

To: Florida's Property Appraisers

From: Senator Mike Haridopolos, Florida Senate District 26

Date: March 1, 2007

As Chairman of the Senate Finance and Tax Committee I have been dedicated to providing property owners with much-needed tax relief. I have been traveling throughout the state taking testimony at town hall meetings, and now I would like to hear directly from the Property Appraisers to get your thoughts on the issue. At my request, the Department of Revenue has prepared a survey for this purpose. It is my understanding that in a recent survey of Property Appraisers less than half of all appraisers took the time to respond. I would greatly appreciate your response to the Department of Revenue's survey, as I feel the more input we have on the subject, the better solution that can be reached.

I appreciate you taking the time to complete this survey and I look forward to working with you in the future. Please feel free to contact my office if I can be of assistance.
