

MEMORANDUM:

TO: County Governments and Property Appraisers in Fiscally Constrained Counties
FROM: James McAdams, Director
Property Tax Oversight
DATE: December 3, 2008
SUBJ: Fiscally Constrained County Distribution

The Department has received timely applications from all 29 fiscally constrained counties eligible for a portion of the \$10 million appropriated for distribution under section 16 of SB 1588 (Chapter 2008-173, L.O.F.). Two tables are posted at the website below:
<http://dor.myflorida.com/dor/property/fiscal.html>

The first table contains the data submitted to the Department on Form DR-420FC. Please review the information from your county to ensure that we have captured the data correctly. The second table shows the proposed distribution to each county based on the data submitted.

Please note that the distribution is based only on levies of the county government. A number of counties also submitted data for other taxing authorities in their county. These other levies have not been included in the above table.

Any comments or questions should be addressed to TRIM@dor.state.fl.us by Friday, December 12, 2008. At that time, depending on the comments received, we hope to begin processing the data so that the distributions can be made in January.
