expenses include, but are not limited to, reasonable attorney’s fees.
(5) Certificates may be canceled only by a court of proper jurisdiction or upon approval by the Department, except a tax certificate issued against a bankrupt estate in violation of 11 U.S.C. section 362(a), Federal Bankruptcy Code, for the following reasons:
   (a) Taxes have been paid;
   (b) Lands were not subject to taxation at the time of assessment;

(6) If the tax certificate was sold before June 15, 1976, the holder shall be entitled to receive only the purchase price of the certificate. If the tax certificate was sold on or after June 15, 1976, and is void due to an error of the property appraiser, tax collector, any other county official, or any municipal official, the holder shall be entitled to receive the purchase price plus interest thereon at the rate of eight percent per year. Tax certificates sold on and after October 1, 1998, will earn interest at the rate bid at the tax certificate sale or eight percent, whichever is less, calculated monthly from the date the tax certificate was purchased until the date the refund is ordered. Said interest shall be charged to the taxing authorities on a pro-rata basis, as further explained in Rule 12D-13.009, F.A.C.
(7) The county officer or taxing authority, as the case may be, which caused the error resulting in issuance of the void tax certificate, shall be charged for the costs of advertising incurred in the sale of the tax certificate.
(8) When the owner of the tax certificate requests that the certificate be canceled for any reason and the tax certificate owner does not desire a refund, the tax collector shall cancel the tax certificate and no refund shall be processed. The tax collector shall require that the owner of the
tax certificate execute a statement that he or she is the holder of the tax certificate and that he or she desires the certificate to be canceled and that no refund shall be made or is expected.

12D-13.058 Cancellation of Tax Certificates, Suit by Holder.

(1) The owner of any tax certificate that is void for any reason shall have the right to bring an action in the circuit court to have said tax certificates canceled and to obtain a refund of the money paid for the certificate. The party or parties to the suit shall be the tax collector when the tax certificate represented only county taxes, or those taxing bodies sharing in the pro rata distribution of the proceeds of the tax certificate sales. The complaint must briefly describe the tax certificate, state the certificate number, that the certificate is void and the reason therefor, and demand that the certificate be declared void and that all amounts received by the governmental units be returned. The complaint may include more than one request to cancel and refund void tax certificates and may also include certificates on unrelated parcels.

(2) If the court so orders refunds shall be made pursuant to these rules. Refunds requested or ordered pursuant to Sections 197.443 and 197.444, F.S., shall be made according to the provisions of Section 197.182, F.S.

(1) Tax certificates issued prior to July 1, 1973, shall be valid for 20 years from the date of issuance. Tax certificates issued after July 1, 1973, and all tax warrants shall be valid for seven years from the date of issuance. Tax certificates struck off to the county or held by the county after December 31, 1972, shall expire as provided for in Rule 12D-13.060, F.A.C. (4) The period of limitations on tax certificates shall be tolled upon the institution of any judicial or administrative proceeding involving the property or affecting the lien of the tax certificate, when an application for tax deed is made on the property described in the certificate, or when the property described in the certificate has been placed on the “List of Lands Available for Taxes.”

(5) The seven-year statute of limitation does not apply to deferred payment tax certificates.

(1) Tax deed applications are filed by the owner or holders of tax certificates as follows:

(b) Tax deed applications on certificates held by anyone may be filed with the tax collector at any time after two years have elapsed since April 1, of the year of issuance and before the expiration of seven years from the date of issuance, or 20 years if the certificate was issued prior to July 1, 1973.

(c) Consolidated applications may be made on more than one tax certificate using a single Form DR-512, Notice to Tax Collector of Application for Tax Deed. A single payment may be made to the tax collector for the total amount due on a consolidated application. There shall be separate certification statements, Forms DR-513, Tax Collector’s Certification, issued by the tax collector pursuant to Section 197.502, F.S., separate statements pursuant to Section 197.502(4), F.S., and separate tax deeds issued pursuant to Section 197.552, F.S. The tax collector shall be allowed a tax deed application fee of $15 for each tax deed applied for on a consolidated application.

(2) PROCEDURE: APPLICATION FOR TAX DEED BY COUNTY.

(a) The procedure for tax deed applications by the county shall be as follows:

1. The tax collector shall give written notice to the board of county commissioners or the governing board of the county of all tax certificates which are old enough for tax deed applications.

2. If the county has not given written notice to proceed with a Tax Deed Application to the tax collector within six months of said notice; a subsequent notice shall be sent which may be identical to the first notice.

3. The county shall institute applications for tax deeds by sending the tax collector a “written notice to proceed”.

4. The written notice to proceed shall instruct the tax collector to initiate an “Application for Tax Deed.” Upon written notice to proceed the tax collector shall file an application for tax deed on behalf of the county.

5. Upon application for tax deed the county shall deposit the following fees and costs:

   a. With the tax collector, all applicable cost and fees for processing the tax deed application or applications.

   b. With the clerk of the circuit court, the clerk’s fees as prescribed by Section 28.24, F.S., and cost of advertising the tax deed application.

   c. No deposit shall be made to either the tax collector or clerk of the circuit court to cover the redemption of other outstanding certificates covering the land described in the tax deed application.

6. The “written notice to proceed” referred to herein shall constitute the application for tax deed referred to in Section 197.502(3), F.S.

(b) The tax collector shall prepare and furnish to the Clerk of the Circuit Court a certificate on Form DR-513, showing the same information as the certificate for individual tax deed applicants (See Section 197.502(3), F.S.). In addition, the tax collector shall list all tax certificates owned by individuals, all county-owned tax certificates, all omitted years’ taxes and the amount of interest earned by each Tax Certificate or omitted years’ tax as of the date of the tax deed application.
(3) PROCEDURE: APPLICATION FOR TAX DEED BY PRIVATE HOLDER.

(a) The procedure for tax deed applications by anyone other than the county shall be as follows:

1. The holder of the tax certificate shall file the certificate and an application with the tax collector of the county where the lands described within said certificate are located. This application shall serve as notification to the tax collector that the applicant desires the lands or any part thereof capable of being readily separated from the whole.

2. The tax deed applicant shall immediately pay to the tax collector the costs and fees required for making application and all amounts required for redemption or purchase of all other outstanding certificates covering the land. A tax deed application is not considered completed until all application costs and fees, including redemption fees, have been paid. It is recommended that the collector accept only cash, cashiers checks, bank drafts or money orders. The applicant shall pay a tax deed application fee of seventy-five dollars ($75.00).

3. All outstanding certificates shall be redeemed in connection with the tax deed application including omitted years’ taxes, county owned tax certificates, and current taxes, and interest, if due. If the applicant is the only tax certificate holder of record on the property included within the application, then it shall not be necessary for the applicant to redeem certificates of which he or she is the owner in connection with the application for tax deed. However, the certificates shall be canceled and the face value of the tax certificate on which the application is based shall be increased to reflect the face value of all tax certificates that were in the possession of the applicant. This amount shall be included within the statutory (opening) bid. The certificate on which the application is based shall not be canceled until the tax deed is issued.

(b) The tax collector shall distribute monies received under this rule for the redemption of tax certificates whether owned by the county or an individual. When the tax collector is unable to distribute said funds, the procedure shall be as specified in Section 197.473, F.S. and subsection 12D-13.051(3), F.A.C.

(c) The sum amount and cost of the tax deed application, when complete, shall be considered the bid of the certificate holder for the property.

(d) If the tax collector cannot proceed with a tax deed application because the application is incomplete, the collector shall send notice by certified mail to the applicant of such fact. If the application is not completed by the applicant within 30 days of the mailing of such notice, the tax collector shall cancel the application. No refunds shall be made unless the tax certificate upon which the canceled application was based is redeemed. In that event, the applicant shall be entitled to a refund of any amount paid for the certificate upon which the canceled application was based or any amount paid for the certificates redeemed in connection with the canceled tax deed application. When applicable, the tax collector shall inform any person desiring to redeem a tax certificate upon which a canceled tax deed application was based that the face amount of the certificate includes other tax certificates which were redeemed in connection with a canceled tax deed application.

(4) PROCEDURE AFTER APPLICATION IS MADE – ALL CERTIFICATES.

(a) Upon receipt of a completed tax deed application the tax collector shall have an abstract or title search made in compliance with Rule 12D-13.061, F.A.C. Upon receipt of the abstract or title search, the tax collector shall prepare a certification, on Form DR-513, which shall include the following:

1. All tax certificates issued on the land described in the tax deed application, whether struck off to the county or owned by an individual.
2. The number and date of each certificate.
3. The legal description of the lands to be sold.
4. The owner of record.
5. The name of the applicant or purchaser.
6. The face amount of each tax certificate.
7. The interest earned on each tax certificate.
8. The tax collector’s costs and fees.

(b) For tax deed applications, interest required by Section 197.542, F.S., shall be calculated as follows:

1. The tax collector shall calculate and enter the interest accrued from the month after the date of application through the month in which the Form DR-513 is certified to the clerk of the circuit court.

2. The clerk of the circuit court shall calculate the interest accrued on the tax deed application starting from the first day of the month following receipt of the tax collector’s certification, Form DR-513, through the last day of the month in which the sale will be held.

(c) The tax collector shall also attach to the certification Form DR-513 a statement certifying the names and addresses of all persons the clerk is required by law to notify prior to the tax deed sale (See Section 197.522, F.S.). The statement shall contain at a minimum the following names and addresses:

1. Legal titleholders of record and the owner’s address as it appears on the record of conveyance; if no address is shown on the record of conveyance, the collector shall so state.

2. Lienholders who have recorded liens against the property if an address appears on the recorded lien.

3. Mortgagees of record if an address appears on the recorded mortgage.

4. Vendees of recorded contracts for deed if an address appears on the recorded contract.

5. Vendees of recorded contracts for deed if an application to receive notice has been made pursuant to Section 197.344, F.S.; and their addresses.

6. Lienholders who have applied to the tax collector to receive notice if an address has been furnished to the tax collector, and their addresses.

7. Persons to whom the property was last assessed on the tax roll, and their addresses.

8. In the case of county tax deed applications, owners of tax certificates that have not been redeemed in connection with the tax deed application.

10. Any legal titleholder of record of property that is contiguous to the property described in the tax certificate, when the property described is either submerged land or common elements of a subdivision, if the address of the titleholder of contiguous property appears on the record of conveyance of the land to that legal titleholder. However, if the legal titleholder of property contiguous to the property described in the tax certificate is the same as the person to whom the property described in the tax certificate was assessed on the tax roll for the year in which the property was last assessed, the notice may be mailed only to the address of the legal titleholder as it appears on the latest assessment roll. The term “ contiguous” means touching, meeting, or joining at the surface or border, other than at a corner or a single point, and not separated by submerged lands. Submerged lands lying below the ordinary high-water mark which are sovereignty lands are not part of the upland contiguous property for purposes of notification to
the owner of contiguous property and for certification purposes as provided in this rule subsection.

(d) Upon completion of the certification Form DR-513 and attached statement, the tax collector shall deliver the tax deed application and the certification to the clerk and request that a tax deed sale be held.

The tax collector shall not be liable for payment to the firm unless these requirements are met.

(5) The tax collector may select any title or abstract company he or she desires, regardless of its location so long as the fee is reasonable, the minimum information is submitted and the abstract or title company is authorized to do business in the State of Florida. The tax collector may advertise and accept bids for the title or abstract company if he or she deems appropriate.

(6) The tax collector shall not accept or pay for any title search or abstract that includes a phrase such as “no financial responsibility is assumed for this search.” However, reasonable restrictions as to the liability or responsibility of the abstract or title company are acceptable. The tax collector is authorized to contract for higher maximum liability limits than provided under Section 627.7843(3), F.S.

(7) In order to establish uniform prices for ownership or encumbrance reports at the county level, the tax collector shall ensure that the contract for ownership and encumbrance reports include all requests for title searches or abstracts for a given period of time. A contract period may be for one month or longer, provided however, that all ownership and encumbrance report requests be at the uniform price for that contract period.

(8) Fees paid by the tax collector for ownership and encumbrance reports must be collected from the tax deed applicant and added to the opening bid.

The place shall be at one of the courthouse doors or as specified in the advertisement pursuant to Section 197.512, F.S. The clerk must post notice at the sale location that the highest bidder will be required to post a $200 non-refundable cash deposit at the time of sale.

(3) The statutory (opening) bid required by the clerk of the court at said sale shall be the sum of all outstanding tax certificates redeemed, tax certificate or certificates in the possession of the applicant canceled in connection with the tax deed application, delinquent taxes paid, if any, the amount of the tax certificate on which the application for tax deed is based, the tax collector’s fees and costs as specified, the sheriff’s fees for delivering and posting notices, the clerk’s fees and costs as set forth in Section 28.24, F.S., and interest on the total, computed at one and one-half percent per month beginning the month after the date of application and continuing through the month of sale. This shall be deemed to be the minimum bid of the tax deed applicant.

(4) If the tax certificate to which the application relates was sold on or after January 1, 1982, and the property is assessed on the latest tax roll as homestead, the opening bid shall be increased to include an amount equal to one-half of the assessed value of the property as listed on the current year’s tax roll.
(5) If there are no bids higher than the statutory opening bid, the following procedures shall apply:

(a) If the tax deed applicant is an individual certificate holder:

1. The land shall be sold to the certificate holder. The certificate holder is required to immediately pay to the clerk of the circuit court applicable documentary stamp tax and recording fees.

2. If the property is homestead property, and the certificate holder fails to pay the monies to cover the one-half value of the homestead, the sale shall be considered canceled and the property shall be re-advertised for sale within 30 days as provided in Section 197.542(2), F.S. If at the subsequent sale there are no bidders at the tax deed sale and the certificate holder refuses to pay the monies to cover the one-half value of the homestead, the clerk shall not advertise the sale again and shall place the property on list of lands available for taxes.

(b) If the tax deed application was made by the county, clerk shall place the property on the list of lands available for taxes.

(c) If the property is placed on the list of lands available for taxes under this rule subsection, the procedures specified in Section 197.502(7), F.S. and Rule 12D-13.064, F.A.C., shall apply.

(6)(a) If there are bids higher than the statutory opening bid, the land shall be sold to the highest bidder. The clerk of the circuit court shall require the successful bidder to post a non-refundable $200 cash deposit at the time of sale. The deposit shall be applied to the sale price at the time of full payment. The clerk of the circuit court shall require the successful bidder to make full payment in the amount of the highest bid at the sale within twenty-four (24) hours. If the successful bidder fails to make full payment of the final bid and documentary stamp tax and recording fees, less the cash deposit, within 24 hours, the clerk of the circuit court shall cancel the bids, re-advertise the property and re-sell the property. All costs of the sale shall be paid from the cash deposit with any remaining funds applied toward the opening bid.

(b) If the sale is canceled for any reason, the clerk of the circuit court shall immediately re-advertise the sale to be held no later than 30 days after the date the sale was canceled. Only one advertisement shall be necessary. No further notice shall be required. The cost to re-advertise shall be added to the statutory (opening) bid.

(7) It is recommended that the clerk of the circuit court accept payment by certified check, cash, bank draft, or cashier's check. The clerk of the circuit court shall issue the tax deed immediately upon receipt of full payment. Full payment shall be the highest bid accepted by the clerk of the circuit court plus documentary stamps and recording costs. The deed shall be signed by the clerk of the circuit court, witnessed by two witnesses and the official seal shall be affixed. The tax deed shall be in the form prescribed by the Department of Revenue, Form DR-506 Tax Deed (incorporated by reference in Rule 12D-16.002, F.A.C.).

(8) The clerk of the circuit court may require bidders at a public sale to demonstrate their willingness and ability to pay the $200 cash deposit described in subsection (6) of this rule. The clerk of the circuit court shall have the right to refuse to recognize the bid of any person who has previously bid and refused for whatever reason to honor such bid or who cannot demonstrate, to the satisfaction of the clerk of the circuit court, willingness and ability to pay the $200 cash deposit.

(9) A sale or conveyance of real property for taxes shall not be held invalid except upon proof that:

(a) The property was not subject to taxation.
Chapter 12D-13 Rev. 10-1-2015

(b) The tax certificate on real property has been redeemed before the execution and delivery of the tax deed.

1. If the tax deed application was made by the county and there are no other bidders, the clerk shall enter the land on a “List of Lands Available for Taxes”. If all outstanding tax sale certificates from the land were issued after July 1, 1999, the county shall then have 90 days after the land is placed on the list to purchase the land for the opening bid. If any tax sale certificates were sold on or before July 1, 1999, the 90 days shall run from the sale date. After 90 days, any person or governmental unit may purchase the land for the opening bid. If the county does not elect to purchase the land, the county must notify each legal titleholder of property contiguous to the land available for taxes, as provided in Section 197.502(4)(h), F.S., before expiration of the 90-day period. Interest on the opening bid continues to accrue through the month of sale as prescribed by Section 197.542, F.S. Where property is purchased from the list by the county or other governmental unit for its own use, omitted years’ taxes may be canceled in the manner prescribed under the provisions of Section 197.447, F.S.

2. Taxes shall not be extended against parcels contained on the list but shall be added to the minimum bid as they become due.

3. If not purchased, lands contained on the list with any certificates issued on them on or before July 1, 1999, shall escheat to the county, free and clear as provided under Section 197.502(8), F.S., seven years after the date on which the property was offered for tax deed sale. If not purchased, lands contained on the list on which all certificates on them were issued after July 1, 1999, shall escheat to the county, free and clear as provided under Section 197.502(8), F.S., three years after the date on which the property was offered for tax deed sale. The clerk shall execute an escheatment tax deed vesting title in the board of county commissioners of the county in which the property is located.

12D-13.065 Disbursement of Proceeds of Sale.

1. When the property is purchased by a person other than the applicant, the clerk shall reimburse all funds expended to the applicant. That amount should include the cost of certificates held, all delinquent taxes plus the costs and expenses of the application with interest on the total computed at one and one-half percent per month from the month after the date of application through the month of sale.

2. If the property is purchased for an amount in excess of the minimum bid of the tax deed applicant the excess shall be distributed to governmental units for the payment of any lien of record held by a governmental unit against the property. If the excess is not sufficient to pay all of such liens in full, then the governmental units shall be paid the excess on a pro rata basis. Liens of governmental units not satisfied in full shall survive the issuance of the tax deed.

3. Any remaining funds held by the clerk shall be distributed to those persons described in Section 197.502(4), F.S., except persons listed in Section 197.502(4)(h), F.S., as their interests may appear. Therefore, the distribution scheme must observe the priorities of recordation of the
liens or interests in the public records of the County. The excess funds must be used to satisfy in full to the extent possible each senior mortgage or lien in the property before distribution of any funds to any junior mortgage or lien. Any valid lien in the property is entitled to payment before any payment is made to the titleholder of record. If a judgment lien or mortgage lien is terminated by court decree or by operation of law (i.e., Chapter 95, F.S.), such lien is not a valid lien and is therefore not entitled to be satisfied.

(4) The clerk shall send notices to those persons listed in Section 197.502(4), F.S., except persons listed in Section 197.502(4)(h), F.S., advising them of the funds held for their benefit. The form of the notice shall be as follows:

NOTICE

CTF NO. __________ Description __________
Pursuant to Chapter 197, F.S., the above property was sold at public sale on _______. After payment of all funds due to government units has been made, a surplus of $___ will remain and be held by this office for a period of 90 days from the date of this notice for the benefit of persons having interest in and to this property as described in Section 197.502(4), F.S., as their interests may appear.

Attached hereto is a copy of the abstract of this property received from the office of the tax collector reflecting all such persons as described in Section 197.502(4), F.S., having an interest in the subject property. These funds will be used to satisfy in full, to the extent possible, each senior mortgage or lien in the property before distribution of any funds to any junior mortgage or lien. In order to be considered for distribution of these funds, you must submit a notarized statement of claim to this office, detailing the particulars of your lien, and the amounts currently due, within 90 days of the date of this notice. A copy of this notice must be attached to your statement of claim. After examination of the statements of claim filed, this office will notify you if you are entitled to any payment.

Dated this ___ day of ______, ____.

(5) Notices required by this rule to be mailed by the clerk of the court shall be by certified mail, return receipt requested. This rule shall apply to sales made pursuant to individual-owned certificates and county-owned certificates.

(6) If no statements of claim are filed within 90 days from the date of the notice, the clerk shall remit the funds to the board of county commissioners as provided in Section 197.473, F.S. If there are statements of claim filed, it is the clerk’s duty to ensure that the excess funds are paid according to priorities. If a particular lien appears to be entitled to priority, and that lienholder has not come forward and made a claim to the excess funds, payment cannot be made to other junior lienholders. In such a situation, there are conflicting claims to the funds, and the clerk should initiate an interpleader action against the various lienholders and let the court determine the proper distribution. As with any interpleader action, the clerk can move the court for an award of reasonable fees and costs out of the interpleaded funds.

(7) In cases of joint ownership of the property or a lien, if the public records are silent as to the share of the joint owners, the clerk can presume that the interest of each joint owner is equal with the share(s) of the other joint owner(s). If only one of the joint owners applies for the disbursement of the excess sale proceeds, the clerk can disburse the proceeds to that individual
owner, however, the disbursal should be made in a form which can be negotiated by all of the joint owners collectively.

(8) In cases where beneficiary or heir at law of a lienholder makes a claim to excess proceeds, such proceeds should not be disbursed to said beneficiary or heir in the absence of an order of family administration under Part I, Chapter 735, F.S.; or an order of summary administration under Part II, Chapter 735, F.S.; or a letter or other writing under seal of the court under Section 735.301, F.S. Such excess proceeds constitute personal property and assets of the decedent’s estate which are to be paid or delivered to and received for payment of the decedent’s debts and/or distribution to the decedent’s heirs or beneficiaries by the appropriate court appointed personal representative or fiduciary of the decedent.

(9) The subject of lien priorities is often a matter of complexity. If there are doubts as to the priorities, or as to the proper application of the statute in a particular situation, the clerk has standing to bring a proceeding for interpleader or declaratory judgment against the holders of the various liens and interests in the property.

(10) All records pertaining to unclaimed tax deed sale surplus funds should remain with the clerk as the responsibility for these funds remains with the clerk pursuant to Section 197.582, F.S.

(1) Tax deeds may be corrected at any time by the clerk of the court so long as no rights of the property owner are violated.

(2) Tax deeds that have been issued may only be canceled, set aside or determined to be void by a judicial decree. When it shall appear to the clerk of the court that the tax deed is void, the clerk shall notify the tax deed holder that the tax deed may be void.

(3) Upon a determination by a court of competent jurisdiction that a tax deed is void, the clerk of the court shall immediately forward to the Department all necessary information for the cancellation of the deed, including a copy of the court’s determination. The Department will review the proceedings and approve the cancellation of the tax deed sale and any tax certificate on which the tax deed is based if applicable. If the court determines that refunds are to be made the Department shall approve the refunds so ordered by the court. If the court determines the deed to be void, but does not specify the amount to be refunded, if any, the clerk shall prepare a certificate of all costs the tax deed owner has expended from the date of purchase to the date of cancellation. Costs to the tax deed owner shall include, but are not limited to the amount paid for the tax deed and all subsequent taxes paid on the land included within the tax deed. Based upon the clerk of the court’s certification, the Department shall approve whatever refunds are appropriate. The refund procedure shall be the same as the procedure for refunds in general as described in these rules and Section 197.182, F.S.

(4) When it appears that a tax deed has been issued incorrectly and the tax deed holder agrees to transfer the tax deed to the county by quit claim or any other instrument that will affect the change of ownership, the clerk of the court shall refund to the tax deed holder the amount paid for the tax deed plus any subsequent taxes paid. If the tax deed is voluntarily surrendered, it is not necessary for the clerk of the court to obtain a judicial determination of the validity of the tax deed.
12D-13.067 Tax Collector’s Certification, Murphy Act Lands.

(1) The following procedures shall be used for certifying the ad valorem taxes have been paid pursuant to the provisions of Section 253.82(1), F.S.

(a) Upon written request by the owner of real estate, accompanied by the fee for recording the certificate prepared by the tax collector, the tax collector shall conduct a search of the tax rolls back to at least January 1, 1971.

(b) The applicant shall present proof of ownership to the tax collector. Proof of ownership may be in the form of a recorded deed.

(c) The search conducted by the tax collector shall be an ad valorem tax search only, to determine if ad valorem taxes have been paid for the preceding 20 years.

(d) The search shall be conducted within 30 days from the date of the request.

(e) If the search reveals that the ad valorem taxes have been paid since at least January 1, 1971, the tax collector shall prepare and record a certificate evidencing such fact. The tax collector has the discretion of attaching a copy of the paid tax receipts to the certificate.

(f) The tax collector shall return a recorded copy of the certificate to the applicant and to the Department of Environmental Protection, Division of State Lands.

(g) The tax collector shall be authorized to purchase a reasonable bond for the performance of this service.

(2) The form of the Tax Collector’s Certificate shall be substantially as follows:

CHAPTER 12D-16
ADMINISTRATION OF FORMS

12D-16.001 Administration of Forms

(1) The Department shall prescribe all forms and instructions relating to their use, which shall be uniform throughout the state, to be used by county property appraisers, county tax collectors, clerks of the circuit court, and value adjustment boards in administering and collecting ad valorem taxes.

(2) Counties shall reproduce forms for distribution at the county officer’s expense.

(3) The Department shall prescribe one form for each purpose. Each form shall be uniform throughout the state as to size, content, layout dimensions and construction.

(4) The Executive Director may redesign any form as to size, shape, arrangement of content and number of copies for the more efficient and economical use of such form and for the inclusion of any additional statement or data specifically authorized by statute, and revise the instructions for use of such form without the formal approval of the head of the Department.

(5) A county officer may use a substitute form other than the form prescribed by the Department at the expense of his or her office and upon obtaining written permission from the Executive Director or the Executive Director’s designee. If the Executive Director, or the Executive Director’s designee, finds good cause to grant such permission, the county officer may continue to use the approved substitute form until any law that authorizes or affects the form is amended, repealed, or a letter of disapproval is issued by the Executive Director or the Executive Director’s designee.

(a) Should the Department promulgate an amendment to a current Department form, such approval for the local official substitute form will be rendered invalid and the local officials and their employees shall use the forms and follow the instructions of the forms furnished to them by the Department until such time as an amended substitute form is approved by the Executive Director or the Executive Director’s designee.

(b) The Executive Director, or his or her designee, shall find good cause to grant permission to use a substitute form when all of the following requirements have been met:

1. A substitute form request has been made in writing on official stationery by the county officer, or his or her designee, from the office using the form;
2. A camera ready copy or facsimile of the substitute form accompanies the request;
3. The substantive content of the substitute form is “materially identical” to the content and intended purpose or use of the form prescribed by the Department;
4. The substitute form is authorized by applicable law and rules;
5. There is no pending legislation or rule amendment which will affect the usage of the form;
6. The official sets forth justification of the need for the substitute form, including reasons for additions, deletions or other changes that alter the content of the Department’s prescribed form; and
7. The official has certified that the form is necessary, beneficial, and will not create any delay or impairment to the production of a lawful tax roll or the collection of tax, and the Executive Director, or his or her designee, so finds.

(6) Individual officers may use supplemental forms, produced at their own expense, which they deem expedient for the purpose of administering and collecting ad valorem taxes within
their own jurisdictions. Such supplemental forms may be used in conjunction with and not be substituted for, nor used in lieu of, the forms prescribed by the Department.

12D-17.001 Scope.
(1) This chapter applies to determinations by the Department of compliance with the Truth in Millage ("TRIM") laws by taxing authorities. In order to be eligible to participate in revenue sharing beyond the minimum entitlement for any fiscal year, Chapters 200 and 218, F.S., provide that taxing authorities must levy revenue in the form required by Section 218.23(1), F.S., of 3 mills on the dollar of ad valorem taxes, or the equivalent from ad valorem taxes, occupational license taxes, and utility taxes, and must file with the Department a certification that such taxing authority is in compliance with Section 200.065, F.S. Additionally, Sections 218.23(1) and 218.63(2), F.S., provide that to receive its share of revenue sharing funds, a unit of local government not levying a property tax must file with the Department a certification not later than November 1 that the requirements of Section 200.065, F.S., if applicable, were met.

(2) In the event the taxing authority does not fulfill these requirements, then under the provisions of Sections 200.065(12), 218.23(1) and 218.63(2), F.S., the taxing authority shall not receive its share of state revenue sharing funds and shall be subject to forfeiture of such funds. In such event, the Department will withhold and escrow state revenue sharing funds pursuant to this rule and Rule 12-10, F.A.C.

(3) It is the intent of this rule chapter to serve as a supplement to interpret and to explain the administration of the relevant statutes and not to restate or substitute for them. The applicable statutes should be read in concert with these rules.

(4) The Executive Director, or the Executive Director’s designee, shall make determinations of compliance with the Truth in Millage ("TRIM") laws and shall otherwise administer the provisions of Chapters 200 and 218, F.S.

(5) Nothing contained in this rule chapter shall serve to authorize or extend any millage in excess of the maximum millage authorized by law. See, for example, Sections 125.01(1)(q), 200.071, 200.081 and 200.091, F.S., and Article VII, section 9(b), Florida Constitution.

12D-17.002 Definitions.

(1) The definitions applicable under this rule chapter shall be those set forth at Section 200.001(8), F.S. and Rules 12D-1.002 and 12-10.002, F.A.C.

(2) In addition, the following definitions shall apply:

(a) “Adjacent to,” when used in reference to newspaper advertisements, means next to, touching or contiguous either at the sides or at the corners. This term includes advertisements placed adjacent either on the same page or adjoining pages with a crease separating them, so that the advertisements may be seen to be adjacent with the newspaper laid open upon a flat surface. The term shall not include advertisements placed on opposite sides of the same page with the edge of a page separating them.

(h) “Operating expenditures” means all moneys of the taxing authority, including dependent special districts, which were or could be either expended during the applicable fiscal year, or retained as a balance for future spending in the fiscal year. The term shall not include those moneys held in or used in trust, agency, or internal service funds, or expenditures of bond proceeds for capital outlay or for advanced refunded debt principal.

(i) “Operating millage” means millage revenues to be allocated to operating expenditures and not debt service purposes or other voted millage.

(k) “Proposed millage” means the millage considered by a taxing authority pursuant to Sections 200.065(2)(a)1. and (2)(b), F.S., to fulfill the tentative budget.

(l) “Rolled-back rate” means that millage rate which, exclusive of new construction, additions to structures, deletions, rehabilitative improvements increasing assessed value of the improvements by at least 100 percent, and property added due to geographic boundary changes,
will provide the same ad valorem tax revenue for each taxing authority as was levied during the prior year. “Rehabilitative improvements” are any improvements which rebuild, renovate, or replace a structure.

(m) “Taxable value” means the taxable value of all property subject to taxation by the taxing authority.

(n) “Taxing authority” includes, but is not limited to, any county, municipality, authority, special district as defined in Section 165.031(5), F.S., or other public body of the state, any school district, library district, neighborhood improvement district created pursuant to the Safe Neighborhoods Act, metropolitan transportation authority, municipal service taxing or benefit unit (MSTU or MSBU), or water management district created under Section 373.069, F.S.

(o) “Tentative budget” means the budget used to determine the proposed millage for placement on the TRIM notice, and the budget adopted pursuant to Section 200.065(2)(c), F.S.

(p) “Tentative millage,” “recomputed proposed millage,” or “tentatively adopted millage” means the millage adopted at the tentative millage and budget hearing pursuant to Section 200.065(2)(c), F.S. It also includes proposed millage referred to in Section 129.03(3)(b), F.S.

(q) “TRIM notice” means the Notice of Proposed Property Taxes, Form DR-474, required by Sections 200.069 and 200.065(2)(b), F.S., to be mailed by a property appraiser within 55 days of the certification date.

(r) “Unit of local government” means a county or municipal government, but shall not include any special districts as defined by Section 165.031(5) or Chapters 189 and 218, F.S.

12D-17.003 Truth in Millage (“TRIM”) Compliance.

(1) It is the responsibility of the taxing authority to notify the Department, at the address stated in this rule chapter, of its name, mailing address, and the name of the person or official who is to receive all Truth in Millage (“TRIM”) correspondence. The Department may use the address on file by May 1 of each year in sending out any forms and associated correspondence by June 1 of that year.

(2) Compliance with this rule chapter shall be necessary in order for a taxing authority to be considered in compliance with Section 200.065, F.S. For purposes of this rule chapter, the certification date, which shall be day 1, shall be the date of certification of the taxable value by the property appraiser on Form DR-420, or July 1, whichever is later.

(3) A taxing authority other than a school district shall:

(a) Compute a proposed millage rate using not less than 95 percent of the taxable value certified to it pursuant to Section 200.065(1), F.S. For purposes of the calculation of the proposed millage rate by a special district, the determination by the Department of Community Affairs pursuant to Chapter 189, F.S., of the dependent or independent status of the district shall be prima facie evidence of such status. Principal taxing authorities (counties and cities) shall use 95 percent of the taxable value in each district or unit in which a millage is levied. Multicounty taxing authorities shall use 95 percent of the taxable value within their jurisdiction in each county in which the millage is levied.

(b) Advise the property appraiser, on Form DR-420, of its proposed millage rate, of its rolled-back rate computed pursuant to Section 200.065(1), F.S., and of the date, time and place at which a public hearing will be held to consider the proposed millage rate and the tentative
budget. This advisement shall be made within 35 days of the certification date. If the taxing authority fails to timely provide such information, as required by Section 200.065(2)(b), F.S., it shall be prohibited from levying a millage rate greater than the rolled-back rate. One Form DR-420 shall be prepared for operating millage for each county, each special district, each municipality, and each taxing authority subordinate to a county or municipality. For each multicounty taxing authority, one Form DR-420 shall be prepared for each county in which the operating millage is levied. The property appraiser is required to mail the notice of proposed property taxes, the TRIM notice, within 55 days after the certification date. This notice serves as the notice of the tentative millage and budget hearing.

(c) Hold a public hearing on the tentative millage rate and budget, on or after 10 days after the mailing of the TRIM notice and within 80 days after the certification date, scheduled as required by Section 200.065(2)(e)2., F.S.

(d) Advertise in a newspaper of general circulation in the county or in a geographically limited insert of the newspaper if the insert is published at least twice each week and the circulation of such insert includes the boundaries of the taxing authority. In lieu of the published notice, the taxing authority may send by mail to each elector residing in the jurisdiction of the taxing authority, in the form provided in Section 200.065(3), F.S., notice of its intent to adopt a final millage and budget. The advertisement must appear within 15 days of the hearing adopting the tentative millage and budget. The form generally provides that the notice must consist of a notice of tax increase or notice of proposed tax increase advertisement or notice of budget hearing advertisement and an adjacent budget summary advertisement.

(e) Hold the final budget hearing on or after 2 days and within 5 days from the day the advertisements are first published, scheduled as required by Section 200.065(2)(e)2., F.S. In the event that this hearing is rescheduled or recessed, the taxing authority shall publish a notice of the rescheduled date of the hearing as required by Section 200.065(2)(e)2., F.S. As provided by Section 200.065(3), F.S., the recessed hearing advertisement shall not be placed in the legal notices or classified advertising section of the newspaper.

(f) Certify the adopted millage to the property appraiser and the tax collector, submitting copies of the resolutions or ordinances. These submissions shall be made within 3 days from the date of the final budget hearing and thus within 101 days of the certification date.

(g) Execute the Certification of Final Taxable Value, Form DR-422, showing the adopted millage rate and return it to the property appraiser, tax collector, and the Department within 3 days from receipt of the certification from the property appraiser. In the event variance in taxable value so certified for municipalities, counties, and water management districts is more than 1 percent from that initially certified by the property appraiser on the Certification of Taxable Value, Form DR-420, then as provided by Section 200.065(5), F.S., the municipality, county or water management district may administratively adjust its adopted millage rate without a public hearing. Any other taxing authority, except a school district, may administratively adjust its millage if the taxable value is at variance by more than 3 percent. The adjustment shall be such that the taxes computed by applying the adopted rate against the certified taxable value are equal to the taxes computed by applying the adjusted adopted rate to taxable value on the roll to be extended. No adjustment shall be made to levies required by law to be a specific millage amount.

(h) Certify compliance with Chapter 200, F.S., to the Department, on Form DR-487, within 30 days after adoption of the ordinance or resolution establishing a property tax millage levy, as provided elsewhere in this rule chapter.

(4) A school district shall:
(a) Compute a proposed millage rate using not less than 95 per cent of the taxable value certified to it pursuant to Section 200.065(1), F.S.

(b) Prepare, through the superintendent, and submit the tentative budget to the school board, and the school board shall approve or amend the tentative budget for advertising, within 24 days after the certification date, in accordance with Section 200.065(2)(a)3. and Chapter 1011, F.S.

(c) Advertise the tentative millage and budget hearing in a newspaper of general circulation in the county or in a geographically limited insert of the newspaper if the insert is published at least twice each week and the circulation of such insert includes the boundaries of the taxing authority. In lieu of the published notice, send by mail to each elector residing in the jurisdiction of the taxing authority, in the form provided in Section 200.065(3), F.S., within 29 days after the certification date notice of its intent to tentatively adopt a millage and budget. The form generally provides that the notice must consist of a notice of proposed tax increase advertisement or notice of budget hearing advertisement and an adjacent budget summary advertisement as provided in Section 200.065(3), F.S. The school district shall also publish a Notice of Tax for School Capital Outlay advertisement, as required by Section 200.065(9), F.S., if applicable.

(d) Hold the tentative budget hearing on or after 2 days and within 5 days from the day the advertisement is first published, scheduled as required by Section 200.065(2)(e)2., F.S. Therefore, the tentative budget hearing shall be held within 34 days from the certification date.

(e) Advise the property appraiser, on Form DR-420S, of its proposed millage rate within 35 days of the certification date. The property appraiser is required to mail the notice of proposed property taxes, the TRIM notice, within 55 days of the certification date. This notice serves as the notice of the final millage and budget hearing.

(f) Hold a public hearing on the final millage rate and budget on or after 10 days after the mailing and within 80 days of the certification date, scheduled as required by Section 200.065(2)(e)2., F.S. In the event that this hearing is rescheduled or recessed, the taxing authority shall publish a notice of the rescheduled date of the hearing as required by Section 200.065(2)(e)2., F.S. As provided by Section 200.065(3), F.S., the recessed hearing advertisement shall not be placed in the legal notices or classified section of the newspaper.

(g) Certify the adopted millage to the property appraiser and the tax collector. These submissions shall be made within 3 days from the date of the hearing, and thus within 101 days of the certification date.

(h) Execute the Certification of Final Taxable Value, Form DR-422, showing the adopted millage rate and return it to the property appraiser, tax collector, and the Department within 3 days from receipt of the certification from the property appraiser. In the event variance in taxable value so certified is more than 1 percent from that initially certified by the property appraiser on the Certification of Taxable Value, Form DR-420, then as provided by Section 200.065(5), F.S., the school district may administratively adjust its adopted millage rate without a public hearing. The adjustment shall be such that the taxes computed by applying the adopted rate against the certified taxable value are equal to the taxes computed by applying the adjusted adopted rate to taxable value on the roll to be extended. No adjustment shall be made to levies required by law to be a specific millage amount.

(i) Certify compliance with Chapter 200, F.S., to the Department, on Form DR-487, within 30 days following adoption of the ordinance or resolution establishing a property tax millage levy, as provided in this rule chapter.
12D-17.0035 Instructions and Calculations.

(1) Rolled-back rate. Specific instructions for calculating the rolled-back rate are contained in the TRIM compliance instructions for completing Form DR-420. In general, the calculation of the rolled-back rate shall include all millages exclusive of voted debt service levies and millages in excess of the 10 mill cap pursuant to Section 200.071, F.S.

(2)(a) Percent increase over the current year rolled-back rate of tentative millage. The calculation is: current year aggregate tentative millage divided by the current year aggregate rolled-back rate, minus 1.00, times 100, equals the percent to publish in the Notice of Tax Increase advertisement. In other words, the actual calculation would be:

\[
\frac{\text{current year aggregate tentative millage}}{\text{current year aggregate rolled-back rate}} - 1.00 \times 100 = \text{percent to advertise in Notice of Tax Increase advertisement.}
\]

(b) Percent increase over the rolled back rate of final millage. The calculation is: current year final millage divided by the current year rolled-back rate, minus 1.00, times 100 equals the percent to state in the ordinance or resolution as required by Section 200.065(2)(d), F.S. In other words, the actual calculation would be:

\[
\frac{\text{current year final millage}}{\text{rolled-back rate}} - 1.00 \times 100 = \text{percent to state in resolution or ordinance.}
\]

(3) Calculation of proposed, tentative, and final budgets, proposed and final millage rates, and ad valorem proceeds. In calculating these figures, Section 200.065(2)(a)1., F.S., requires each taxing authority to use not less than 95 percent of the taxable value certified to it by the property appraiser. This is at least 95 percent of the gross taxable value appearing on line 4 of the Form DR-420 or Form DR-420S.

(a) The calculation of the tentative budget or ad valorem proceeds is:

\[
\text{Line 4 of Form DR-420 or Form DR-420S} \cdot 0.95 \cdot \text{tentative millage rate} = \text{the absolute minimum of ad valorem proceeds to use for tentative budget purposes}
\]

(b) The calculation of the final budget or ad valorem proceeds is:

\[
\text{Line 4 of Form DR-420 or Form DR-420S} \cdot 0.95 \cdot \text{final millage rate} = \text{the absolute minimum of ad valorem proceeds to use for final budget purposes}
\]

(4) Budget summary advertisement. The advertised budget shall remain in balance. The tentative millages stated in the budget summary advertisement shall be the millages the taxing authority is proposing to levy, and shall be tied to the anticipated ad valorem proceeds resulting from each millage. Each tentative millage shall be displayed in the budget summary advertisement. However, each millage may be divided and allocated to one or more funds or budgets, provided it is readily apparent in the advertisement that the sum of the millages is less than or equal to the respective proposed millage. The proceeds shall be displayed in the appropriate fund or budget to which they are to be deposited.

(4) The Department shall notify each taxing authority which has made a complete filing and which is in compliance with this rule section and Section 200.065, F.S.
12D-17.005 Taxing Authorities in Violation of Section 200.065, Florida Statutes.

(1) The Department shall review the Certification of Compliance, Form DR-487, made by the taxing authority, if filed, in the respects set forth elsewhere in this rule chapter. If the taxing authority or school district has made an incomplete filing or is otherwise found to be in violation of any of the statutory elements, the Department shall make such a determination and shall so notify the taxing authority or school district.

(2)(a) The Department shall regard as major any violation or combination of violations of Section 200.065 or 200.068, F.S., which tend to misinform taxpayers whether or not such violation is specifically identified in the following guidelines.

(b) Where a violation is specified or found to be major, the taxing authority shall be required to readvertise and rehold hearing(s). The specification of a violation as minor in the guidelines shall not preclude the Department from considering it to be major where the surrounding circumstances indicate it to be major.

(c) The guidelines in this paragraph shall be used by the Department based on the impact of the violation on the Truth in Millage ("TRIM") process.

1. Failure to State Tentative Millage in Budget Summary Advertisement – Sections 200.065(3)(h), (j) and (l), 129.03(3)(b), F.S.
   Major. The taxing authority shall be required to readvertise and rehold hearing(s).

2. Advertisement Too Small (Notice of Tax Increase, Notice of Proposed Tax Increase, Notice of Tax for School Capital Outlay, Amended Notice of Tax For School Capital Outlay, etc.) – Section 200.065(3), F.S.
   Major, unless the taxing authority made an attempt to comply and the error was not the fault of the taxing authority but of the newspaper that printed the advertisement. The taxing authority shall be required to readvertise and rehold hearing(s).

3. Less Than 95 Percent of Ad Valorem Proceeds Shown in Budget Summary Advertisement – Sections 200.065(2)(a)1., (3)(l), F.S.
   Major. The proceeds are understated. The taxing authority shall be required to readvertise and rehold hearing(s).

4. Reserved.

5. Late Certification of Compliance Package – Section 200.068, F.S.
   Minor, if all required documents are filed within 30 days of date due. Taxing authority shall be advised of the violation. Major, if filed beyond 30 days. No revenue sharing funds shall be disbursed, and all local millage in excess of the rolled-back rate shall be directed to be placed in escrow, until the certification is filed.

   Major. If initially proposed tax levy, reductions due to the value adjustment board, actual tax levy for last year, or this year’s proposed tax levy is misstated. The taxing authority shall be required to readvertise and rehold hearings.

7. Advertisements Not Adjacent – Section 200.065(3)(l), F.S.
   Major, unless taxing authority made an attempt to comply by instructing the newspaper in writing to place the advertisements in compliance with this rule. Severity of this violation depends on whether or not the violation is the fault of the taxing authority or the newspaper that printed the ad. If major, the taxing authority shall be required to readvertise and rehold hearing(s). Those taxing authorities who were notified of this same violation within the past two years shall be required to readvertise and rehold hearing(s). If minor, the taxing authority shall be made aware of the violation.
8. Percent Increase Over the Rolled-Back Rate Incorrect in Notice of Tax Increase Advertisement (for multicounty taxing authorities) or Incorrect Difference Between Taxes Levied Last Year and Proposed Taxes This Year in Notice of Proposed Tax Increase (for all other taxing authorities and schools and first year levies) – Sections 200.065(3)(a), (c), (g) and (j), F.S.

Major. If understated, the taxing authority shall be required to readvertise and rehold hearing(s).

9. Incorrect Use of “Other Voted Millage” – Sections 200.065(3)(j), 200.001(1) and (8), F.S.

Major, if the effect is to tend to misinform the taxpayers. If minor, the Department will emphasize education of the taxing authorities in the proper use rather than requiring the taxing authority to readvertise.

10. Ad Valorem Proceeds Not Shown in Budget Summary Advertisement – Sections 200.065(2)(a)1. and (3)(l), 129.03(3)(b), F.S.

Major, if the effect is to tend to misinform the taxpayers. Severity depends on whether or not the other required components are shown pursuant to Section 129.03(3)(b), F.S.

11. Hearing Recessed or Continued Without Proper Readvertisement – Sections 200.065(2)(e)2. and (3), F.S.

Major. Taxing authority shall be required to readvertise and rehold hearing(s) if taxpayers have not been given proper notification of the final adoption of the millage and budget.

12. Failure to State Percent Increase Over Rolled-Back Rate in Resolution or Ordinance – Sections 200.065(2)(d), (3)(j), F.S.

Minor. The taxing authority shall be notified of the violation. However, if both the percentage increase over the rolled-back rate is understated in the notice of tax increase advertisement (violation #8), or the amounts required in the notice of proposed tax increase are misstated, or if the advertisements are otherwise misleading, and the same factors in the ordinance or resolution are understated or missing, the taxing authority shall readvertise and rehold hearing(s).

13. Failure to Adopt Millage and Budget Separately – Sections 200.065(2)(d) and (2)(e)2., F.S.

Minor. Those taxing authorities who have been notified of this violation within the past two years shall be required to readvertise and rehold hearing(s).

14. Failure to Show Categories in Notice of Tax for School Capital Outlay – Section 200.065(10)(a), F.S.

Minor. Those taxing authorities who have been notified of this violation within the past two years shall be required to readvertise and rehold hearing(s).

15. Reserved.

16. Failure to Follow Statutory Verbiage – Section 200.065(3)(h), F.S.

Major, if deviation tends to misinform the taxpayers. Taxing authority shall be required to readvertise and rehold hearing(s). Minor, if deviation did not modify the substantive content or misinform taxpayers. Taxing authority shall be notified of the violation. If the violation occurs for two consecutive years the taxing authority shall be required to readvertise and rehold hearing(s).

17. Budget Summary Advertisement Selection or Additional Verbiage – Section 200.065(3)(h), F.S.

Major, if deviation tends to misinform the taxpayers. Taxing authority shall be required to readvertise and rehold hearing(s). Minor, if the violation does not misinform the taxpayers.
18. Too Much Time Between Tentative Millage and Budget Hearing and Final Millage and Budget Hearing – Section 200.065(2)(d), F.S.
Minor. Taxing authority shall be advised of the violation. If the taxing authority is notified of the same violation for two consecutive years, then it shall readvertise and rehold hearing(s).

19. Hearing Held Less Than 2 or More Than 5 Days Following Advertisement – Section 200.065(2)(d), F.S.
Minor. Taxing authority shall be advised of the violation. If the taxing authority is notified of the same violation for two consecutive years, then it shall readvertise and rehold hearing(s).

20. Publication of Both Notice of Tax Increase Advertisement or Notice of Proposed Tax Increase and Notice of Budget Hearing – Section 200.065(3), F.S.
Minor, if deviation does not tend to misinform the taxpayers. Taxing authority shall be notified as to the correct selection of the advertisements.

21. Publication of Advertisements Combined – Section 200.065(3)(l), F.S.
Minor, unless the violation is the fault of the taxing authority. This is not a severe violation as long as all the information necessary is contained in the advertisement(s). However, the taxing authority shall be made aware of the violation.

22. Improper Inclusion of Reference to “Verbatim Record of Proceedings” – Sections 286.0105, 200.065(3)(h), F.S.
Minor. Taxing authority shall be notified of the violation.

23. Publication of Different Percent Millage Increase in Budget Summary Advertisement from That Based on Tentative Millage Adopted at First Budget Hearing – Sections 200.065(3)(1), (3)(j), F.S.
Major, if percentage is understated. If so, the taxing authority shall be required to readvertise and rehold hearing(s). Taxing authority shall be notified as to the correct method of calculating the percent of increase.

24. Publishing a Notice of Tax Increase Advertisement or a Notice of Proposed Tax Increase, Rather Than Notice of Budget Hearing Advertisement – Section 200.065(3), F.S.
Minor. This is not a severe violation since it provides more information than is needed. However, the taxing authority shall be notified of the violation.

25. Adoption of Budget Before Millage – Section 200.065(2)(e)1., F.S.
Minor, provided there is no apparent prejudice to the taxpayers and the violation appears unintentional. The taxing authority shall be notified of the violation.

26. Any Other Violation Which Tends to Misinform the Taxpayers Concerning Millage or Ad Valorem Proceeds – Sections 200.065(1)-(12), F.S.
Major. Taxing authority shall be required to readvertise and rehold hearing(s).

(3) If any county or municipality, dependent special district of the county or municipality, or municipal service taxing unit of the county is in violation of Section 200.065(5), F.S., because total county or municipal ad valorem taxes exceeded the maximum total county or municipal ad valorem taxes, respectively, that county or municipality, and any municipal service taxing unit and/or dependent district, must remedy the violation. If not remedied, the county or municipality will be subject to forfeiture of the half-cent sales tax revenues as described in Section 200.065(13), F.S. and this Rule Chapter.

Chapter 12D-17 Rev. 10-1-2015

12D-17.006 Notification of Noncompliance; Withholding and Escrow of State Revenue Sharing Funds.

(1) If a taxing authority files a certification of compliance which violates Section 200.065, F.S., but which is permitted to be cured by the process specified in Section 200.065(13)(c), F.S., then the Department shall notify the taxing authority, as provided in subsection (2) of this rule section, using its last known address, that it is in violation of Section 200.065, F.S., and is subject to Section 200.065(13)(c), F.S.

(2)(a) The Department’s notice shall specify the steps necessary to bring the taxing authority into compliance. These steps may include, but not be limited to, readvertisement, rehearing(s), adoption of new millage and adoption of new budget.

(b) The Department shall notify the taxing authority to repeat the hearing and notice process required by Section 200.065(2)(d), F.S., and that the advertisement must appear within 15 days of the date the notice was issued from the Department, and shall contain the statement in boldface required by Section 200.065(13)(c)2., F.S.

(c) The Department shall notify the taxing authority that it shall be required to file a new certification after completion of the readvertisement and the reholding of the hearing(s), containing the following items:

1. Copy of advertisements (entire page from newspaper).
2. Proof of publication of these advertisements.
3. Copy of the resolution or ordinance adopting millage.
4. Copy of the resolution or ordinance adopting the budget.
5. Copy of the resolution or ordinance to hold any excess moneys collected in reserve until the subsequent fiscal year, if the newly adopted millage rate is less than the amount previously adopted at the final millage and budget hearing and forwarded to the property appraiser pursuant to Section 200.065(4), F.S.

6. Certification of Compliance, Form DR-487.

(d) The Department shall direct the tax collector to hold in escrow all ad valorem revenues for the taxing authority collected in violation of Section 200.065, F.S., which shall normally be those revenues in excess of the rolled-back rate, except those revenues from voted levies or levies imposed pursuant to Section 1011.60(6), F.S. The funds shall be held in escrow until the completion, and approval by the Department, of the process required by Section 200.065(13)(c), F.S., and this rule section.

(e) The Department of Revenue, Property Tax Oversight Program shall immediately notify in writing the Department of Revenue, General Tax Administration, Refunds and Distribution Process, of the noncompliance. That program shall proceed consistently with Sections 218.23(1) and 218.63(2), F.S. and Chapter 12-10, F.A.C., to withhold revenue sharing funds, and to hold the funds in escrow until the noncompliance is cured, or if not cured, to transfer the funds to the General Revenue Fund for the 12 months following the determination of noncompliance by the Department.

(f) The Department’s notification shall be issued within 30 days of the taxing authority’s deadline for filing the certification of compliance, Form DR-487, or within 60 days of the taxing authority’s resolution or ordinance adopting the levy. The Department’s notice shall be sent by overnight delivery, facsimile transmission (FAX), regular or certified mail, or hand delivery to the last known address and person identified by the taxing authority as provided in this rule chapter.
(g) The Department’s determination of non-compliance shall be deemed made on the date of the initial notification of the violation(s) to the taxing authority.

(3) The taxing authority shall hold a new hearing and adopt a new millage and a new budget. If the newly approved millage is less than the amount previously forwarded by the taxing authority to the property appraiser pursuant to Section 200.065(4), F.S., then the taxing authority shall hold any excess moneys collected in reserve until the subsequent fiscal year, and shall enact a resolution or ordinance to do so. Any millage newly adopted at a hearing required under this rule section shall not be forwarded to the property appraiser or tax collector and shall not exceed the rate previously adopted.

(4) If the taxing authority cures the violation under Section 200.065(13)(c), F.S., and this rule section, then the Department of Revenue shall:
   (a) Notify the taxing authority that it is in compliance,
   (b) Notify the tax collector, who shall disburse to the taxing authority, as provided by law, any funds held in escrow pursuant to this rule section, and
   (c) Notify the Department of Revenue, General Tax Administration, Refunds and Distribution Process, which shall disburse all funds held in escrow beginning with the next scheduled disbursement.

(5) If any county or municipality, dependent special district of the county or municipality, or municipal service taxing unit of the county is in violation of Section 200.065(5), F.S., because total county or municipal ad valorem taxes exceeded the maximum total county or municipal ad valorem taxes, respectively, that county or municipality, and any municipal service taxing unit and/or dependent district, shall be subject to notification.

(6)(a) One or more taxing authorities whose taxes are included in the maximum total taxes levied must reduce their millage sufficiently so that the maximum total taxes levied is not exceeded if any county or municipality, dependent special district of the county or municipality, or municipal service taxing unit of the county is in violation of Section 200.065(5), F.S., because total county or municipal ad valorem taxes exceeded the maximum total county or municipal ad valorem taxes. This is an alternative to the county or municipality forfeiting the half-cent sales tax revenues, as provided in Section 200.065(5), F.S.

(b) The county or municipality shall forfeit the distribution of local government half-cent sales tax revenues during the 12 months following a determination of noncompliance, as described in Sections 218.63(2) and (3), 200.065(13), F.S., if a taxing authority does not reduce its millage so that the maximum total taxes levied is not exceeded, or if any county or municipality, dependent special district of the county or municipality, or municipal service taxing unit of the county has not remedied the noncompliance or recertified compliance with Chapter 200, F.S., as provided in Section 200.065(13)(e), F.S.

12D-17.007 Taxing Authorities Failing to Timely File Certification; Forfeiture of State Revenue Sharing Funds.

(1) Any taxing authority which has not certified compliance on Form DR-487, and provided all documentation as required in Section 200.065, F.S., or this rule chapter, shall be subject to forfeiture of state funds otherwise available to it for the 12 months following a determination of noncompliance by the Department.

(2) The Department shall notify the taxing authority, using its last known address, that it is in violation of Section 200.065, F.S., and is subject to forfeiture of state revenue sharing funds otherwise available to it. The Department’s determination of non-compliance shall be deemed made on the date of the initial notification of the violation(s) to the taxing authority.

(a) The Department shall direct the tax collector to hold all ad valorem revenues for the taxing authority collected in violation of Section 200.065, F.S., which shall normally be those revenues in excess of the rolled-back rate, in escrow, except those revenues from voted levies or levies imposed pursuant to Section 1011.60(6), F.S. The funds shall be held in escrow until the completion and approval by the Department of the process required by Section 200.065(13)(c), F.S., and this rule section.

(b) The Department of Revenue, Property Tax Oversight Program shall immediately notify in writing the General Tax Administration of the noncompliance. That program shall proceed consistently with Sections 218.23(1) and 218.63(2), F.S., and Chapter 12-10, F.A.C., to withhold revenue sharing funds, and to hold such funds in escrow until the noncompliance is cured, or if not cured, to transfer such funds to the General Revenue Fund for the 12 months following the determination of noncompliance by the Department.

(3) In the event the taxing authority files a certification of compliance on Form DR-487 after the deadline for filing, then the taxing authority shall be subject to withholding of state funds and funds levied in violation of Section 200.065, F.S., until such certification is properly filed and approved in accordance with this rule chapter.

(4) The portion of revenue sharing funds which would otherwise be distributed to a taxing authority which has not certified compliance on Form DR-487 as required in this rule chapter or subsection 12-10.006(4), F.A.C., or has otherwise failed to meet the requirements of Section 200.065, F.S., shall be deposited in the General Revenue Fund for the 12 months following a determination of noncompliance by the Department.

12D-17.008 Computation of Time.

(1) The time periods specified in this rule chapter shall be determined by using the date of certification of value by the property appraiser pursuant to Section 200.065(1), F.S., or July 1, whichever is later. This date shall be the certification date, and it shall be immaterial whether it falls on a Saturday, Sunday, or legal holiday.

(2) In computing any period of time prescribed or allowed by this rule chapter or by Section 200.065, F.S., the day of the act from which the designated period of time begins shall not be included, except for the certification date, which shall always be day 1 and shall be included. Where the term “within” is used in this rule chapter, and in Section 200.065, F.S., in reference to a period of days, it shall be construed to mean “not later than” that number of days, and vice versa. The last day of the period shall be included even if it is a Saturday, Sunday, or legal holiday. That event shall not operate to extend or to change the day of the act from which any other periods begin to run.
(3) As used in this rule, legal holiday means those days designated in Section 110.117, F.S., and any other day the taxing authority’s offices are closed.

(4) The time periods in this rule chapter may be shortened by coordinating with the property appraiser subject to the requirements of Section 200.065(12), F.S.

12D-17.009 Tax Roll Approval; Extended Time Frames; Method of Adjustment of Millage.

(1) In the event that a review notice is issued by the Department in reviewing a tax roll pursuant to Section 193.1142(4) or (5), F.S. and Rule 12D-8.020, F.A.C., the following provisions shall apply:

(a) The property appraiser shall make any necessary adjustment required by Section 200.065(11), F.S., to the proposed millage rates provided by the taxing authority prior to issuing the notice of proposed property taxes, the TRIM notice, required by Section 200.065(2)(b), F.S. These adjustments shall include all millages which are applicable to the taxable value on the approved tax roll at variance with the value certified by the property appraiser pursuant to Section 200.065(1), F.S., on the certification date. The property appraiser shall provide written notice of the amount of the millage adjustment to all taxing authorities affected by the adjustment within 5 days of the date the tax roll is approved.

(b) If, as a result of the review notice and the remedial steps by the property appraiser, the TRIM notice, as required by Section 200.065(2)(b), F.S., is issued after the deadline (55 days after the certification date), all subsequent deadlines provided in this rule chapter shall be extended a like number of days. In this event, the deadline date for the TRIM notice (the 55th day after the certification date) shall not be included in calculating the number of extended days. Beginning with the day after the deadline date for the TRIM notice, the number of extended days shall be counted until the day the tax roll was approved by the Department. That latter day shall be included.

(2) If, as a result of the tax roll approval process provided in Section 193.1142, F.S., the roll is not approved and interim roll procedures have not commenced within 45 days of the certification date, then the deadline for mailing the notice of proposed property taxes, the TRIM notice, shall be 10 days beyond the date the tax roll is approved or interim roll procedures have begun. In such event, all other deadlines in this rule chapter or under Section 200.065, F.S., shall be extended by the same number of days by which the deadline for mailing the notice is extended beyond 55 days from the certification date. The deadline for mailing the notice is therefore the later of 55 days after the certification date, or 10 days after either the tax roll is approved or interim roll procedures have begun.

12D-17.010 Certification of Compliance and Application.

Each year prior to November 1, or within 30 days of an ordinance or resolution adopting a millage levy, the taxing authority shall file a Certification of Compliance, Form DR-487, with the Department. It shall be the duty of each taxing authority required to submit certified information to the Department, pursuant to this rule chapter, to file timely information. Any
taxing authority failing to provide timely information required by this rule chapter shall, by such action or noncompliance, authorize the Department to use the best information available. If no such information is available, the Department may take any necessary action, including disqualification from revenue sharing, either partial or entire. Further, by such action or noncompliance the taxing authority shall waive any right to challenge the determination of the Department as to its portion, if any, pursuant to the privilege of receiving shared revenues under this rule chapter.

CHAPTER 12D-18
NON-AD VALOREM ASSESSMENTS AND SPECIAL ASSESSMENTS

12D-18.001 Scope.
This chapter applies to non-ad valorem assessments including special assessments, which are, or have been, qualified to be liens on homestead real property. This rule chapter applies to property appraisers, tax collectors, and local governing boards which elect to implement the levy, collection and enforcement provisions of Sections 197.363 through 197.3635, F.S., for non-ad valorem assessments or special assessments. A local government may elect to prepare a non-ad valorem assessment roll and certify it to the tax collector for collection in accordance with this rule chapter. A local government and property appraiser may elect to have special assessments certified to the tax collector on the tax roll of the property appraiser regardless of whether such has been done prior to January 1, 1990, and if certain conditions are met in accordance with this rule chapter. The provisions of this rule chapter are, therefore, in part, an option for property appraisers, and local governing boards which comply with this rule chapter. The provisions of this rule chapter are also available for existing non-ad valorem assessments, including existing special assessments, which are collectible as liens, and were imposed and collected prior to January 1, 1990. Nothing contained in this rule chapter shall be construed to authorize the levy, collection and enforcement of a non-ad valorem assessment, including special assessments, unless such authority is provided for in applicable constitutional and statutory provisions. It is the duty of the local government to determine, under law, whether an assessment levy is constitutional and may be collected as a lien. The election to comply with this rule chapter and Sections 197.363 through 197.3635, F.S., shall be made only in accordance with this rule chapter.

Rulemaking Authority 195.027(1), 197.3632(11), 197.3635, 213.06(1) FS. Law Implemented 197.322, 197.363, 197.3631, 197.3632, 197.3635, 213.05 FS. History–New 2-21-91, Amended 12-30-97.
12D-18.002 Definitions.

(1) The definitions applicable under this rule chapter shall be those set forth in Sections 189.012, 197.102 and 197.3632, F.S. and Rules 12D-1.002 and 12D-13.001, F.A.C.

(2) In addition, the following definitions shall apply:

(a) “Ad valorem method of collection” means placement of any non-ad valorem assessment, including any special assessment, on the tax notice for use of the collection provisions in Rule Chapter 12D-13, F.A.C. and Chapter 197, F.S.

(b) “Capital project assessment” means a non-ad valorem assessment which is levied to fund a capital project, and which may be payable in annual payments with interest over a number of years. The name of any particular levy is immaterial if the levy meets this definition and otherwise qualifies for the provisions of this rule chapter.

(c) “Change in the use of assessment revenue” means allocation of assessment revenue for general purposes or to benefit lands which are not identified in the assessment-authorizing statute or judicial decree or the ordinance, resolution or other act of the local government imposing the assessment.

(d) “Existing levy” means an assessment which has been imposed, placed on a roll and collected for the first time prior to January 1, 1990.

(e) “Levied for the first time” means imposed for the first time by county or municipal ordinance or special district resolution after January 1, 1990.

(f) “New non-ad valorem assessment” or “new special assessment” means an authorized assessment that was imposed for the first time by ordinance or resolution effective on or after January 1, 1990, and which is sought to be collected pursuant to Sections 197.3632 and 197.3635, F.S.

(g) “Non-ad valorem assessment,” for purposes of this rule chapter, means only those assessments which are not based upon millage and which can become a lien against a homestead as permitted in Article X, Section 4 of the Florida Constitution.

(h) “Non-ad valorem assessment roll” or “special assessment roll,” means a roll containing non-ad valorem assessments, which may include special assessments, and which can properly be collected using the collection provisions for an ad valorem tax.

(i) “Uniform method” of levy, collection, and enforcement of a non-ad valorem assessment means the ad valorem method provided in Section 197.3632, F.S., under which assessments are included on an assessment roll and certified, in a compatible electronic medium tied to the property identification number, by a local government to the tax collector for merging with the ad valorem tax roll, for collection by utilizing the tax notice described in Section 197.3635, F.S., and for sale of tax certificates and tax deeds under the nonpayment provisions of the ad valorem tax laws.

12D-18.003 Non-Ad Valorem Assessments; Method for Election to Use Section 197.3632, Florida Statutes.

(1) By complying with the provisions of this rule section, a local government may elect to use the ad valorem method of collection for any non-ad valorem assessments, including special assessments, which may have been in existence prior to the election to use the uniform method. A local government which is authorized to impose a non-ad valorem assessment and which elects to use the uniform method of collecting such assessment authorized in Section 197.3632, F.S., shall satisfy the requirements in this rule section.

(a) The local governing board shall enter into a written agreement with the property appraiser and the tax collector to provide for reimbursement of necessary administrative costs.

(b) The local government shall publish notice of its intent to use the uniform method for collecting such assessment weekly in a newspaper of general circulation within each county contained in the boundaries of the local government for four consecutive weeks preceding a public hearing to adopt a resolution of its intent to use the uniform method of collection. This period shall be computed as follows. The four weeks shall be the four weeks immediately preceding the date of the hearing. Each week shall be comprised of the immediately preceding seven days. One such notice shall appear in the newspaper during each one of these four weeks.

(c) The following shall be a suggested sufficient form for the notice:

NOTICE BY (NAME OF LOCAL GOVERNMENT) OF INTENT TO USE THE UNIFORM AD VALOREM METHOD OF COLLECTION OF A NON-AD VALOREM ASSESSMENT

Notice is hereby given to all owners of lands located within the boundaries of the (name of local government) that the (name of local government) intends to use the uniform ad valorem method for collecting the non-ad valorem assessments levied by the (name of local government) as set forth in Section 197.3632, F.S., and that the Board of Supervisors (or other name of governing board) will hold a public hearing on (date), at (time) at the (address for hearing). The (name of local government) has (adopted before January 1, 1990), (adopted a new non-ad valorem assessment), (or) (is considering adopting) a non-ad valorem assessment for (year, or years if applicable) for (purpose). Interested parties may appear at the public hearing to be heard regarding the use of the uniform ad valorem method of collecting such non-ad valorem assessments. If any person decides to appeal any decision made with respect to any matter considered at this public hearing such person will need a record of proceedings and for such purpose such person...
may need to ensure that a verbatim record of the proceedings is made at their own expense and which record includes the testimony and evidence on which the appeal is based.

Publication dates:

(2) The local government must enact a resolution at a public hearing prior to January 1 or, if the property appraiser, tax collector, and local government agree, March 1. The resolution shall state the local government’s intent to use the uniform ad valorem method of collection, the need for the levy and shall include a legal description of the real property subject to the levy.

(3) The local government must send the resolution to the property appraiser, tax collector and the department by January 10 or, if the property appraiser, tax collector, and local government agree, by March 10. The postmark date shall be considered the date sent. The local government shall include with the resolution the following:

(a) A certified copy of adopted resolution.
(b) A copy of newspaper advertisement (entire page).
(c) A certification or proof of publication showing the dates of publication on Form DR-413.

(4) For non-ad valorem assessments levied for more than one year, if both the advertisement and the resolution express the intent to use the uniform method of collection, for more than one year, for specific years, or for each year until discontinued for a year, the local government need not adopt a resolution or advertise each year.

(5) These rules cannot validate an improper non-ad valorem assessment levy. If the department considers that there is a question whether the non-ad valorem assessment meets the definition set forth in this rule chapter, the Department shall notify the local government promptly.

(6) For capital project assessments, any notice or hearing required by these rules may be combined with any other notice required by these rules or by the general or special law or municipal or county ordinance pursuant to which a capital project assessment is levied.

12D-18.004 Tax Roll; Collection Services; Agreement.

(1) If the local government elects to use the procedures of Sections 197.363 through 197.3635, F.S., for non-ad valorem assessment collection, the property appraiser, tax collector, and local government shall establish agreements for data assembly and for the legal requirement of information from the property appraiser for name, address, and legal description.

(a) The local government shall prepare, or establish an agreement or agreements with the property appraiser or any other person for the preparation of, the non-ad valorem assessment roll in a compatible electronic medium tied to the property identification number.

(b) The local government shall establish an agreement or agreements with the tax collector for merger of the non-ad valorem assessment roll or rolls with the ad valorem roll to produce one collection roll.

(c) An agreement or agreements between the local government levying the assessment, the property appraiser, and the tax collector, covering the collection of an assessment, must be
executed for each assessment roll. Such agreement(s) shall contain provisions to comply with this rule section.

(2) The agreement(s) shall provide for reimbursement of administrative costs, as provided in Sections 197.3632(2), (7) and (8)(e), F.S., incurred by the property appraiser and tax collector in complying with Sections 197.3632 and 197.3635, F.S., and this rule chapter. These administrative costs include, but are not limited to, costs associated with personnel, forms, supplies, data processing, computer equipment, postage, pro rata insurance premiums, and programming. In any agreement with the local governing board, the tax collector or the property appraiser shall be responsible for the performance of duties specified, or permitted by Section 197.3632, F.S., for that party, and shall be entitled to reimbursement of administrative costs.

(3)(a) The agreement(s), if the election is made to use the uniform method provided by Section 197.3632, F.S., shall provide that annually, by June 1, the property appraiser shall supply each local government using the uniform method with the following information:

1. Legal description of the property affected by the levy, and
2. Names and addresses of the owners of each parcel.

(b) In the event further information is needed beyond these items or that which is available in conjunction with it, then the local government and the property appraiser may provide in the written agreement for the property appraiser to provide additional information as needed upon reimbursement of administrative costs. Such information shall reference the property identification number and otherwise conform in format to that contained on the ad valorem tax roll submitted by the property appraiser each year to the Department.

1. If the local government determines that the information supplied by the property appraiser is insufficient for the local government’s purpose, the local government shall make provision, by establishing agreements or otherwise, to obtain additional information from another source.

2. It is the responsibility of the local government to determine, and it is recommended the local government identify before the January 10 submission to the Department described in this rule chapter, the particular information that it requires and the source of the information.

12D-18.005 Adoption of Non-Ad Valorem Assessment Roll.

(1) The provisions of this rule section are applicable to non-ad valorem assessments levied for the first time.

(a) The public notice and hearing provisions of this rule section are not applicable to assessments which are:

1. on an existing tax roll, and which have gone through public hearing and adoption processes specified by Section 197.363, F.S., for collection on the tax notice using the ad valorem tax method, or

2. on any existing assessment roll under other authority of law, for which the tax notice and ad valorem method are not used and which are, therefore, not considered to be levied for the first time under Section 197.3632(4)(a)1., F.S.

(b) For a new non-ad valorem assessment, a local government shall adopt a non-ad valorem assessment roll at a public hearing held between January 1 and September 15 if one or more of the following circumstances exist regarding the assessment:

1. It is levied for the first time;
2. It is increased beyond the maximum rate authorized by law or judicial decree at the time of its initial imposition;
3. It is related to a change in boundaries of (name of local government), unless all newly affected property owners have provided written consent for such assessment to the local governing board; or
4. It is related to a change in purpose for an existing assessment or in the use of the revenue from such assessment.

(c) A local government may hold its public hearing and adopt or reaffirm a capital project assessment roll at any time prior to certification of the roll to the tax collector, and is not required to hold the public hearing between January 1 and September 15. For capital project assessments, any notice or hearing required by this rule chapter may be combined with any other notice required by this rule chapter, by the general or special law, or by municipal or county ordinance, pursuant to which the capital project assessment is levied.

(2) A local government shall notify persons subject to the assessment of the public hearing in the following manner:

(a) At least 20 days prior to the date of the public hearing, the local government shall send notice by U.S. Mail to each person owning property subject to the assessment. The notice shall include the following information:
   1. The purpose for which the assessment was adopted;
   2. The total amount to be levied against each parcel;
   3. The unit of measurement to be applied against each parcel to determine the assessment;
   4. The number of such units contained within each parcel;
   5. The total revenue the local government will collect by the assessment;
   6. A statement that failure to pay the assessment will cause a tax certificate to be issued against the property which may result in a loss of title;
   7. A statement that all affected property owners have a right to appear at the hearing and to file written objections with the local governing board within 20 days of the notice; and
   8. The date, time, and place of the hearing.

Such notice by mail, under this rule section, shall not be required if notice by mail is otherwise required by general or special law and such notice is served at least 30 days prior to the authority’s public hearing on the adoption of a new or amended assessment roll.

(b) At least 20 days prior to the date of the public hearing, the local government shall publish notice in a newspaper generally circulated within each county contained in the boundaries of the local government. This published notice shall include at least the following information:
   1. The name of the local governing board;
   2. The geographic depiction of the property subject to the assessment;
   3. The proposed schedule of the assessment;
   4. The fact that the assessment will be collected by the tax collector; and
   5. A statement that all affected property owners have the right to appear at the public hearing and the right to file written objections with the local governing board within 20 days of the publication of the notice.

In the event there is no one such newspaper the local government shall use enough newspapers to accomplish this publication requirement.

(3) At the public hearing, the local governing board shall receive the written objections to roll adoption, hear testimony from all interested persons, and may adjourn or recess the hearing from time to time. If the board adopts the non-ad valorem assessment roll, it shall specify the unit of
measurement of the assessment and the amount of the assessment as provided in the ordinance or resolution which levied or imposed the non-ad valorem assessment.

(4) The local governing board may increase or decrease the amount of the assessment or the application of the assessment to any affected property based on the benefit which the board will provide, or has provided, to the property with the revenue generated by the assessment, even though the notices required in paragraphs (2)(a) and (b) of this rule section may not give notice of the power of the local governing board to make adjustments.

12D-18.006 Certification of Assessment Roll.

(1) The chairman of the local governing board, or his designee, shall certify the non-ad valorem assessment roll, on a compatible electronic medium tied to the property identification number, to the tax collector by September 15 of each year. The local government shall first post the non-ad valorem assessment for each parcel on the roll in such compatible electronic medium. The certification shall be made on Form DR-408A. The tax collector shall not accept any roll which is not so certified and which is not so posted in such compatible electronic medium, and it is the responsibility of the local governing board that such roll be free of errors and omissions.

(2) The chairman of the local governing board, or his designee, may make alterations to the roll up to 10 days before certification. If the tax collector discovers errors or omissions on the roll, he may request the local governing board to file a corrected roll or a correction of the amount of any assessment. After the roll has been certified to the tax collector, the local government may make corrections to it by filing with the tax collector a Certificate of Correction on Form DR-409A. Such form shall be in lieu of the form specified in subsection 12D-13.006(5), F.A.C., but shall be processed in the same manner under the provisions of that rule section. Provided further that one copy of the form shall be sent to the tax collector, property appraiser, and the Department.

(3) If the non-ad valorem assessment roll is to be collected for a period of more than one year or to be amortized over a number of years, the local governing board shall so specify and shall inform the property appraiser, tax collector and Department on Form DR-412, by January 10 if it intends to discontinue using the uniform method of collecting such assessment.

12D-18.007 Non-Ad Valorem Assessments; Uniform Tax Notice; Merger.

(1) Any non-ad valorem assessment, including a special assessment, collected pursuant to this rule chapter shall be included in the combined notice for ad valorem taxes and non-ad valorem assessment pursuant to Section 197.3635, F.S.

(2)(a) One acceptable example format for the form of such combined notice is provided in Form DR-528, Notice of Ad Valorem Taxes and Non-Ad Valorem Assessments.

(b) Any assessment not within the definition of a non-ad valorem assessment stated in Section 197.3632(1)(d), F.S., and this rule chapter, and not an ad valorem tax, shall not be properly includable on the tax notice provided in Sections 197.3632(7) and 197.3635, F.S. Any assessment which is a non-ad valorem assessment within the stated definition shall be properly
placed below the line in the “non-ad valorem assessment” section of the tax notice, unless it is based upon millage, in which case it shall be placed above the line in the “ad valorem” section of the tax notice.

(3) If, in the most exigent factual circumstances, it is impossible to merge the non-ad valorem assessment roll with any other non-ad valorem assessment rolls, and the tax roll, the tax collector shall mail a separate notice of the non-ad valorem assessments which the tax collector could not merge, or he shall direct the local government to mail such a separate notice.

(a) For a roll certified in the appropriate compatible electronic format, in determining whether exigent factual circumstances exist, the tax collector shall be guided by the following considerations:

1. Whether the local government provided a trial roll at least 30 days prior to the certification date;
2. Whether the proportion of the roll which cannot be merged is substantial;
3. If there are problem parcels regarding splitouts or cutouts, which should be handled through the errors and omissions process stated in Rules 12D-13.006 and 12D-13.007, F.A.C.; and,
4. If as a result of the problem parcels, the remainder of the roll cannot be merged.

It is recommended that local governments not restrict themselves to the time limits stated in this rule chapter, but expedite the roll to the tax collector.

(b) Such separate notice shall be in a format approved by the Department such as Form DR-528. In deciding whether a separate mailing is necessary, the tax collector shall consider all costs to the local government and taxpayers of such a separate mailing and the adverse effects to the taxpayers of delayed and multiple notices. The local government whose roll could not be merged shall bear all costs associated with the separate notice.
